De Neui, 2009-06-01 *Communicating Christ in Asian Cities Urban Issues in Buddhist Contexts* is the sixth volume in a series produced from the annual SEANET Missiological Forum held in Chiang Mai Thailand It developed from a keen awareness that certain urban concerns for evangelistic mission must be addressed in a unique way when viewed within the myriad and complex cultures found within Asian Buddhism All authors included here write from many years of experience as Evangelical mission theologians scholars pastors and practitioners working within Asian urban Buddhist contexts This book is divided into three sections with the first focused on foundational issues of ministry within the framework of Asian Buddhist cities The second section includes four chapters addressing several contextual issues specific to peoples within Asian Buddhist cities The final section includes three chapters on the topic of strategic means of evangelization found useful in specific Asian urban Buddhist contexts Annual Review of the Sociology

Biblical Texts and African Audiences Ernst R. Wendland, Jean-Claude Loba-Mkole, 2004 **Handbook of African Catholicism** Ilo, Stan Chu, 2022-07-13 A disciplinary map for understanding African Catholicism today by engaging some of the most pressing and pertinent issues topics and conversations in diverse fields of studies in African Catholicism **The Book of Church Growth** Thom S. Rainer, 1998-09-01 The Church Growth Movement has divided devout Christians Even though Rainer is an advocate his aim here is to present an objective view of the movement its history the theology associated with it and the principles which seem to separate churches that grow from those that don't *Social Catholicism for the Twenty-First Century?--Volume 1* William F. Murphy, 2024-09-12 This first of two volumes introduces the tradition of social Catholicism not only in its earlier realizations but regarding how a contemporary renewal might address the crisis in which constitutional democracies and the postwar liberal order are under assault by populist and even neo fascist movements that could soon usher in a frighteningly dark future unless a broad movement in defense of constitutional democracy quickly arises In this context some of the most influential voices among American Catholics are focused on criticizing liberal democracy on advocating a postliberal order and the establishment of a Catholic integralist state or on insisting that abortion should be the primary sociopolitical concern for Catholics treating these threats to democracy as largely irrelevant This volume shows the rich tradition of social Catholicism and how the Social Doctrine of the Church came to appreciate the key tenets of constitutional democracy As Pope Benedict XVI wrote this social doctrine leads us to take a stand for the common good to take the institutional or political path of charity to be solicitous for the institutions that give structure to the life of society juridically civilly politically and culturally It engages some of the most influential contemporary Catholic thinkers and argues that they too should recognize the grave threats facing the human family and join in working to defend and renew our constitutional democracy *River of God* Douglas D. Priest, Stephen E. Burris, 2012-04-19 River of God is an introduction to world missions aimed at undergraduate students However the readers will soon discover that the book is rich in its content far beyond the editors original plan It serves as a reader for people with various levels of missiological interest and competence and deals with cutting edge issues in missions This book introduces a new paradigm Kingdom Missiology which

builds on shalom in the Old Testament and as Jesus applied to the Kingdom of God in the New Testament The first half of the book looks at Kingdom Missiology from the biblical historical and cultural dimensions The second half of the book describes helpful strategies in the implementation of this paradigm The importance of urban ministry is woven throughout the book Contributors Ashley Barker Gina Bellofatto Kendi Howells Douglas Robert Douglas Todd Johnson Robert Kurka Janice Lemke Paul McAlister Mark Moore Doug Priest Greg Pruett Mike Sweeney Bill Weber Donovan Weber Linda Whitmer and Tetsunao Yamamori *Amoris Laetitia* Grant Gallicho, James F. Keenan, SJ, 2018 Essays by distinguished bishops and theologians that not only introduce readers to the theological depth found in *Amoris Laetitia* but consider the full document including its reception in the multicultural and diverse environment that characterizes the church in the United States and the full range of challenges and issues related to marriage and family life **In Your Eyes I See My Words** Pope Francis, 2020-10-27 The homilies and speeches of Archbishop Cardinal Jorge Mario Bergoglio from 2009 through his election as Pope Francis in 2013 These writings provide an intimate glimpse into the theological philosophical scientific and cultural educational currents that forged the steady loving and nurturing leadership style with which Jorge Mario Bergoglio guided the Church in Buenos Aires Argentina That style has now done the same for the Church from Rome a Church rocked by financial and moral scandals and a world shaken by the worst global pandemic in a century These writings were kneaded a word he uses when talking about the work of molding the souls and character of youth and seminarians in the relationships he formed in his bus rides to work and in his intense contact with all segments of the population Because of that careful and prayerful process of kneading they have found their full development in Bergoglio's writing as Pope Francis especially in *Evangelii gaudium* November 2013 *Gaudete et exsultate* On the call to sanctity March 2018 and his encyclical *Laudato si* May 2015 In this final volume of Bergoglio's homilies and papers we meet European theologians and thinkers such as Hans Urs von Balthasar Henri de Lubac Bergoglio's friend the Uruguayan philosopher Maritain the literary figure Miguel Angel Asturias and Enrique Santos Discipolo a singer and composer of tangos that decry corruption In a prophetic conclusion the last homily of this volume is an outline of the roadmap Pope Francis has followed throughout his papacy one defined by ongoing love and care for God's people that seeks to spread God's merciful anointing to those living on the margins of life Resources in Education, 1994

Developing Disciples of Christ Julianne Stanz, 2017-10-01 St Pope John Paul II reminds us in *Catechesi Tradendae* that catechesis is a moment a very remarkable one in the whole process of evangelization In other words catechesis is an essential part of evangelization not something separate from it Therefore it is critically important that catechetical leaders recognize how to effectively catechize in a way that advances the Church's primary mission to evangelize To that end this third volume of *The Effective Catechetical Leader* will explore a Catholic understanding of evangelization grounded in Scripture and Tradition how the New Evangelization supports and enhances today's catechesis the inseparable nature of content and methodology in catechesis the absolute importance of adult catechesis and so much more *The Effective*
