Between Congregation and Church Barry A. Ensign-George, 2017-12-14 Denominations are one of the primary ways in which Christians attempt to live in a community based around God Yet there is very little careful theological analysis of denomination available today *Between Congregation and Church* offers a constructive theological understanding of denomination showing its role as an intermediary structure between congregation and church It places denomination and other intermediary structures within the doctrine of the church Barry Ensign George reviews work by theologians and church historians that can contribute to a constructive theological understanding of denomination The book highlights particular developments in the history of the church that established preconditions for the emergence of denomination Exploration of unity and diversity is central to this analysis and individual chapters offer theological analyses of the unity and the diversity to which the Christians are called Finally denomination has often been a vehicle for sin and the relationship between denomination and sin is considered *Between Congregation and Church* addresses a major gap in contemporary theology the failure to offer substantive theological analysis of denomination a major way Christians together live their faith today *A New Systematic Theology of the Christian Faith* Robert L. Reymond, 2010-01-31 A contemporary foundational statement of classic reformed faith now revised and updated Comprehensive coherent contextual and conversational Scripture saturated with more exegesis and more Scripture quotations than other one volume theologies Upholds classic Calvinist positions on baptism the Trinity church government and much more Interacts with contemporary issues and the work of other theologians Reveals the author's warmth and sensitivity born of more than 25 years as a professor at leading Reformed seminaries Numerous appendices covering special topics abundant resources for further study through footnotes and a selective bibliography A textbook for theology students a life long reference for libraries ministers teachers and professional theologians Baptist Foundations Mark Dever, Jonathan Leeman, 2015-06-15 In this volume representatives of several North American Baptist seminaries and a Baptist university make the exegetical and theological case for a Baptist polity Right polity they argue is congregationalism elder leadership diaconal service regenerate church membership church

discipline and a Baptist approach to the ordinances **Living Waters from Ancient Springs** Jason P. Van Vliet, 2011-09-01
Publications by Cornelis Van Dam p 235 251 Systematic Theology/Historical Theology Bundle Wayne A. Grudem, Gregg Allison, 2015-10-27 A collection that includes two of our most exemplary textbooks Systematic Theology and Historical Theology The ebook will provide an introduction to Biblical and Christian doctrine The Creedal Imperative Carl R. Trueman, 2012-09-30 Recent years have seen a number of high profile scholars converting to Roman Catholicism and Eastern Orthodoxy while a trend in the laity expresses an eclectic hunger for tradition The status and role of confessions stands at the center of the debate within evangelicalism today as many resonate with the call to return to Christianity's ancient roots Carl Trueman offers an analysis of why creeds and confessions are necessary how they have developed over time and how they can function in the church of today and tomorrow He writes primarily for evangelicals who are not particularly confessional in their thinking yet who belong to confessional churches Baptists independents etc so that they will see more clearly the usefulness of the church's tradition Political Church Jonathan Leeman, 2016-03-02 What is the nature of the church as an institution What are the limits of the church's political reach Drawing on covenant theology and the new institutionalism in political science Jonathan Leeman critiques political liberalism and explores how the biblical canon informs an account of the local church as an embassy of Christ's kingdom The Synod of Dordt (1618-1619) and the Canons Donald Sinnema, 2025-07-28 The Synod of Dordrecht 1618 1619 has monumental significance for Reformed churches While officially assembled for the provinces of the Netherlands it gathered an international cast of delegates to solidify a pan European accord on Reformed doctrine In this book readers gain valuable historical perspective from Donald Sinnema the world's leading authority on the Synod of Dordt Sinnema opens with a helpful overview summarizing the agenda and proceedings of four phases of the synod to capture the scope and magnitude of the gathering Then Sinnema tackles various aspects of the synod with astounding detail and analysis You will learn of procedural wranglings dealings of church and state how the Belgic Confession and Heidelberg Catechism were involved disagreements among the delegates and plenty about the consensus document known as the Canons of Dordt A standard resource on the synod for years to come **The Challenges of Cultural Discipleship** Richard J. Mouw, 2011-11-21 Richard J Mouw is well known for his incisive views on the intersection of culture and Christianity and for his efforts to make the thought of major Dutch theologian Abraham Kuyper accessible to average Christians In this volume Mouw provides the scholarly backstory to his popular books as he interprets applies expands on and at times even corrects Kuyper's remarkable vision for faith and public life In thirteen essays Mouw explores and develops the Kuyperian perspective on key topics in Christian cultural discipleship including public theology sphere sovereignty education creation and more He deftly articulates an ecumenically enriched neo Calvinist or neo Kuyperian perspective that appropriates and contextualizes the ideas and insights of this important theologian and statesman for new challenges in Christian thought and service **The Presbyterian Story** S. Donald Fortson, 2017-12-04 Being

Presbyterian involves multiple layers of identity and connection As Christians Presbyterians are catholic sharing the common heritage of ancient Christianity with all believers of all times in all places Presbyterians are Protestant by conviction sharing the rich spiritual heritage of the sixteenth century and the unique contributions of the Reformed Tradition Historically Presbyterians are also part of the evangelical movement embracing the legacy of the eighteenth century revivals awakenings in America and Britain Each of these historic layers is equally important to Presbyterian identity and this book will seek to underscore that reality *Don't Fire Your Church Members* Jonathan Leeman,2016-01-15 Church membership is not just a status it s an office Leaders shouldn t fire members from the responsibilities given to them by Jesus they should train them When members are trained the church grows in holiness and love discipleship and mission Complacency and nominalism are diminished Jesus gives every church member an office in the church s government to assume final responsibility for guarding the what and the who of the gospel in the church and its ministry Similarly Jesus gives leaders to the church for equipping the members to do this church building and mission accomplishing work In our day the tasks of reinvigorating congregational authority and elder authority must work together The vision of congregationalism pictured in this book offers an integrated view of the Christian life Congregationalism is biblical but biblical congregationalism just might look a little different than you expect It is nothing less than Jesus authorization for living out his kingdom rule among a people on mission
