P. Sanders,2006-11-02 The Synoptic Gospels contain traditions about Jesus which differ in some respects from Gospel to Gospel and it is presumed from the very earliest Christian traditions Scholars often seek to establish the earliest form of each tradition and the methods and criteria they use are of the greatest importance Dr Sanders here provides a reassessment of this whole problem His study deals directly with the question of determining the reliability of the Synoptic Gospels *The Publishers Weekly* ,1910 *Religious Books, 1876-1982* ,1983 **The Reference Catalogue of Current Literature** ,1913 **The Works of the British Poets: Swift, Thomson, Watts, Hamilton, Philips, A., West, G., Collins, Dyer, Shenstone, Mallet, Akenside, and Harte** Robert Anderson,1795 *A Dictionary of Christ and the Gospels* James Hastings,2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the

five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church Athenaeum ,1865 **Through Middle Eastern Eyes** Michael Parker,2024-02-26 Kenneth E Bailey was both a missionary and a New Testament scholar As a missionary first in Egypt and later in Lebanon Israel Palestine and Cyprus he experienced firsthand the life of traditional Middle Eastern villagers which led him to the conclusion that the village culture he witnessed in the twentieth century had hardly changed since the first century Consequently he was able to reinterpret Jesus s parables and life experiences through this traditional culture In a remarkable series of acclaimed books which include The Cross and the Prodigal Jacob and the Prodigal and Jesus through Middle Eastern Eyes Bailey showed that Jesus was the first mind of the New Testament who used story and metaphor to challenge the leaders of his day in ways often unappreciated by contemporary readers This biography explains the origins of Bailey s key ideas and recounts his often fraught missionary career one that included the austere and the sometimes harsh life in the simple villages of Upper Egypt the perils of life in Beirut during the Lebanese Civil War 1975 1990 and being evacuated four times during the military conflicts in the region that made possible his groundbreaking insights into the New Testament The Modern Review Ramananda Chatterjee,1923 Includes section Reviews and notices of books **The Baker Illustrated Bible Background Commentary** J. Scott Duvall,J. Daniel Hays,2020-08-04 We are far removed from the time and culture of the biblical world and this distance easily leads to misunderstanding and misinterpretation Our understanding and appreciation for God s Word increase exponentially when we know about the context in which the biblical books were written So while many Bible commentaries explain the theological meaning of the text The Baker Illustrated Bible Background Commentary provides fascinating cultural and historical insights into God s Word Richly illustrated with full color photos throughout this one volume background commentary includes articles by leading Old and New Testament scholars on subjects such as countries cities and cultures of the Holy Land and the Greco Roman world warfare and execution religious groups and customs fashion athletics feasts and celebrations honor shame and hospitality and much more This colorful informative volume is an essential companion for pastors teachers and laypeople who want to enhance their personal Bible study and help others do the same
