Parabola Del Naufrago:

Parábola del náufrago Miguel Delibes, 1970 , *Gramática descriptiva de la lengua española: Entre la oración y el discurso. Morfología* Violeta Demonte, 1999 **La cultura del novecientos** Alfonso Berardinelli, Gianandrea Piccoli, Costanzo Di Girolamo, 1985 Este tomo concluye la parte de literatura con un ensayo crítico sobre la situación de la producción y de la crítica literaria actuales La sección de lingüística y semiótica y la de teatro han sido incluidas aquí a pesar de sus evidentes afinidades con las ciencias humanas la primera y con la investigación artística la segunda porque es obvia la importancia del discurso literario como objeto del análisis lingüístico así como el indisoluble ligamen entre la puesta en escena y el origen natural de la representación teatral la obra de teatro escrita **El relato de la transición** José-Luis Calvo Carilla, Carmen Peña-Ardid, María Angeles Naval, 2013 Pese a su brevedad pues apenas abarca una quincena de años la Transición política española de la dictadura a la democracia sigue constituyendo en muchos aspectos un tracto temporal complejo y contradictorio que resume y replantea toda la historia colectiva previa Por otra parte los problemas que se fraguaron en esos lustros siguen vivos y son objeto de periódicos y nuevos planteamientos que llegan a nuestros días Esa misma complejidad puede constatarse en los productos culturales y literarios que surgieron aquellos años Lo demuestran las catas de profundidad de los protagonistas y estudiosos que colaboran en este libro quienes desde distintos enfoques y metodologías y a partir de un concepto amplio de relato clarifican distintas dimensiones no siempre atendidas de la literatura y de la vida cultural de la época *Literature of Nature* Patrick D. Murphy, Terry Gifford, Katsunori Yamazato, 1998 First Published in 1999 Routledge is an imprint of Taylor Francis an informa company Studies in 20th Century Literature , 1977 **Spain's New Wave Novelists, 1950-1974** Ronald Schwartz, 1976 **Encyclopedia of Contemporary Spanish Culture** Professor Eamonn Rodgers, Eamonn Rodgers, 2002-03-11 Some 750 alphabetically arranged entries provide insights into recent cultural and political developments within Spain including the cultures of Catalonia Galicia and the Basque country Coverage spans from the end of the Civil War in 1939 to the present day with emphasis on the changes following the demise of the Franco dictatorship in 1975 Entries range from shorter factual articles to longer overview essays offering in depth treatment of major issues Culture is defined in its broadest sense Entries include Antonio Gaudí science Antonio Banderas golf dance education politics racism urbanization This Encyclopedia is essential reading for anyone interested in Spanish culture It provides essential cultural context for students of Spanish European History Comparative European Studies and Cultural Studies *The Dystopian Imagination in Contemporary Spanish Literature and Film* Diana Q. Palardy, 2018-07-27 This study examines contemporary Spanish dystopian literature and films in directly related to the 2008 financial crisis from an urban cultural studies perspective It explores culturally charged landscapes that effectively convey the zeitgeist and reveal deep rooted anxieties about issues such as globalization consumerism immigration speculation precarity and political resistance particularly by Indignados Indignant Ones from the 15 M Movement The book loosely

traces the trajectory of the crisis with the first part looking at texts that underscore some of the behaviors that indirectly contributed to the crisis and the remaining chapters focusing on works that directly examine the crisis and its aftermath This close reading of texts and films by Ray Loriga Elia Barcel Ion de Sosa Jos Ardillo David Llorente Eduardo Vaquerizo and Ricardo Men ndez Salm n offers insights into the creative ways that these authors and directors use spatial constructions to capture the dystopian imagination

The Comic as Narrative Technique in the Novels of Miguel Delibes John Thomas Hanley Timm,1973

The Spanish Literary Generation of 1968 William M. Sherzer,2012-05-04 The Spanish Literary Generation of 1968 Jos Maria Guelbenzu Lourdes Ortiz and Ana Mar a Moix serves multiple purposes Most importantly it is an overview of an important moment in Spanish literary history that is connected to an extremely important moment in world history 1968 as well as what that year represents in many countries such as France Germany Mexico and the United States This text aims to show how young writers who were coming of age precisely at that moment incorporated into their novels the new ideas that they found in the writing of many foreign authors generally unknown to previous generations whose works were essential to their development The author has focused on three authors who he feels are most representative of their generation and follows with a lengthy study of the critical reception they have received over time Finally in an appendix one will find excerpts of an unpublished novel by Lourdes Ortiz and interviews with all three authors It is hoped that this text with its extensive bibliography will serve as a valuable source for students and professors alike

Miguel Delibes Cristóbal Cuevas García,Enrique Baena,1992

Encyclopedia of World Literature in the 20th Century Leonard S. Klein,Steven Serafin,Walter D. Glanze,1981 V 1 A to D V 2 E to K V 3 L to Q V 4 R to Z V 5 Supplement and index

The Hedge Miguel Delibes,1983 Jacinto an office clerk is sent to a company retreat after he collapses from exhaustion and gradually becomes cut off from the outside world

The Literature of Spain and Latin America Britannica Educational Publishing,2010-04-01 From the whimsical idealism of Miguel de Cervantes Don Quixote to the magical realism of Gabriel Garc a M rquez s 100 Years of Solitude Spanish language literature has substantially enriched the global literary canon This volume examines the vibrant prose and dynamic range of both Spanish and Latin American authors whose narratives are informed as much by their imaginations as the turbulent histories of these native lands Influenced by a plethora of diverse cultures these tales truly tell a global story

The Contemporary Spanish Novel Samuel Amell,1996-01-19 Although there are several annotated bibliographies of contemporary Spanish novelists this book covers critical works published on the post civil war Spanish novel as a literary form The volume cites books and articles and each citation is accompanied by a descriptive and evaluative annotation The work contains a section of entries on books and another on articles Entries within each section are arranged alphabetically Included are entries primarily for studies published in English or Spanish though some in Catalan French Galician and Italian are also cited In the last decades there has been an explosion of critical works on the post civil war Spanish novel This proliferation of material causes serious problems for scholars conducting research on the subject

While there are bibliographies of particular novelists this book deals with general studies of trends topics and comparative approaches The volume primarily cites works published in English or Spanish but it also includes some in Catalan French Galician and Italian The volume is divided into two sections books and articles Within each section entries are arranged alphabetically Each citation is accompanied by a descriptive and evaluative annotation The annotations provide information about the topic content and methodology of the works cited and express an opinion of the works value The length of the annotations varies according to the importance of the topic Author and title indexes add to the utility of the work

The Cambridge History of Spanish Literature David T. Gies, 2004 Publisher Description

Miguel Delibes: un escritor obsesionado con la muerte. Tipologías mortuorias, actos fúnebres y religiosidad en sus novelas. Íñigo Salinas Moraga, 2022-04-08 Si la muerte es un tema que copa la literatura universal en el caso de Miguel Delibes se trata de una idea obsesiva que inunda ya no solo sus novelas sino incluso su experiencia vital Ya desde su m s remota infancia el novelista vallisoletano present a la pronta llegada de la muerte en la figura de su padre mientras que en su primera novela aborda la sensaci n de soledad que deja a su paso el fallecimiento de un ser querido Cuando un escritor de la talla de Delibes lanza al aire las semillas de una obsesi n lo menos que se puede hacer es voltearlas convenientemente para que asienten en terreno f rtil y salga el fruto Y eso es precisamente lo que se ha hecho ordenar meticulosamente la simiente mortuoria para extraer conclusiones concretas C mo se plasma en sus novelas esa idea fija Es frecuente Evita su obsesi n o se enfrenta a ella Se regocija o pasa de puntillas En concreto esta investigaci n contribuye al conocimiento del tratamiento mortuorio que Delibes lleva a cabo en sus novelas despu s de haber analizado esta desde el punto de vista del sujeto que la sufre y de la causa que la provoca as como otros aspectos circunstanciales que giran en torno a la muerte y que la trascienden como es el punto de vista religioso o el funeral y el entierro en su caso Para ello se antojaba imprescindible ordenar convenientemente todos y cada uno de los fallecimientos que se suceden a lo largo de la novela delibesiana as como extraer el mayor n mero de datos posibles que se esconden detr s de cada deceso S lo de esta manera se podr an obtener conclusiones que sirviesen para contribuir al conocimiento detallado de un tema tan literario como es la muerte en un autor tan mortuorio como es Delibes As despu s de haber estudiado en profundidad todas las muertes a las que se hace referencia en las novelas de Delibes que son objeto de an lisis de esta investigaci n se puede concluir que La muerte es un tema recurrente en las obras de Delibes
