Walk Through Walls Marina Abramovic, 2018-03-06 I had experienced absolute freedom I had felt that my body was without boundaries limitless that pain didn't matter that nothing mattered at all and it intoxicated me In 2010 more than 750 000 people stood in line at Marina Abramovic's MoMA retrospective for the chance to sit across from her and communicate with her nonverbally in an unprecedented durational performance that lasted more than 700 hours This celebration of nearly fifty years of groundbreaking performance art demonstrated once again that Marina Abramovi is truly a force of nature The child of Communist war hero parents under Tito's regime in postwar Yugoslavia she was raised with a relentless work ethic Even as she was beginning to build an international artistic career Marina lived at home under her mother's abusive control strictly obeying a 10 p.m. curfew But nothing could quell her insatiable curiosity her desire to connect with people or her distinctly Balkan sense of humor all of which informs her art and her life The beating heart of Walk Through Walls is an operatic love story a twelve year collaboration with fellow performance artist Ulay much of which was spent penniless in a van traveling across Europe a relationship that began to unravel and came to a dramatic end atop the Great Wall of China Marina's story by turns moving epic and dryly funny informs an incomparable artistic career that involves pushing her body past the limits of fear pain exhaustion and danger in an uncompromising quest for emotional and spiritual transformation A remarkable

contemporary art When Marina Abramovi Dies examines the extraordinary life and death defying work of one of the most pioneering artists of her generation and one who is still at the forefront of contemporary art today This intimate critical biography chronicles Abramovi s formative and until now undocumented years in Yugoslavia and tells the story of her partnership with the German artist Ulay one of the twentieth century s great examples of the fusion of artistic and private life In one of many long durational performances in the renewed solo career that followed Abramovi famously lived in a New York gallery for twelve days without eating or speaking nourished only by prolonged eye contact with audience members It was here in 2002 that author James Westcott first encountered her beginning an exceptionally close relation between biographer and subject When Marina Abramovi Dies draws on Westcott s personal observations of Abramovi his unprecedented access to her archive and hundreds of hours of interviews he conducted with the artist and the people closest to her The result is a unique and vivid portrait of the charismatic self proclaimed grandmother of performance art
