The parables of Jesus (addresses). James Wells, 1884 *All the Parables of Jesus* David M. Brown, 2012-07 Like yeast parables are explosive stories of Jesus that invade our lives and transform us into citizens of the kingdom of God But they are also cryptic and that's where this book is useful More than an explanation or interpretation of each parable this definitive work is primarily an exercise in hermeneutics In it readers are taken through a process of discovering which sayings of Jesus are parables problematic questions related to counting and categorizing them and Jesus rationale for speaking in parables The work then analyzes four distinct ways that parables are structured and three levels at which they do their work in us The final chapter presents parable related hermeneutical guidelines and the book ends with seven extensive Appendices and two Indexes It is a must read for every biblical scholar **The Parables of Jesus** J. Dwight

Pentecost, 1998-08-01 Dr Pentecost describes the setting of each parable explains the problem or question it addresses and offers Christ's solution to that issue **The Forty Parables of Jesus** Gerhard Lohfink, 2021-07-15 2022 Catholic Media

Association first place award in scripture academic studies In this book which covers all of Jesus parables award winning author Gerhard Lohfink takes a closer look at the origins of each one its shape its realistic details but most of all its original message and the situation into which it was once spoken Jesus parables speak in bold images of the kingdom of God making it present to us as they reveal something of the mystery of his own person Lohfink also offers a review of some of the scholarship in this area as this topic has sustained research on Jesus since the first telling of these stories but not for the purposes of debate His reflections interpret the forty parables and show how they speak of the coming of the reign of God lead us to Jesus and reveal the mystery of Jesus himself **The Parables of Jesus** R. The Parables of Jesus James Montgomery Boice, 2016 Some sections of the Bible give us grand theology Some move us to grateful responses to God But the parables break through mere words and make us ask whether there has indeed been any real difference in our lives In this beloved classic James Boice takes us systematically through the parables of Jesus grouping them into five categories parables of the kingdom salvation wisdom and folly the Christian life and judgment In each section Boice brings Jesus words to bear on life today Through his careful study and clear explanation of each parable born from a sermon series he preached at the Tenth Presbyterian Church in Philadelphia where he pastored for 32 years he helps us understand just what Jesus meant and how our hearts and lives ought to respond Jesus parables are memorable for a reason Discover their power for yourself *Tell Me the Stories of Jesus* R. Albert Mohler, Jr., 2022-06-14 In *Tell Me the Stories of Jesus* pastor and theologian R Albert Mohler Jr reveals the unique power of Jesus parables for today's readers showing how they announce the kingdom communicate both judgment and grace and call every human heart toward transformation in the light of God's love He who has ears let him hear The Prodigal Son The Good Samaritan The parable of the mustard seed The stories Jesus told during his earthly ministry are packed with such memorable images and characters that they now permeate our culture's popular imagination But what if their familiarity has muted their powerful message causing today's readers to miss their ability to shock and transform In *Tell Me the Stories of Jesus* renowned pastor and theologian R Albert Mohler Jr unlocks the power of Jesus parables for readers today Jesus perfected the art of telling parables short stories with a surprising twist and an explosive message that confronted his listeners with surprising and often uncomfortable truths about the human heart and the kingdom of heaven But two thousand years later modern readers may not grasp the cultural and historical context that made these stories so compelling for Jesus' original audience Mohler brings Jesus stories to life uncovering the context and allowing readers to hear these stories in all their shocking paradigm shifting power Readers will feel a deeper connection with Jesus by stepping into the shoes of his first century followers and hearing with fresh ears the stories he shared with his closest followers gain a deeper understanding of the gospel through Jesus' own words and see the parables in a new light experiencing perhaps for the first time their ability to draw people into Jesus' kingdom Every parable Jesus told contains judgment and grace They hold up a mirror that reveals the human heart and invites everyone to welcome Jesus' kingdom and reign Will you have ears to hear their vital message **Twelve Parables of Jesus** Maxie Dunnam, 2006 11 sessions More than one third of Jesus' recorded teaching is in the form of parables Why did Jesus choose to teach in parables A story catches the attention fires the imagination We find ourselves identifying with the characters they inspire us to respond and to act Through the parables we can see the world in which Jesus lived from the introduction *Parables of Jesus* Timothy Maurice Pianzin, 2008 Over 2000 years ago Jesus invited his followers to a new life empowered by the saving grace of God Jesus filled them with spiritual knowledge and asked them to develop certain

Ernest van Eck,2016-08-09 Who do we meet in the stories Jesus told In The Parables of Jesus the Galilean Stories of a Social Prophet a selection of the parables of Jesus is read using a social scientific approach The interest of the author is not the parables in their literary contexts but rather the parables as Jesus told them in a first century Jewish Galilean sociopolitical religious and economic setting Therefore this volume is part of the material turn in parable research and offers a reading of the parables that pays special attention to Mediterranean anthropology by stressing key first century Mediterranean values Where applicable available papyri that may be relevant in understanding the parables of Jesus from a fresh perspective are used to assemble solid ancient comparanda for the practices and social realities that the parables presuppose The picture of

Jesus that emerges from these readings is that of a social prophet The parables of Jesus as symbols of social transformation envisioned a transformed and alternative world This world for Jesus was the kingdom of God *What Does Jesus Ask Us to Do* Helen M. Moss, 2013-02-28 Each year before the Lenten season begins I reflect on what I will sacrifice in spiritual preparation for Easter and the celebration of our Lord's resurrection In 2011 I decided to take a different path Instead of giving something up I would gain something of substance I would embark on an examination of the Parables of Jesus What better way to strengthen my spiritual relationship with Jesus than to read and study the Words of our Lord Ironically as I was mentally preparing to embark on this incorporeal journey my father called to chat During this conversation in the way only a loving father can he began to chastise me about using the gifts God had blessed me with in a positive way My father reminded me that I was a gifted writer his choice of words and a talented visual artist He encouraged me to revisit these activities and get busy doing something worthwhile with these gifts **WHAT DOES JESUS ASK US TO DO** The Parables of Jesus as a Guide to Daily Living is the resulting convergence of my father's exhortative conversation and my personal Lenten covenant I decided that I would share this reflective commentary with others by chronicling my interpretation of the parables and related Scripture passages What better way to consummate the end of my spiritual Lenten sojourn than to share this process with others in a published document With a renewed commitment and focused plan of action I began to think about the format that would be appropriate for this treatise Because I was planning to treat my study of the parables of Jesus as a daily devotional guide this seemed to be the best way to approach the creation of the book The result is a recap of each parable a summary of the meaning Jesus imparted to His audience and a call to action and or personal consideration Each study concludes with a brief prayer As the Lenten season was drawing to a close and my study of the parables was almost complete I began to think of artwork for the cover of what would become **WHAT DOES JESUS ASK US TO DO** There were so many beautiful Biblical images that would be suitable As I leafed through books with exquisitely inspiring images I thought back to the conversation with my father It was then I decided to create the cover art myself The result is *The Parables Stained Glass Windows* a triptych of three collages depicting an iconic ecclesiastical symbol As Easter Sunday drew near I reflected on this spiritual journey through the Parables of Jesus I considered all I had learned about what Jesus wants from me what I had learned about my own spirituality and faith But more importantly I felt a profound sense of accomplishment and a deep sense of gratitude for my father's love and encouragement Helen M Moss April 24 2011 **An Introduction to the Parables of Jesus** Robert H. Stein, 1981-01-01 A clear and thorough introduction to the best known of Jesus' teachings this much needed text examines what parables are why Jesus taught in parables and the purpose and place of parables in the Gospel narratives Invaluable for the beginning seminary or college students and for church study groups this enlightening work reveals the meaning of the parables when they were first given their meaning for the Gospel writers and their meaning for us today **Discourses on the parables of our Lord Jesus Christ** William Upjohn, 1824 **The Parables of Jesus**
