The Papers of Daniel Webster Daniel Webster,1976-06 **Historical Documentary Editions** ,2000 *Historical Documentary Editions 1993* ,1993 *Historical Documentary Editions 2000* United States. National Historical Publications and Records Commission,2000 Historical Documentary Editions United States. National Historical Publications and Records Commission,1986 Annual Report United States. National Historical Publications and Records Commission,1982

Posterity Dorie McCullough Lawson,2008-04-22 An elegantly designed beautifully composed volume of personal letters from famous American men and women that celebrates the American Experience and illuminates the rich history of some of America s most storied families Posterity is at once an epistolary chronicle of America and a fascinating glimpse into the hearts and minds of some of history s most admired figures and storied families Spanning more than three centuries these letters contain enduring lessons in life love character and compassion that will surprise and enlighten Included here are letters from Thomas Jefferson to his daughter warning her of the evils of debt General Patton on D Day to his son a cadet at West Point about what it means to be a good soldier W E B Du Bois to his daughter about character beneath the color of skin Oscar Hammerstein about why after all his success he doesn t stop working Woody Guthrie writing from a New Jersey asylum to nine year old Arlo about universal human frailty Eleanor Roosevelt chastising her grown son for his Christmas plans and Groucho Marx as a dog to his twenty five year old son Here are renowned Americans in their own words and in their own times seen as they were seen by their children Here are our great Americans as mothers and fathers *The*

Papers of Daniel Webster Daniel Webster,1976 **Guide to Research Collections of Former United States Senators**

1789-1982 United States. Congress. Senate,1982 Western Influences on Political Parties to 1825 Homer Carey Hockett,1917 A careful and detailed study of the western frontier and the influence of the west on party life from pre Revolutionary days to 1825 Traces the economic development of the west from 1815 to 1825 in regard to occupational life markets transportation and the influence of that life Examines the divergence of the west and south as the west was led to support the New England candidate for president in 1824 Discusses the formation of political parties along geographical lines and examines decline of Federalism and the rise of nationalism as a reflection of the fact that the views habits and interests of the east were not readily reconciled with those of the south and west This volume should interest serious students of western and party history **A Slave in the White House** Elizabeth Dowling Taylor,2012-01-03 New York

Times Bestseller A fascinating portrait of one of the men enslaved by James and Dolley Madison and his journey toward freedom Publishers Weekly Paul Jennings was born into slavery on the plantation of James and Dolley Madison in Virginia later becoming part of the Madison household staff at the White House Once he was finally emancipated by Senator Daniel Webster later in life he would give an aged and impoverished Dolley Madison his former owner money from his own pocket write the first White House memoir and see his sons fight with the Union Army in the Civil War He died a free man in

northwest Washington at seventy five Based on correspondence legal documents and journal entries rarely seen before this amazing portrait of the times reveals the mores and attitudes toward slavery of the nineteenth century and sheds new light on famous figures such as James Madison who believed the white and black populations could not coexist as equals General Lafayette who was appalled by this idea Dolley Madison who ruthlessly sold Paul after her husband s death and many other since forgotten slaves abolitionists and civil right activists A portrait of a remarkably willful ambitious opportunistic and in his own way well connected American You could also call it the American dream Fortune A great historical biography Houston Style Magazine A must read The Daily Beast Thorough research an important story of human struggle determination and triumph The Dallas Morning News *The Writings and Speeches of Daniel Webster: Private correspondence* Daniel Webster,1903 Capital Speculations Sarah Luria,2006 An imaginative analysis of the interplay between rhetoric and physical space in the creation of the nation s capital **World Museum Publications** ,1982 **Philip Pendleton Barbour in Jacksonian America** William S. Belko,2016-04-30 Philip Pendleton Barbour in Jacksonian America is the definitive biography of a Virginia legislator and jurist whose life and career mirror the transformational decades of US history between the War of 1812 and the end of the Mexican American War in 1848 **Alexander Hamilton and the Persistence of Myth** Stephen F. Knott,2002-02-15 Alexander Hamilton and the Persistence of Myth explores the shifting reputation of our most controversial founding father Since the day Aaron Burr fired his fatal shot Americans have tried to come to grips with Alexander Hamilton s legacy Stephen Knott surveys the Hamilton image in the minds of American statesmen scholars literary figures and the media explaining why Americans are content to live in a Hamiltonian nation but reluctant to embrace the man himself Knott observes that Thomas Jefferson and his followers and later Andrew Jackson and his adherents tended to view Hamilton and his principles as un American While his policies generated mistrust in the South and the West where he is still seen as the founding plutocrat Hamilton was revered in New England and parts of the Mid Atlantic states Hamilton s image as a champion of American nationalism caused his reputation to soar during the Civil War at least in the North However in the wake of Gilded Age excesses progressive and populist political leaders branded Hamilton as the patron saint of Wall Street and his reputation began to disintegrate Hamilton s status reached its nadir during the New Deal Knott argues when Franklin Roosevelt portrayed him as the personification of Dickensian cold heartedness When FDR erected the beautiful Tidal Basin monument to Thomas Jefferson and thereby elevated the Sage of Monticello into the American Pantheon Hamilton as Jefferson s nemesis fell into disrepute He came to epitomize the forces of reaction contemptuous of the great beast the American people In showing how the prevailing negative assessment misrepresents the man and his deeds Knott argues for reconsideration of Hamiltonianism which rightly understood has much to offer the American polity of the twenty first century Remarkably at the dawn of the new millennium the nation began to see Hamilton in a different light Hamilton s story was now the embodiment of the American dream an impoverished immigrant who came to the United States and laid

the economic and political foundation that paved the way for America's superpower status Here in Stephen Knott's insightful study Hamilton finally gets his due as a highly contested but powerful and positive presence in American national life

Reaction and Accommodation Dwight Wiley Jessup, 1978 On the Stump Sean Scalmer, 2017-09 Stumping or making political speeches in favor of a candidate cause or campaign has been around since before the 1800s when speechmaking was frequently portrayed as delivered from the base of a tree The practice which has been strongly associated with the American frontier British agitators and colonial Australia remains an effective component of contemporary democratic politics In his engaging book *On the Stump* Sean Scalmer provides the first comprehensive transnational history of the stump speech He traces the development and transformation of campaign oratory as well as how national elections and public life and culture have been shaped by debate over the past century Scalmer presents an eloquent study of how stumping careers were made sustained remembered and exploited to capture the complex rhythms of political change over the years *On the Stump* examines the distinctive dramatic and performative styles of celebrity orators including Davy Crockett Henry Clay and William Gladstone Ultimately Scalmer recovers the history of the stump speech and its historical significance in order to better understand how political change is forged

The Papers of Andrew Jackson Andrew Jackson, 1980 Andrew Jackson is one of the most critical and controversial figures in American history A dominant actor on the American scene in the period between the Revolution and Civil War he stamped his name first on a mass political movement and then an era At the same time Jackson's ascendancy accelerated the dispossession and death of Native Americans and spurred the expansion of slavery *The Papers of Andrew Jackson* is a project to collect and publish Jackson's entire extant literary record The project is now producing a series of seventeen volumes that will bring Jackson's most important papers to the public in easily readable form

The Great Triumvirate Merrill D. Peterson, 1988-12-08 Enormously powerful intensely ambitious the very personifications of their respective regions Daniel Webster Henry Clay and John C Calhoun represented the foremost statesmen of their age In the decades preceding the Civil War they dominated American congressional politics as no other figures have Now Merrill D Peterson one of our most gifted historians brilliantly re-creates the lives and times of these great men in this monumental collective biography Arriving on the national scene at the onset of the War of 1812 and departing political life during the ordeal of the Union in 1850 Webster Clay and Calhoun opened and closed a new era in American politics In outlook and style they represented startling contrasts Webster the Federalist and staunch New England defender of the Union Clay the war hawk and National Republican leader from the West Calhoun the youthful nationalist who became the foremost spokesman of the South and slavery They came together in the Senate for the first time in 1832 united in their opposition of Andrew Jackson and thus gave birth to the idea of the Great Triumvirate Entering the history books this idea survived the test of time because these men divided so much of American politics between them for so long Peterson brings to life the great events in which the Triumvirate figured so prominently including

the debates on Clay's American System the Missouri Compromise the Webster Hayne debate the Bank War the Webster Ashburton Treaty the annexation of Texas and the Compromise of 1850 At once a sweeping narrative and a penetrating study of non presidential leadership this book offers an indelible picture of this conservative era in which statesmen viewed the preservation of the legacy of free government inherited from the Founding Fathers as their principal mission In fascinating detail Peterson demonstrates how precisely Webster Clay and Calhoun exemplify three facets of this national mind

When people should go to the ebook stores, search start by shop, shelf by shelf, it is in reality problematic. This is why we give the book compilations in this website. It will unquestionably ease you to look guide **Papers Of Daniel Webster 1825 1829 Series I Correspondence By** as you such as.

By searching the title, publisher, or authors of guide you truly want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections.
