Ford Madox Ford's Literary Contacts, 2007-01-01 The controversial British writer Ford Madox Ford 1873 1939 is increasingly recognized as a major presence in early twentieth century literature This series of International Ford Madox Ford Studies was founded to reflect the recent resurgence of interest in him Each volume is based upon a particular theme or issue and relates aspects of Ford's work life and contacts to broader concerns of his time The present book is part of a large scale reassessment of his roles in literary history Ford is best known for his fiction especially *The Good Soldier* long considered a modernist masterpiece and *Parade's End* which Anthony Burgess described as the finest novel about the First World War and Samuel Hynes has called the greatest war novel ever written by an Englishman But he was a prolific writer in many different modes which include criticism of others writing and reminiscences of the many writers he had known One of the most striking features of his career is his close involvement with so many of the major international literary groupings of his time In the South East of England at the fin de siècle he collaborated for a decade with Joseph Conrad and befriended Henry James and H G Wells In Edwardian London he founded the *English Review* publishing these writers alongside his new discoveries Ezra Pound D H Lawrence and Wyndham Lewis After the war he moved to France founding the transatlantic review in Paris taking on Hemingway as a sub editor discovering another generation of Modernists such as Jean Rhys and Basil Bunting and publishing them alongside Joyce and Gertrude Stein He spent more time in America from the later 1920s spending time with Southern Agrarians and poets such as William Carlos Williams Charles Olson and Robert Lowell He was always a tireless promoter of younger writers reading manuscripts and recommending them to publishers This book takes Ford's literary contacts to include such creative friendships editorial involvements and influential biographical encounters and they form the most substantial central section on Contemporaries and Confreres covering figures like Proust Carlos Williams Rebecca West Herbert Read and Hemingway But it also explores contacts with literary texts The first section on Predecessors considers the impact of Ford's reading of Trollope George Eliot and Turgenev The final section discusses Successors writers such as Graham Greene Burgess and A S Byatt whose literary contacts with Ford have been as his admiring readers and eloquent critics Ford has been described as a writer's writer This volume reveals how true that has been and in how many ways as it sheds new light on his relationships with other writers both familiar and surprising It includes two pieces published here for the first time one by Ford himself on Turgenev the

other a memoir about Ford by his contemporary Marie Belloc Lowndes the sister of Hilaire Belloc *Screening European Heritage* Paul Cooke, Rob Stone, 2016-09-01 This book provides a unique examination of the way Europe's past is represented on contemporary screens and what this says about contemporary cultural attitudes to history How do historical dramas come to TV and cinema screens across Europe How is this shaped by the policies and practices of cultural institutions from media funding boards to tourist agencies and heritage sites Who watches these productions and how are they consumed in cinemas on TV and online are just some of the questions this volume seeks to answer From *The Lives of Others* to *Game of Thrones* historical dramas are a particularly visible part of mainstream European film production often generating major national debates on the role of the past in contemporary national identity construction **Ford Madox Ford, 1873-1939** David Dow Harvey, 2015-12-08 The Protean personality and career of Ford Madox Ford as poet novelist editor critic and miscellaneous writer have made him one of the most elusive of modern authors In this bibliography which includes extensive excerpts of writings by and about Ford as well as complete descriptions of the various editions of his book and periodical publications David Dow Harvey has at last made it possible to form a true estimate of Ford's involvements with other writers and his contributions to modern literature Originally published in 1961 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Benedict Cumberbatch: In Transition** Lynnette Porter, 2013-06-03 *Tinker Tailor Soldier Spy* *War Horse* *Star Trek Into Darkness* *The Hobbit* trilogy *Twelve Years a Slave* *August Osage County* *The Fifth Estate* *Hedda* *Gabriel* *After the Dance* *Frankenstein* *Hawking* *To the Ends of the Earth* *The Last Enemy* *Parade's End* and of course *Sherlock* For most actors these stellar cinematic theatrical and television events would be the highlights of a lifetime's work On Benedict Cumberbatch's résumé they are only a few of many entries Especially since 2010 his performances have garnered a plethora of best actor awards both in the theatre Evening Standard Theatre Award Critics Circle Theatre Award and Olivier Award by playing the dual roles of Victor Frankenstein and the Creature in the National Theatre's *Frankenstein* and on television Broadcasting Press Guild Award Critics Choice Television Award Crime Thriller Award and TV Choice Award by starring as the titular Holmes in the BBC's *Sherlock* Add these and other recent accolades to nearly a decade's nominations and awards such as the Golden Nymph as best actor in *Hawking* and it's easy to see why Benedict Cumberbatch is often hailed as the actor of his generation Cumberbatch's body of work further includes indie films radio plays and series television documentaries live dramatic readings multimedia advertisements and even the occasional stint as a fashion model He often shares an intriguing perspective on his profession as evidenced in sometimes controversial interviews He has become so much in demand that online box offices crash when

tickets for his performances go on sale and before a Cheltenham Literature Festival Q A session fans overwhelmed Twitter when so many responded immediately to a call for questions Cumberbatch consistently is a top name on lists ranging from sex appeal to global influence In 2012 he beat David Beckham in the former and U S President Barack Obama in the latter Increasingly part of Cumberbatch s job involves the role of celebrity Benedict Cumberbatch is at a pivotal point in his profession and his career trajectory especially as documented in entertainment media permits a closer examination of just what it means to be a celebrity or star in Britain or the U S and how an actor may be perceived very differently in London or Hollywood This performance biography is an analysis of a man in transition from working actor to multimedia star as well as the balance between actor and celebrity It looks at what makes this actor so well suited to play one of popular culture s iconic characters Sherlock Holmes and how Sherlock is so well suited to propel Cumberbatch toward greater global fame

Modernist Fiction Randall Stevenson,1992-09-24 To many writers of the early twentieth century modernism meant not only the reshaping or abandonment of tradition but also an interest in psychology and in new concepts of space time art and language Randall Stevenson s important new analysis of the genre presents a lucid comprehensive introduction to modernist fiction covering a wide range of writers and works Drawing on narrative theory and cultural history Stevenson offers fresh insights into the work of such important modernists as Henry James Joseph Conrad Ford Madox Ford D H Lawrence Wyndham Lewis Dorothy Richardson May Sinclair Virginia Woolf and James Joyce In addition he discusses the work of Marcel Proust an important figure in the development of modernism in Europe This illuminating book places the new imagination of the modernist age in its historical context and looks at how and why the pressures of early twentieth century life led to the development of this distinctive and influential literary form This accessible account of modernism modernity and the novel will be welcomed by students scholars and general readers alike

Shell Shock and the Modernist Imagination Wyatt Bonikowski,2016-04-01 Looking closely at both case histories of shell shock and Modernist novels by Ford Madox Ford Rebecca West and Virginia Woolf Wyatt Bonikowski shows how the figure of the shell shocked soldier and the symptoms of war trauma were transformed by the literary imagination Situating his study with respect to Freud s concept of the death drive Bonikowski reads the repetitive symptoms of shell shocked soldiers as a resistance to representation and narrative In making this resistance part of their narratives Ford West and Woolf broaden our understanding of the traumatic effects of war exploring the possibility of a connection between the trauma of war and the trauma of sexuality *Parade s End* *The Return of the Soldier* and *Mrs Dalloway* are all structured around the relationship between the soldier who returns from war and the women who receive him but these novels offer no prospect for the healing effects of the union between men and women Instead the novels underscore the divisions within the home and the self drawing on the traumatic effects of shell shock to explore the link between the public events of history and the intimate traumas of the relations between self and other

Ford Madox Ford: A Dual Life Max Saunders,2012-09-13 The second

volume of Max Saunders's magisterial biography sees the publication of Ford's post war masterpiece *Parade's End* and the founding of the Transatlantic Review the influential literary magazine that published Hemingway Ezra Pound and Picasso It also documents Ford's marriage to Janice Biala with whom he lived until his death in 1939 **Ford Madox Ford and the Misfit Moderns** R. Hawkes, 2012-09-18 Ford Madox Ford is a major modernist writer yet many of his works do not conform to our assumptions about modernism Examining ways in which he alongside other misfit moderns undermines stabilities we expect from novels and memoirs this book poses questions about the nature of narrative and the distinction between modernism and modernity Utopian Generations Nicholas Brown, 2009-01-10 *Utopian Generations* develops a powerful interpretive matrix for understanding world literature one that renders modernism and postcolonial African literature comprehensible in a single framework within which neither will ever look the same African literature has commonly been seen as representationally naïve vis vis modernism and canonical modernism as reactionary vis vis postcolonial literature What brings these two bodies of work together argues Nicholas Brown is their disposition toward Utopia or the horizon of a radical reconfiguration of social relations Grounded in a profound rethinking of the Hegelian Marxist tradition this fluently written book takes as its point of departure the partial displacement during the twentieth century of capitalism's internal limit classically conceived as the conflict between labor and capital onto a geographic division of labor and wealth Dispensing with whole genres of commonplace contemporary pieties Brown examines works from both sides of this division to create a dialectical mapping of different modes of Utopian aesthetic practice The theory of world literature developed in the introduction grounds the subtle and powerful readings at the heart of the book focusing on works by James Joyce Cheikh Hamidou Kane Ford Madox Ford Chinua Achebe Wyndham Lewis Ngugi wa Thiong'o and Pepetela A final chapter arguing that this literary dialectic has reached a point of exhaustion suggests that a radically reconceived notion of musical practice may be required to discern the Utopian desire immanent in the products of contemporary culture *Modernism and the Individual Talent* Jörg Rademacher, Jörg W. Rademacher, 2002 Following their first gathering in Munster Westphalia the city of Ford's ancestors Fordians present a multi faceted image of this Anglo German and Francophile English Modernist International interest in the Hueffers German background will be triggered by two articles on Franz Hueffer and the references to Munster and Westphalia in Ford's writings Excursions in politics and poetry and Ford in context provide a framework for Aspects of *Parade's End* the edition and simultaneous translation of which into major European languages forms the most important project for the new Millennium Great War Modernism Nanette Norris, 2015-12-16 New Modernist Studies while reviving and revitalizing modernist studies through lively scholarly debate about historicity aesthetics politics and genres is struggling with important questions concerning the delineation that makes discussion fruitful and possible This volume aims to explore and clarify the position of the so called core of literary modernism in its seminal engagement with the Great War In studying the years of the Great War we find ourselves once more studying the

giants about whom there is so much more to say as well as adding hitherto marginalized writers and a few visual artists to the canon The contention here is that these war years were seminal to the development of a distinguishable literary practice which is called modernism but perhaps could be further delineated as Great War modernism a practice whose aesthetic merits can be addressed through formal analysis This collection of essays offers new insight into canonical British American European modernism of the Great War period using the critical tools of contemporary expansionist modernist studies By focusing on war and on the experience of the soldier and of those dealing with issues of war and survival these studies link the unique forms of expression found in modernism with the fragmented violent and traumatic experience of the time

Bringing History to Life through Film Kathryn Anne Morey, 2013-12-12 Whether re-creating an actual event or simply being set in a bygone era films have long taken liberties with the truth While some members of the audience can appreciate a movie without being distracted by historical inaccuracies other viewers are more discerning From revered classics like *Gone with the Wind* to recent award winners like *Argo* Hollywood films often are taken to task for their loose adherence to the facts But what obligation do filmmakers have to the truth when trying to create a two hour piece of entertainment In *Bringing History to Life through Film: The Art of Cinematic Storytelling* Kathryn Anne Morey brings together essays that explore the controversial issue of film as a purveyor of history Examining a range of films including highly regarded features like *The Last of the Mohicans* and *Pan's Labyrinth* as well as blockbuster franchises like *Pirates of the Caribbean* chapters demonstrate that the debate surrounding the role of history on film is still as raw as ever Organized in five sections these essays discuss the myths and realities of history as they are portrayed on film from Nostalgic Utopias to Myths and Fairy Tales The fourteen chapters shed light on how films both convey and distort historical realities to capture the essence of the past rather than the past itself Ultimately they consider what role cinema plays as the quintessential historical storyteller In addition to cinema and media studies this book will appeal to scholars of history and fans of a wide range of cinematic genres
