Papste Kaiser Konige Und Die Mittelalterliche Herrschaftssymbolik

Horst Fuhrmann

Papste Kaiser Konige Und Die Mittelalterliche Herrschaftssymbolik:

Conrad II, 990-1039 Herwig Wolfram, 2010-11-01 In this biography of the German emperor Conrad II 990 1039 internationally renowned medievalist Herwig Wolfram paints a fascinating portrait of a consummate politician set against the background of a Europe entering a new millennium Conrad was the founder of the Salian Dynasty under whose almost century long dominion Germany became the most powerful state in Western Europe He was also the first emperor of the high Middle Ages to rule the three kingdoms of Germany Italy and Burgundy Conrad s reign marked the triumph of the concept of kingdom and the zenith of what has been termed imperial grandeur He broadened the internal bases of imperial power and brought the full weight of his office to bear upon popes clerics and abbots in the pursuit of his ecclesiastical policies His astounding ability to achieve his political goals was practically unparalleled among the emperors of the High Middle Ages Wolfram sees Conrad as a politician in almost the modern sense of the word capable of exploiting the political social and economic structures of his day in order to exert his authority and marginalize his opponents The result is an intimate portrait filled with fresh insights about Conrad and his consort Gisela who as Wolfram demonstrates played an influential advisory role with her husband First published in 2000 this work demonstrates Wolfram s masterly command of the sources and the storyteller s craft making Conrad II a compelling history of an emperor and his magnificent epoch **Das**

Empfangszeremoniell bei mittelalterlichen Papst-Kaiser-Treffen Achim Thomas Hack, 1999 **Godfrey of Viterbo and his Readers** Thomas Foerster, 2016-03-09 This collection provides a systematic survey of the wide readership the works of Godfrey of Viterbo enjoyed in the late Middle Ages In the last years of the twelfth century this chronicler and imperial notary wrote a series of historical collections that gained considerable and lasting popularity between the thirteenth and fifteenth centuries his works were copied in elaborate manuscripts in almost all of Latin Europe This wide distribution is particularly surprising for an author like Godfrey whom modern historians have never credited with any importance at all as they considered his works chaotic and historically unreliable Yet Godfrey was certainly one of the most daring historiographers of his time In his works the lineage of the Hohenstaufen emperors Frederick Barbarossa and Henry VI is traced directly to Charlemagne and Augustus to the kings of Troy and of the Old Testament and to Jupiter and everyone who in his view wielded imperial power in the past Godfrey was a herald of the new political ideas the Hohenstaufen developed after the years of defeat against the papacy and the Italian communes but also a universal chronicler whose interests reached far beyond the political issues of his day Bringing together a group of specialists on manuscripts and historical writing in late medieval England Spain Italy Germany Bohemia and Poland this volume aims to revive Godfrey s reputation by demonstrating how his works were understood by medieval readers *Königtum und Königsherrschaft im 10. und 11. Jahrhundert* Egon Boshof, 2018-07-12 Welche Bedeutung hatte das liudolfinische und salische Königtum für die Entwicklung eines deutschen Staates Wie festigte sich die Königsherrschaft unter Heinrich I und Otto I Wie errang das Reich in Europa

die Hegemonialstellung und auf welche Weise verliefen die Kämpfe der Salier mit dem Papsttum und den Fürsten seit dem Tode Heinrichs III. In seiner 3. Auflage geht Egon Boshof auf den kulturwissenschaftlichen Paradigmenwechsel in der medievalistischen Forschung der letzten beiden Jahrzehnte ein, der das Bild der Ottonenzeit inhaltlich wie methodisch erheblich verändert hat. Die Literatur ist auf den neuesten Stand gebracht und ausführlich diskutiert. Rome, Ravenna, and Venice, 750-1000 Veronica West-Harling, 2020-08-20. The richest and most politically complex regions in Italy in the earliest middle ages were the Byzantine sections of the peninsula thanks to their links with the most coherent early medieval state the Byzantine empire. This comparative study of the histories of Rome, Ravenna and Venice examines their common Byzantine past since all three escaped incorporation into the Lombard kingdom in the late 7th and early 8th centuries. By 750 however Rome and Ravenna's political links with the Byzantine Empire had been irrevocably severed. Thus did these cities remain socially and culturally heirs of Byzantium. How did their political structures, social organisation, material culture and identities change? Did they become part of the Western political and ideological framework of Italy? This study identifies and analyses the ways in which each of these cities preserved the structures of the Late Antique social and cultural world or in which they adapted each and every element available to them to their own needs at various times and in various ways to create a new identity based partly on their Roman heritage and partly on their growing integration with the rest of medieval Italy. It tells a story which encompasses the main contemporary narratives, documentary evidence, recent archaeological discoveries and discussions on art history; it follows the markers of status and identity through titles, names, ethnic groups, liturgy and ritual, foundation myths, representations, symbols and topographies of power to shed light on a relatively little known area of early medieval Italian history. Paths to Kingship in Medieval Latin Europe, c. 950-1200 Björn Weiler, 2021-10-14. Medieval Europe was a world of kings, but what did this mean to those who did not themselves wear a crown? How could they prevent corrupt and evil men from seizing the throne? How could they ensure that rulers would not turn into tyrants? Drawing on a rich array of remarkable sources, this engaging study explores how the fears and hopes of a ruler's subjects shaped both the idea and the practice of power. It traces the inherent uncertainty of royal rule from the creation of kingship and the recurring crises of royal successions through the education of heirs and the intrigue of medieval elections to the splendour of a king's coronation and the pivotal early years of his reign. Monks, crusaders, knights, kings and those who wanted to be kings are among a rich cast of characters who sought to make sense of and benefit from an institution that was an object of both desire and fear. *Frühmittelalterliche Studien. Band 30* Karl Hauck, Hagen Keller, Joachim Wollasch, 2021-06-21. Keine ausführliche Beschreibung für FRÜHMittelalterliche Studien Bd 30. FMST E BOOK verfügbar. Ottonian Imperial Art and Portraiture Eliza Garrison, 2017-07-05. Ottonian Imperial Art and Portraiture represents the first art historical consideration of the patronage of the Ottonian Emperors Otto III 983-1002 and Henry II 1002-1024. Author Eliza Garrison analyzes liturgical artworks created for both rulers with the larger goal of addressing the ways in which individual art objects and the

collections to which they belonged were perceived as elements of a material historical narrative and as portraits. Since these objects and images had the capacity to stand in for the ruler in his physical absence, she argues, they also performed political functions that were bound to their ritualized use in the liturgy, not only during the ruler's lifetime but even after his death. Garrison investigates how treasury objects could relay officially sanctioned information in a manner that texts alone could not, offering the first full-length exploration of this central phenomenon of the Ottonian era. Frühmittelalterliche Studien, Band 31 Karl Hauck, Keller Hagen, Christel Maier, 2021-06-21. Keine ausführliche Beschreibung für FR HMittelalterliche Studien BD 31 FMST E BOOK verfügbar. Rulership in Medieval East Central Europe, 2021-11-01. This book provides the first detailed overview of research on rulership in theory and practice with a particular emphasis on the monarchies of Bohemia, Hungary, and Poland in the High and Late Middle Ages. The contributions examine the legitimation of rule of the first local dynasties, the ritual practice of power, the ruling strategies and practices of power in the established monarchies, and the manifold influences on the rulership in East Central Europe from outside the region, such as from Byzantium and the Holy Roman Empire. The collection shows that these ideas and practices enabled the new polities to become legitimate members of Latin Christendom. **Encyclopedia of Historians and Historical Writing** Kelly Boyd, 2019-10-09. The Encyclopedia of Historians and Historical Writing contains over 800 entries ranging from Lord Acton and Anna Comnena to Howard Zinn and from Herodotus to Simon Schama. Over 300 contributors from around the world have composed critical assessments of historians from the beginning of historical writing to the present day, including individuals from related disciplines like Jürgen Habermas and Clifford Geertz, whose theoretical contributions have informed historical debate. Additionally, the Encyclopedia includes some 200 essays treating the development of national, regional, and topical historiographies from the Ancient Near East to the history of sexuality. In addition to the Western tradition, it includes substantial assessments of African, Asian, and Latin American historians and debates on gender and subaltern studies.

Einladung ins Mittelalter Horst Fuhrmann, 1987. **The Symbolic Language of Royal Authority in the Carolingian World (c.751-877)** Ildar H. Garipzanov, 2008. This book is not a conventional political narrative of Carolingian history shaped by narrative sources, capitularies, and charter material. It is structured instead by numismatic, diplomatic, liturgical, and iconographic sources and deals with political signs, images, and fixed formulas in them as interconnected elements in a symbolic language that was used in the indirect negotiation and maintenance of Carolingian authority. Building on the comprehensive analysis of royal liturgy, intitulation, iconography, and graphic signs, and responding to recent interpretations of early medieval politics, this book offers a fresh view of Carolingian political culture and of corresponding roles that royal, imperial, courts, larger monasteries, and human agents played there. *Königsherrschaft und Gottes Gnade* Ludger Körntgen, 2009-01-01. Unter den Bedingungen aktueller methodischer und quellenkritischer Diskussion lassen sich auch die historiographischen Zeugnisse der ottonisch-frühstauischen Epoche nicht im unmittelbaren Zugriff auf

herrschaftstheologischen Gehalt und Herrscheridee auswerten Zu fragen ist vielmehr welcher Stellenwert den einzelnen Zeugnissen im sozialen politischen und kulturellen Horizont der Zeit zukommt unter welchen Bedingungen sie entstanden und von wem sie rezipiert worden sind Die Frage nach dem jeweiligen Kontext von Herrscherbildern und Historiographie soll also erhellen in welchen sozialen religiösen und politischen Zusammenhängen sakrale Vorstellungen vom Herrscher wirksam geworden sind welche Interessen sie zur Geltung gebracht haben und in welchen Situationen sowie vor welchen Foren sie zur Sprache und zum Ausdruck gebracht worden sind **Kings and Kingship in Medieval Europe** Anne Duggan, 1993

Rulers and Ruling Families in Early Medieval Europe Janet L. Nelson, 2019-07-18 First published in 1999 the ideas and practices involved in early medieval royal family politics are the central theme of this collection of papers by Janet L Nelson She first examines King Alfred of Wessex 871-99 in the context of Anglo-Saxon conditions and in comparison with his Carolingian contemporaries When tension and conflict within the royal family are highlighted she argues that Alfred's talents and political thought emerge the more impressively A second group of papers deals with the reign of Charles the Bald 840-77 his patronage of learning and his interest in Spanish martyrs are set in political context while contemporary historiography is considered as a form of counsel and critique The third section reflects Nelson's growing interest in the political importance and gendered roles of royal women Consecration rites are analysed as ritual expressions and factors in the shaping of the queenship while two final papers also examine the making and unmaking of Frankish kings and princes The Papal Reform of the Eleventh Century, 2013-01-01 The eleventh century papal reform transformed western European Church and society and permanently altered the relations of Church and State in the west The reform was inaugurated by Pope Leo IX 1048-54 and given a controversial change of direction by Pope Gregory VII 1073-85 This book contains the earliest biographies of both popes presented here for the first time in English translation with detailed commentaries The biographers of Leo IX were inspired by his universally acknowledged sanctity whereas the biographers of Gregory VII wrote to defend his reputation against the hostility generated by his reforming methods and his conflict with King Henry IV Also included is a translation of Book to a Friend written by Bishop Bonizo of Sutri soon after the death of Gregory VII as well as an extract from the violently anti-Gregorian polemic of Bishop Benzo of Alba 1085 and the short biography of Leo IX composed in the papal curia in the 1090s by Bishop Bruno of Segni These fascinating narrative sources bear witness to the startling impact of the papal reform and of the Investiture Contest the conflict of empire and papacy that was one of its consequences An essential collection of translated texts for students of medieval history **Viator** University of California, Los Angeles. Center for Medieval and Renaissance Studies, Herrschersakralität im Mittelalter Franz-Reiner Erkens, 2006 Die religiöse Legitimierung des Herrschers die diesen mit einer sakralen Aura umgibt ihn als durch Gott erwählt erscheinen lässt und ihm eine priesterähnliche Aufgabe und Stellung einräumt ist ein weltweites und von den Anfängen der Menschheit bis heute zu beobachtendes Phänomen Natürlich wechselten im Laufe der Jahrhunderte Intensität und Ausgestaltung der

Herrschersakralität völlig verschwunden ist sie bis weit in die Neuzeit hinein aber nicht In der europäischen Geschichte gilt besonders die Epoche vor dem Investiturstreit also die Jahrhunderte vor 1100 als eine Zeit gesteigerter Herrschersakralität nicht zuletzt im ottonisch salischen Imperium In diesem Buch werden deren ideelle Grundlagen und Wandlungen sowie die sie prägenden religiösen Traditionen vom Altertum bis zur Wende des Mittelalters im europäischen Vergleich dargestellt

The Top Books of the Year Papste Kaiser Konige Und Die Mittelalterliche Herrschaftssymbolik The year 2023 has witnessed a noteworthy surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Papste Kaiser Konige Und Die Mittelalterliche Herrschaftssymbolik : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
