Papers Of Jefferson Davis 1856 186:

The Papers of Jefferson Davis Jefferson Davis, 2012-03-12 Volume 13 of The Papers of Jefferson Davis follows the former president of the Confederacy as he becomes head of the Carolina Life Insurance Company of Memphis and attempts to gain a financial foothold for his newly reunited family. Having lost everything in the Civil War and spent two years immediately afterwards in federal prison, Davis faced a mounting array of financial woes, health problems, and family illnesses and tragedies in the 1870s. Despite setbacks during this decade, Davis also began a quest to rehabilitate his image and protect his historical legacy. Although his position with the insurance company provided temporary financial stability, Davis resigned after the Panic of 1873 forced the sale of the company and its new owners canceled payments to Carolina policyholders. He left for England the following year in search of employment and to recuperate from ongoing illnesses. In 1876, Davis became president of the London-based Mississippi Valley Society and relocated to New Orleans to run the company. Throughout the 1870s, Davis waged an expensive and seemingly endless legal battle to regain his prewar Mississippi plantation, Brierfield. He also began working on his memoirs at Beauvoir, the Gulf Coast estate of a family friend. Though disfranchised, Davis addressed the subject of politics with more frequency during this decade, criticizing the Reconstruction policies of the federal government while defending the South and the former Confederacy. The volume ends with Davis's inheritance of Beauvoir, which was his last home. The editors have drawn from over one hundred manuscript repositories and private collections in addition to numerous published sources in compiling Volume 13.

Jefferson Davis, Unconquerable Heart Felicity Allen, 1999. Preeminent Civil War historian Frank Vandiver always longed to see an interpretive biography of Jefferson Davis. Finally, more than twenty years after Vandiver expressed that wish, publication of *Jefferson Davis: Unconquerable Heart* makes such an interpretive biography available. Felicity Allen begins this monumental work with Davis's political imprisonment at the end of the Civil War and masterfully flashes back to his earlier life, interweaving Davis's private life as a schoolboy, a Mississippi planter, a husband, a father, and a political leader. She follows him from West Point through army service on the frontier, his election to the U.S. House of Representatives, his regimental command in the Mexican War, his service as U.S. secretary of war and senator, and his term as president of the Confederate States of America. Although Davis's family is the nexus of this biography, friends and enemies also play major roles. Among his friends intimately met in this book are such stellar figures as Andrew Jackson, John C. Calhoun, Zachary Taylor, Franklin Pierce, Albert Sidney Johnston, and Robert E. Lee. With the use of contemporary accounts and Davis's own correspondence, *Jefferson Davis: Unconquerable Heart* casts new light upon this remarkable man, thawing the icy image of Davis in many previous accounts. Felicity Allen shows a strong yet gentle man, a stern soldier who loved horses, guns, poetry, and children, a master of the English language with a dry wit, a man of powerful feelings who held them in such tight control that he was considered cold, and a home-loving Mississippian who was drawn into a vortex of national events and eventual catastrophe. At all times, duty, honor, country ruled his mind. Davis's

Christian view of life runs like a thread throughout the book binding together his devotion to God his family and the land Jefferson Davis Unconquerable Heart brings Davis to life in a way that has never been done before The variety of his experience the breadth of his learning and the consistency of his beliefs make this historical figure eminently worth knowing

History of California: Early state administrations ; Later state administrations Theodore Henry Hittell,1897
General history of California *Jefferson Davis, Napoleonic France, and the Nature of Confederate Ideology, 1815-1870*
Jeffrey Zvengrowski,2020-01-06 In this highly original study of Confederate ideology and politics Jeffrey Zvengrowski suggests that Confederate president Jefferson Davis and his supporters saw Bonapartist France as a model for the Confederate States of America They viewed themselves as struggling not so much for the preservation of slavery but for antebellum Democratic ideals of equality and white supremacy The faction dominated the Confederate government and deemed Republicans a coalition controlled by pro British abolitionists championing inequality among whites Like Napoleon I and Napoleon III pro Davis Confederates desired to build an industrial nation state capable of waging Napoleonic style warfare with large conscripted armies States rights they believed should not preclude the national government from exercising power Anglophile anti Davis Confederates in contrast advocated inequality among whites favored radical states rights and supported slavery in the abstract theories that were dismissive of white supremacy Having opposed pro Davis Democrats before the war they preferred decentralized guerrilla warfare to Napoleonic campaigns and hoped for support from Britain The Confederacy they avowed would willingly become a de facto British agricultural colony upon achieving independence Pro Davis Confederates wanted the Confederacy to become an ally of France and protector of sympathetic northern states Zvengrowski traces the origins of the pro Davis Confederate ideology to Jeffersonian Democrats and their faction of War Hawks who lost power on the national level in the 1820s but regained it during Davis term as secretary of war Davis used this position to cultivate friendly relations with France and later warned northerners that the South would secede if Republicans captured the White House When Lincoln won the 1860 election Davis endorsed secession The ideological heirs of the pro British faction soon came to loathe Davis for antagonizing Britain and for offering to accept gradual emancipation in exchange for direct assistance from French soldiers in Mexico Zvengrowski s important new interpretation of Confederate ideology situates the Civil War in a global context of imperial competition It also shows how anti Davis ex Confederates came to dominate the postwar South and obscure the true nature of Confederate ideology Furthermore it updates the biographies of familiar characters John C Calhoun who befriended Bonapartist officers Davis who was as much a Francophile as his namesake Thomas Jefferson and Robert E Lee who as West Point s superintendent mentored a grand nephew of Napoleon I

Voices of the Marketplace Anne C. Rose,2004-09-09 In this comprehensive and insightful reinterpretation of antebellum culture Anne C Rose analyzes the major shifts in intellectual life that occurred between 1830 and 1860 while exploring three sets of concepts that provided common languages Christianity democracy capitalism Whereas many interpretations of

American culture in this period have emphasized a single theme or have been preoccupied with the ensuing Civil War Rose considers sharply divergent tendencies in religion and politics and a wide range of reformers authors and other public figures

Correspondence of Robert M. T. Hunter, 1826-1876 Robert Mercer Taliaferro Hunter,1918

The Battle of Belmont Nathaniel Cheairs Hughes,1991 Provides a tactical study of the first battle in the western theater of the Civil War which catapulted Grant into prominence

Jefferson Davis, Constitutionalist Jefferson Davis,1923 The true story of the Southern Confederacy lies in the letters speeches and State papers of its leaders and its best justification will come after such historical materials have been made accessible to the truth loving historian of the future The private and public papers of such Southern leaders as Calhoun Davis and Lee will reveal as nothing else can the principles for which they contended and give to posterity the true estimate of their lives and deeds Introduction

Annual Report of the American Historical Association American Historical Association,1918

The Papers of Jefferson Davis: 1856-1860 Jefferson Davis,1971

The Iron Dice of Battle Timothy B. Smith,2023-11-29 Killed in action at the bloody Battle of Shiloh Confederate general Albert Sidney Johnston stands as the highest ranking American military officer to die in combat His unexpected demise had cascading negative consequences for the South s war effort as his absence created a void in adequate leadership in the years that followed In *The Iron Dice of Battle* noted Civil War historian Timothy B Smith reexamines Johnston s life and death offering remarkable insights into this often contradictory figure As a commander Johnston frequently faced larger and better armed Union forces dramatically shaping his battlefield decisions and convincing him that victory could only be attained by taking strategic risks while fighting The final wager came while leading his army at Shiloh in April 1862 During a desperate gambit to turn the tide of battle Johnston charged to the front of the Confederate line to direct his troops and fell mortally wounded after sustaining enemy fire The first work to survey the general s career in detail in nearly sixty years *The Iron Dice of Battle* builds on recent scholarship to provide a new and incisive assessment of Johnston s life his Confederate command and the effect his death had on the course of the Civil War in the West

The American Civil War Ethan S. Rafuse,2017-11-28 The largest and most destructive military conflict between the Napoleonic Wars and the First World War the American Civil War has inspired some of the best and most intriguing scholarship in the field of United States history This volume offers some of the most important work on the war to appear in the past few decades and offers compelling information and insights into subjects ranging from the organization of armies historiography the use of intelligence and the challenges faced by civil and military leaders in the course of America s bloodiest war

1858 Bruce Chadwick,2011-08-15 1858 explores the events and personalities of the year that would send the America s North and South on a collision course culminating in the slaughter of 630 000 of the nation s young men a greater number than died in any other American conflict

The Papers of Jefferson Davis Jefferson Davis,1989-04-01 Volume 6 of *The Papers of Jefferson Davis* spanning the five crucial years before 1861 chronicles Davis last year as secretary of war and his return to the Senate capstone of his long

career of public service to the United States Volume 6 includes 116 letters printed in full with annotation a calendar of over 6 000 items and summaries of 53 recently discovered documents dating from 1845 through 1855 as well as illustrations and maps prepared especially for the volume Davis correspondence and his final report to Franklin Pierce mirror the concerns of his last months as head of the War Department turmoil in Kansas protection of western settlements construction of the Washington Aqueduct the Capitol extension and new dome surveys for the Pacific Railroad Indian relations the camel experiment army reorganization and advances in weaponry All these issues followed Davis to the Senate in March 1857 but other questions soon claimed equal attention As debates on abolition state rights fugitive slaves and slavery in the territories became more frequent and more divisive Davis found himself a major spokesman for his region He was caught up in the momentous events testing the nation during James Buchanan s administration bleeding Kansas Preston Brooks s attack on Charles Sumner John Brown s raid on Harpers Ferry the 1860 Democratic conventions the election of a Republican president and the secession of South Carolina He debated at length with Stephen A Douglas and others over squatter sovereignty and offered his own resolutions on the relations of states as the basis for the Democratic platform in 1860 Personal correspondence gives revealing word pictures of Varina Davis and the children the family s sojourn in New England during the Summer of 1858 disastrous flooding at Brierfield in 1859 and Davis persistent debilitating illnesses Volume 6 covers fateful years for the nation and for Jefferson Davis a man moving toward a destiny that he is both creating and hoping to avoid

Southwestern Historical Quarterly ,2000 **Extreme Civil War** Matthew M. Stith,2016-05-18 During the American Civil War the western Trans Mississippi frontier was host to harsh environmental conditions irregular warfare and intense racial tensions that created extraordinarily difficult conditions for both combatants and civilians Matthew M Stith s *Extreme Civil War* focuses on Kansas Missouri Arkansas and Indian Territory to examine the physical and cultural frontiers that challenged Confederate and Union forces alike A disturbing narrative emerges where conflict indiscriminately beset troops and families in a region that continually verged on social and political anarchy With hundreds of small fights disbursed over the expansive borderland fought by civilians even some women and children as much as by soldiers and guerrillas this theater of war was especially savage Despite connections to the political issues and military campaigns that drove the larger war the irregular conflict in this border region represented a truly disparate war within a war The blend of violence racial unrest and frontier culture presented distinct challenges to combatants far from the aid of governmental services Stith shows how white Confederate and Union civilians faced forces of warfare and the bleak environmental realities east of the Great Plains while barely coexisting with a number of other ethnicities and races including Native Americans and African Americans In addition to the brutal fighting and lack of basic infrastructure the inherent mistrust among these communities intensified the suffering of all citizens on America s frontier *Extreme Civil War* reveals the complex racial environmental and military dimensions that fueled the brutal guerrilla warfare and made the Trans Mississippi frontier one of the most difficult

and diverse pockets of violence during the Civil War Albert Sidney Johnston Charles P. Roland, 2013-07-24 A biography of the man whom Jefferson Davis could have considered one of his greatest generals during the American Civil War A revised edition of the only full scale biography of the Confederacy's top ranking field general during the opening campaigns of the Civil War Albert Sidney Johnston was selected as one of the best one hundred books ever written on the Civil War by Civil War Times Illustrated in 1981 and by Civil War The Magazine of the Civil War Society in 1995 Featuring a new forward by Gary W Gallagher and a new preface by the author Praise for Albert Sidney Johnston A biography of the Kentucky native who might have been mentioned in the same breath as Robert E Lee had Johnston not died while commanding Confederate troops at the battle of Shiloh in 1862 only a year after the war started Lexington Herald Leader Johnston's early years military career and encounters with Indians Mormons and Union soldiers are the focus of this masterly study Civil War Book Review The view of army life and the terrible decisions that many southern officers had to make at the beginning will provide an excellent background for further understanding the Civil War Paper Wars Joining Places (Volume 2 of 2) (EasyRead Super Large 18pt Edition) , **A Catalogue of Old, Rare and Curious Books** George E. Littlefield (Firm), 1887
 History of California Theodore Henry Hittell, 1898
