Parable Of The Tribes:

The Parable of the Tribes Andrew Bard Schmookler,1986 **The Parable of the Tribes** Andrew Bard

Schmookler,1994-12-23 Imagine a group of tribes living within reach of one another If all choose the way of peace then all may live in peace But what if all but one choose peace From this basic premise Andrew Bard Schmookler has built a towering work of intellectual and spiritual insight a book that will shatter many preconceived notions about how civilization has developed and why human history has been so filled with torment In this new edition Schmookler shows how with the end of the Cold War we now have an unprecedented opportunity to solve the problem of power that has plagued civilization The Parable of the Tribes is a new vision of the story of humankind It presents a radiant new synthesis of history evolutionary biology political theory and psychology The Ethical Society William T. Carruthers,2021-08-19

How is it that we know we are headed for destruction as a species and yet are unable to effect the necessary changes needed for survival We know from history that our current thinking and values will not lead to a peaceful sustainable future It is more crucial now than ever that we learn to break the cycle so that we can create a global community that balances diversity and individuality with integration and harmony The answer lies in how we think We are trapped in social systems based on power structures designed to keep us divided in antagonistic and non viable behaviors We have divorced how we understand the world through science with how we find meaning in our lives through religion alienating us from the world and each other To overcome these challenges we need to focus our thinking on the global community by giving priority to universal ethical values With ethical priority we can shift power interests from a tribal to a human perspective and reconnect understanding with meaning We can reduce alienation and improve harmony around the world In *The Ethical Society* William Carruthers provides the roadmap for us to finally achieve that peaceful sustainable world *The Onset of World War (Routledge Revivals)* Manus I. Midlarsky,2014-07-16

First published in 1988 this historical and quantitative analysis of war defines systemic world wars as conflicts of wide scope and intensity which leave profound historical legacies in their wake Manus Midlarsky examines various possible explanations for the onset of such past wars as the Peloponnesian War the Thirty Years War and World Wars I and II Midlarsky develops his basic theory of systemic war outlining the reasons for the absence of wars of this magnitude and describing the violations of certain structural conditions that are associated with the onset of world war A timely and relevant reissue this insightful analysis will be of particular value to those with an interest in

In this brilliant culmination of his seminal Powers Trilogy now reissued in a twenty fifth anniversary edition Walter Wink explores the problem of evil today and how it relates to the New Testament concept of principalities and powers He asks the

From War to Peace Kent D. Shifferd,2014-01-10 The world s first peace organizations emerged in the 19th century and since that time anti war activism has progressed rapidly This illuminating book presents a realistic analysis of the extent to which the war system has infiltrated all aspects of Western culture and how it works to perpetuate war rather than promote peace Additionally the text describes the historically recent and still evolving parallel system of peace institutions The values and ideas that have grown out of peace activism offer a very real opportunity to outlaw war in the coming century just as slavery was abolished in the 19th century Instructors considering this book for use in a course may request an examination copy here *Destiny's Landfall* Robert F. Rogers,2011-06-30 This revised edition of the standard history of Guam is intended for general readers and students of the history politics and government of the Pacific region Its narrative spans more than 450 years beginning with the initial written records of Guam by members of Magellan 1521 expedition and concluding with the impact of the recent global recession on Guam s fragile economy **Thinking Peace** Michael Sky,2011-03-01 Thinking Peace dissects America s reaction to 9 11 and shows why the forever war on terror was doomed from the start Human aggression acts as a socially contaminating virus The more we resort to aggression violence and war the more war infected we become at all levels from the body politic to individual minds and bodies Once so infected we cannot even imagine more peaceful ways of living Thinking Peace outlines practical solutions to our war mad world beginning with

the personal work that all must do to become more peaceful It explore essential changes to our media and electoral practices And it addresses the global issues of rational defense pluralism diversity cooperation and environmental common sense

But Without a Parable Jesus Did Not Speak Interpretation of All the Parables of Jesus Christ Stephen Buttafuoco,2019-03-24 In this volume But Without a Parable Jesus Did Not Speak Interpretation of All the Parables of Jesus Christ tenders a brand new outlook on the ministry of Jesus as a human being and as eternal God and serves a biblical interpretation of the spiritual language of parables This gospel commentary was taken from the Book of Matthew that harmonizes teachings of the other New Testament books and from that point on offers a cultural and political background of the times when Jesus was living in Israel with dates and historical fact and analysis of everything written in his three and a half year ministry on earth Since this is a resource that interprets all the gospel parables spoken by Jesus from Matthew Mark and Luke and in addition makes clear his plan of salvation created from the foundation of the world But Without a Parable Jesus Did Not Speak Interpretation of All the Parables puts forward a detailed description at the time of the cross while Jesus was alive and knew that all things at that moment had been accomplished and the scriptures had been fulfilled He cries out it is finished and that moment in time ensures the payment for sin was fully paid for while Jesus was still alive on the cross And another aspect of the book explains the controversy of divorcement and the NT Sabbath day which are all included as part of the new covenant that comprises the doctrines of the Christian churches **All the Parables of Jesus** David M. Brown,2012-07-31 Like yeast parables are explosive stories of Jesus that invade our lives and transform us into citizens of the kingdom of God But they are also cryptic and thats where this book is useful More than an explanation or interpretation of each parable this definitive work is primarily an exercise in hermeneutics In it readers are taken through a process of discovering which sayings of Jesus are parables problematic questions related to counting and categorizing them and Jesus rationale for speaking in parables The work then analyzes four distinct ways that parables are structured and three levels at which they do their work in us The final chapter presents parable related hermeneutical guidelines and the book ends with seven extensive Appendices and two Indexes It is a must read for every biblical scholar **The Classified Bible: an Analysis of the Sacred Scriptures and Classification of Their Contents Under Distinct Heads.
