Paper And Light:

Paper and Light Julian Brooks,Michelle Sullivan,2024-10-29 This volume looks at the techniques and materials that artists have utilized since the Renaissance to create spectacular light effects in drawings The treatment of light and shadow is one of the building blocks of drawing From techniques such as highlights and reserves to material selection and the creation of translucent tracing paper to the use of light as a medium for viewing artworks artists for hundreds of years have found innovative and dazzling ways to create light on a sheet of paper This publication examines the central relationship between paper and light in the world of drawings in western European art from the Renaissance to the twentieth century Focusing on drawings from the collection of the J Paul Getty Museum as well as works from the British Museum Mus e du Louvre and others and featuring masterful works by such artists as Parmigianino Leonardo da Vinci Nicolas Poussin Odilon Redon Edgar Degas and Georges Seurat **Paper and Light** will entice readers to look longer and more closely at drawings deriving an even deeper appreciation for the skill and labor that went into them This volume is published to accompany an exhibition on view at the J Paul Getty Museum at the Getty Center from October 15 2024 to January 19 2025 **Paper and Light** Julian Brooks,Michelle Sullivan (Conservator),2024 Discusses the history of extraordinary light effects on the surface of and through paper in drawings from the Renaissance to today **Light, Paper, Process** Virginia Heckert,2015-04-14 From its beginnings photography has been shaped by the desire to understand and explore the essence of the medium **Light Paper Process** features the work of seven artists Alison Rossiter Marco Breuer James Welling Lisa Oppenheim Chris McCaw John Chiara and Matthew Brandt who investigate the possibilities of analog photography by finding innovative surprising and sometimes controversial ways to push light sensitive photographic papers and chemical processing beyond their limits A panoply of practices emerges in the work of these artists Some customize cameras with special lenses or produce images on paper without a camera or film Others load paper rather than film in the camera or create contact printing with sources of light other than the enlarger while still others use expired photographic papers and extraneous materials such as dust and sweat selected to match the particular subject of the photograph All of the artists share a willingness to embrace accident and chance Trial and error contribute to an understanding of the materials and their potential as do the attitudes of underlying curiosity and inventive interrogation The act of making each image is like a performance with only the photographer present The results are stunning This lavish publication accompanies an eponymous exhibition on view at the J Paul Getty Museum from April 14 to September 6 2015 **Light** Hugh Percy Highton,1900 **Paper & Print** ,1929
