Paper Currency Of The Angloboer War 18991902:

Paper Currency of the Anglo-Boer War, 1899-1902 John Ineson, 1999 The Anglo-Boer War 1899-1902: 963 Days Pieter G Cloete, 2021-12-01 Since the start of the Anglo Boer War today 120 years ago thousands of publications written or typed reports and other creations have been produced to narrate the war events express opinions on its origins causes course results and legacy and on participants in the struggle This process is ongoing since the debate amongst both professional historians and interested amateurs on exactly what happened and why is still raging and new information on the war still crops up The history of the Anglo Boer War is truly a neverending discourse As the author of a number of books on the war I have consulted hundreds of both published and unpublished sources Some were of limited value but a small percentage of the published books were of such high value that they formed part of a small stack of books that found a permanent home on my desktop while I was in the writing process Pieter Cloete's The Anglo Boer War A Chronology both the original English version and the enlarged Afrikaans version published in 2010 was always part of that stack It is to me a privilege to write a foreword for the user friendly and meticulously researched book It not only contains a wealth of information but a detailed source list and an extensive index There are few if any more helpful reference books on the war and thus represents an essential resource to anyone with a more than superficial interest in the Anglo Boer War DR JACKIE GROBLER Historian and author Recently retired after 40 years at the Department of Historical and Heritage Studies The University of Pretoria

Historical Dictionary of the Anglo-Boer War Fransjohan Pretorius, 2009 The devastating war that raged on the South African veldt between 1899 and 1902 the first of the 20th century wars was small in comparison with the world wars Yet it reveals many facets of military political and social issues The conflict between the British Empire and the Boer settlers was in ways a precursor to what was to come It saw vast changes in the organization tactics and weapons used by the British Army had far reaching effects on the white political structure in the country and stimulated Afrikaner nationalism which might partly explain the introduction of apartheid Historical dictionary of the Anglo Boer war presents the history of this conflict also known as the South African War the Boer War and the Transvaal War Through a chronology introductory essay bibliography and more than 600 cross referenced dictionary entries covering a wide range of military social cultural and political topics Page 4 of cover
