## **Paper Dance 55 Latino Poets:**

*Paper Dance* Victor Hernández Cruz, Leroy Quintana, Virgil Suárez, 1995 A collection of poems by such writers as Julia Alvarez and Lucha Corpi on topics including love death and ethnicity     Infinite Refuge Virgil Suárez, 2002-09-30 So much left behind Our house Our family Our lives together Virgil Su rez writes in his memoir of life as a Cuban refugee Beginning with the saga of the balseros that unfolds before Su rez s eyes when at his mother s insistence he turns on the TV and witnesses a confrontation between the Coast Guard and the Cuban rafters Su rez draws his memories of his family and friends leaving Cuba and ties these through verse and prose to his experience of exile Rather than decry the politics of persecution under a dictatorship or celebrate the freedoms enjoyed in the United States Su rez instead brings to life his memories on the page Su rez writes Those old ghosts of places we knew lived in moments we survived those are the things I m afraid of But those old ghosts populate his stories the shadows of his extended family standing on the other side of the glass at the departure gate in the airport the next door neighbor of his childhood with whom he plays firing squad his mother s last wish to return to Cuba and his promise to his father not to return until a change comes to Cuba Su rez s poignant tales of family disintegration culture shock and separation are only matched by his examples of people struggling for the strength to live their modest lives and to preserve their memories in the face of the challenges of the new society around them He sees in the raft people in the dissidents in the newly minted American citizens the same creative will that launched his own career as a writer     **A Poet's Truth** Bruce Allen Dick, 2022-02-22 Among students and aficionados of contemporary literature the work of Latina and Latino poets holds a particular fascination Through works imbued with fire and passion these writers have kindled new enthusiasm in their compatriots and admiration in non Latino readers This book brings together recent interviews with fifteen Latino a poets a cross section of Chicano Puerto Rican and Cuban voices who discuss not only their work but also related issues that help define their place in American literature Each talks at length about the craft of his or her poetry both the influences and the process behind it and takes a stand on social and political issues affecting Latinos across the United States The interviews feature both established writers published as early as the 1960s and emerging artists each of whom has enjoyed success in other literary forms also As Bruce Dick s insightful questions reveal the key threads linking these writers are their connections to their families and communities and their concern for civil rights believing like Chicana writer Pat Mora that the work of the poet is for the people The interviews also reveal diversity among and within the three communities from Victor Hern ndez Cruz who traces Latino collective identity to Africa and claims that all Latinos are swimming in olive oil to Cuban writer Gustavo Perez Firmat who considers nationality more important than ethnicity and says that the term Latino erases his nationality The dialogues also offer new insights on the place of Chicano a writings in the U S Mexico borderlands on the Puerto Rican Nuyorican establishment and on the anti Castro stand of Cuban born poets As these writers answer questions about their work background ethnic identity and

political ideology they provide a wealth of biographical intellectual and literary material collected here for the first time *A Poet's Truth* is a provocative and revealing book that not only conveys the fire of these writers' passions but also sheds important light on a whole literary movement Interviews with Miguel Algarín, Martín Espada, Sandra Marín, Esteban Victor Hernández, Cruz Carolina Hospital, and Carlos Medina Demetria Martínez, Pat Mora, Judith Ortiz Cofer, Ricardo Pau Llosa, Gustavo Pérez Firmat, Leroy Quintana, Aleida Rodríguez, Luis Rodríguez, Benjamin Alire Sáenz, Virgil Suárez *Means Matter* Manuel Brito, 2010 This book is a major source for scholars of the latest American poetry These exciting essays comprise energy and documented discussions on experimentalism, multiculturalism, hyperspace, and gender Anthologies and little magazines form the matrix for this exploration on conceptual issues surrounding language The author widens the perspective in which a great deal of writing forced the limits of poetry in this kind of publications At the same time he analyzes new contexts and enters into conversation with other sources for inspiration found through other disciplines such as social theory, philosophy, linguistics, and art generated at both sides of the Atlantic Ocean Reflective, taut with alertness, and exploding the postmodern concept of word object as a liberating experience, this book becomes a driving force to address poetry and challenging political issues with admirable depth **Little Havana Blues** Delia Poey, Virgil Suárez, 1996-01-01 *Little Havana Blues* is a medley of voices, narrators, essayists, and poets that have come to forge a literary identity within the United States since their parents left Cuba to go into exile However, this first comprehensive anthology of Cuban American literature is not a symphony of the exile or immigrant generation and its letters Instead, these writers are staking their claim on part of the American mosaic with Pulitzer Prizes and other awards in hand But in their Americanization, they are not rejecting their heritage or their Hispanic culture; rather, they are Cubanizing, tropicalizing, expanding the realm of American culture and letters Their vision is inclusive; their sources go deep into Anglo and Hispano-European tradition and as deeply into Afro-Caribbean and mestizo culture, not to mention their love affair with popular culture and its icons Included in *Little Havana Blues* are writers both established and burgeoning onto the literary scene: Pulitzer Prize winner Oscar Hijuelos, Rafael Campo, Gustavo Pérez Firmat, Margarita Engle, Roberto Fernández, Dolores Prida, José Yglesias, and many others Accompanying the selections are an introduction and bibliography by the editors *The Invisible Ladder* Liz Rosenberg, 1996-10-15 Features such poets as Robert Bly, Allen Ginsberg, Nikki Giovanni, and Galway Kinnell by including photos, selections of their work, and comments on their poetry **Havana Thursdays** Virgil Suárez, 1995-01-01 One phone call shatters the facade of tranquility presented by the entire Torres family, pitching its members into shockwaves of emotional upheaval that reveal the unsavory realities the clan prefers to ignore Told in a fast-paced documentary style, *Havana Thursdays* is a compelling collection of voices of a Cuban American family gathering during the crucial aftermath of a family member's death In alternating chapters, six strong-willed and vibrant women unfurl before the reader the richly hued tableau of their lives Suárez delivers a hopeful message that human dignity and good will provide the resilience to help overcome crises Ultimately, the Torres family of

Cuban exiles is no different in its sorrows and joys than any other American family regardless of ethnicity With forays into the individual psyches of characters in crisis over love and loyalty growing up and growing old marrying and dissolving Su rez s portrayal of women is as daring as their resolve to pioneer generational changes for this conservative clan Spared Angola: Memories from a Cuban-American Childhood Virgil Suarez,1997-01-01 pared Angola Memories from a Cuban American Childhood is a powerful and original first collection of autobiographical stories essays and poems The successful novelist here lays bare the makings of his conscience as a writer and human being detailing the psychological pressure of male expectations family gender battles emigration and adjusting to a new culture Hoping to spare their only child the fate of thousands of young Cubans conscripted to fight in the revolution in Angola Su rez s parents left Cuba unaware of the sentence destiny would impose instead Su rez s compelling piece invokes the agony and frustration borne of growing up in terminal exile and cultural limbo From anguish and turmoil the artist has wrought one of the most eloquent and commanding voices of contemporary American literature Going Under Virgil Suàrez,1996-01-01 He s fast He s nervous He s outrunning family and friends Xavier Cuevas is on the treadmill in blind pursuit of the American Dream Going nowhere Going under He can t please anyone not his Cuban parents nor his Anglo ex wife and least of all himself Wedged between two cultures two sets of ethics and expectations Xavier is having trouble keeping step with the frenetic bi cultural mambo he is caught up in Virgil Su rez s fourth novel Going Under spins the compelling tale of a broken family shattered dreams a fragmented existence and a Cuban yuppie who has little else to show for all his efforts Xavier is as lost in the past as his parents are He s as disoriented in the present as most of mainstream America is He certainly has no time to think about the future Going Under is a clever and disturbing parable of these disquieting times when standing still means losing ground and ultimately going under economically physically culturally With this brilliant fast paced novel Su rez attains a higher ground for the Cuban American novel Su rez s sparse elegant prose lures us with a cool and witty portrayal of Xavier and Miami s Cuban personality As his cinematic style beckons the reader can t help but cruise along those hot Miami boulevards and observe the human tragic comedy as it unfolds in pastel colored flashes Going Under is a riveting ride that shouldn t be missed **Micro Fiction** Jerome H. Stern,1996 Ten years ago Jerome Stern director of the writing program at Florida State initiated the World s Best Short Short Story Contest Stories were to be about 250 words long first prize was a check and a crate of oranges Two to three thousand stories began to show up annually in Tallahassee and National Public Radio regularly broadcast the winner But more important the Micro form turned out to be contagious stories of this lack of length now dot the literary magazines The time seemed right then for this anthology presenting a decade of contest winners and selected finalists In addition Stern commissioned Micros persuading a roster of writers to accept the challenge of completing a story in one page Jesse Lee Kercheval has a new spin on the sinking of the Titanic Virgil Suarez sets his sights on the notorious Singapore caning George Garrett conjures up a wondrous screen treatment pitch and Antonya Nelson invites us into an eerie
