Paradise Is Closing Down Other Plays

Johan August Strindberg

Paradise Is Closing Down Other Plays:

Playing the Market Anne Fuchs, 2021-11-22 The relationship between Johannesburg's Market Theatre and the economic and political forces of South Africa's apartheid regime was both complex and somewhat ambiguous. The theatre's two founders, Mannie Manim and Barney Simon, however, from idealistic beginnings, managed to steer their experimental enterprise around pitfalls ranging from censorship, boycotts, and recuperation by big business to the difficulties encountered in finding black authors, let alone black audiences. If the place occupied by the Market institution in apartheid society is emphasized throughout the present study, its contribution to the aesthetic of resistance is also underlined through detailed criticism of the plays and authors dominating the theatre. Pieter Dirk Uys, Barney Simon's workshop plays, and among others, Black Consciousness plays are subjected to various methods of theatre performance analysis. The reckoning that had to come in the early 1990s revealed itself as globally positive; the reasons for this may be found in the updated concluding part of *Playing the Market*, which is composed of more general essays, including one on the vibrant Junction Avenue Theatre Company, on how the theatre scene in contemporary South Africa started to change. A postscript reveals more specific aspects of the Market situation in the late 1990s when its hegemony in the New South Africa was already being questioned.

Post-Colonial Drama Helen Gilbert, Joanne Tompkins, 2002-09-11 *Post Colonial Drama* is the first full-length study to address the ways in which performance has been instrumental in resisting the continuing effects of imperialism. It brings to bear the latest theoretical approaches from post-colonial and performance studies to a range of plays from Australia, Africa, Canada, New Zealand, the Caribbean, and other former colonial regions. Some of the major topics discussed in *Post Colonial Drama* include the interactions of post-colonial and performance theories, the post-colonial re-stagings of language and history, the specific enactments of ritual and carnival, the theatrical citations of the post-colonial body. *Post Colonial Drama* combines a rich intersection of theoretical approaches with close attention to a wide range of performance texts.

Encyclopedia of Post-Colonial Literatures in English Eugene Benson, L.W. Conolly, 2004-11-30 Documents the history and development of post-colonial literatures in English together with English and American literature and includes original research relating to the literatures of some 50 countries and territories. In more than 1,600 entries written by more than 600 internationally recognized scholars, it explores the effect of the colonial and post-colonial experience on literatures in English worldwide.

The Columbia Guide to South African Literature in English Since 1945 Gareth Cornwell, Dirk Klopper, Craig Mackenzie, 2010-04-13 From the outset, South Africa's history has been marked by division and conflict along racial and ethnic lines. From 1948 until 1994, this division was formalized in the National Party's policy of apartheid. Because apartheid intruded on every aspect of private and public life, South African literature was preoccupied with the politics of race and social engineering. Since the release from prison of Nelson Mandela in 1990, South Africa has been a new nation in the making, inspired by a non-racial idealism yet beset by poverty and violence. South African writers have responded in

various ways to Njabulo Ndebele's call to rediscover the ordinary. The result has been a kaleidoscope of texts in which evolving cultural forms and modes of identity are rearticulated and explored. An invaluable guide for general readers as well as scholars of African literary history, this comprehensive text celebrates the multiple traditions and exciting future of the South African voice. Although the South African Constitution of 1994 recognizes no fewer than eleven official languages, English has remained the country's literary lingua franca. This book offers a narrative overview of South African literary production in English from 1945 to the postapartheid present. An introduction identifies the most interesting and noteworthy writing from the period. Alphabetical entries provide accurate and objective information on genres and writers. An appendix lists essential authors published before 1945.

[The Oxford Companion to Twentieth-Century Literature in English](#) Jenny Stringer, 1996-09-26 This is a unique new reference book to English language writers and writing throughout the present century in all major genres and from all around the world from Joseph Conrad to Will Self, Virginia Woolf to David Mamet, Ezra Pound to Peter Carey, James Joyce to Amy Tan. The survivors of the Victorian age who feature in *The Oxford Companion to Twentieth Century Literature in English* writers such as Thomas Hardy, Olive Schreiner, Rabindranath Tagore, Henry James could hardly have imagined how richly diverse Literature in English would become by the end of the century. Fiction, plays, poetry and a whole range of non-fictional writing are celebrated in this informative, readable and catholic reference book which includes entries on literary movements, periodicals and over 400 individual works as well as articles on some 2,400 authors. All the great literary figures are included, whether American or Australian, British, Irish or Indian, African or Canadian or Caribbean among them: Samuel Beckett, Edith Wharton, Patrick White, T. S. Eliot, Derek Walcott, D. H. Lawrence, Tennessee Williams, Vladimir Nabokov, Wole Soyinka, Sylvia Plath as well as a wealth of less obviously canonical writers from Anaïs Nin to L. M. Montgomery, Bob Dylan to Terry Pratchett. The book comes right up to date with contemporary figures such as Toni Morrison, Ben Okri, Salman Rushdie, Carol Shields, Tim Winton, Nadine Gordimer, Vikram Seth, Don DeLillo and many others. Title entries range from Aaron's Rod to *The Zoo Story*, topics from *Angry Young Men*, Bestsellers and Concrete Poetry to Soap Opera, Vietnam, Writing and Westerns. A lively introduction by John Sutherland highlights the various and sometimes contradictory canons that have emerged over the century and the increasingly international sources of writing in English which the Companion records. Catering for all literary tastes, this is the most comprehensive single volume guide to modern and postmodern literature.

The Dramatic Oeuvre of Chu Yu-Tun (1379-1439) Wilt Idema, 2021-09-13 *Saint Pauls*, 1874 *The Oxford Handbook of Restoration Literature* Matthew C. Augustine, Steven N. Zwicker, 2024-11-06 The Oxford Handbook of Restoration Literature begins by asking if there was a distinctive literature of the Restoration For a long time the answer seemed obvious heroic drama libertine comedy scandalous lyrics and the short but brilliant career of John Wilmot earl of Rochester Could there be an age when the coincidence of literary culture and political rule were any more obvious But as this Handbook will remind us some of the most wonderful literature of this Restoration came from writers who had lived across the decades of turbulence and into an age when the Stuart kings returned when the Church and House of Lords were restored a world made safe for bishops and for the memory of divine right rule Of course these returns and restorations did not meet with uniform celebration John Milton wrote his great epic poems not in quiet submission but in a kind of resistance to the dominant culture of the 1660s and Andrew Marvell produced his most brilliant satiric verse by holding up a looking glass to court corruption and Anglican intolerance So we begin with the most obvious conclusion Restoration literature does and does not fit to the categories that so long defined the late Stuart age This book explores and contests challenges and reimagines the experience embodied by the writing of the late Stuart world and invites readers new to this world and those who have often read its literatures to the pleasures but as well to the challenges and discomforts of its texts
