artistic vision With humor and critical acumen Greaves deftly recounts how Allen built a career and cult following with pioneering independent records like Lubbock on everything 1979 widely considered an archetype of alternative country and multiyear multimedia bodies of richly narrative interconnected art and theatrical works including JUAREZ ongoing since 1968 hailed as among the most significant statements in the history of American vernacular music and conceptual art Drawing on hundreds of revealing interviews with Allen himself his family members and his many notable friends colleagues and collaborators from musicians like David Byrne and Kurt Vile to artists such as Bruce Nauman and Kiki Smith and informed by unprecedented access to the artist's home studio journals and archives Greaves offers a poetic deeply personal portrait of arguably the most singularly multivalent storyteller of the American West The Mercury 13 Martha Ackmann, 2004-07-13 For readers of The Astronaut Wives Club The Mercury 13 reveals the little known true story of the remarkable women who trained for NASA space flight In 1961 just as NASA launched its first man into space a group of women underwent secret testing in the hopes of becoming America's first female astronauts. They passed the same battery of tests at the legendary Lovelace Foundation as did the Mercury 7 astronauts but they were summarily dismissed by the boys club at NASA and on Capitol Hill The USSR sent its first woman into space in 1963 the United States did not follow suit for another twenty years For the first time Martha Ackmann tells the story of the dramatic events surrounding these thirteen remarkable women all crackerjack pilots and patriots who sometimes sacrificed jobs and marriages for a chance to participate in America's space race against the Soviet Union In addition to talking extensively to these women Ackmann interviewed Chuck Yeager John Glenn Scott Carpenter and others at NASA and in the White House with firsthand knowledge of the program and includes here never before seen photographs of the Mercury 13 passing their Lovelace tests Despite the crushing disappointment of watching their dreams being derailed the Mercury 13 went on to extraordinary achievement in their lives Jerrie Cobb who began flying when she was so small she had to sit on pillows to see out of the cockpit dedicated her life to flying solo missions to the Amazon rain forest Wally Funk who talked her way into the Lovelace trials went on to become one of the first female FAA investigators Janey Hart mother of eight and at age forty the oldest astronaut candidate had the political savvy to steer the women through congressional hearings and later helped found the National Organization for Women A provocative tribute to these extraordinary women The Mercury 13 is an unforgettable story of determination Baked Alaskan William Scarborough, 2006-06 From the moment Cole Parker gets resilience and inextinguishable hope shot off the front of Billy Ray Dent's bass boat it's non stop action that travels from East Texas down a raging Alaskan river and onto the streets of Manhattan Route 66 Roadside Signs and Advertisements Joe Sonderman, 2016-12-01 Seeing this panoply of signs splashed across the pages in Route 66 Roadside Signs and Advertisements is almost as good as taking a road trip You can get your kicks and pretty much anything else on Route 66 provided you see the sign that s advertising it Route 66 Roadside Signs and Advertisements showcases the colorful history of commercial signage along the Mother Road From

kitschy to classy this book includes photos of early vintage signs as well as modern signs The vivid photos are organized according to type of establishment the signs are for such as roadside attractions motels restaurants businesses of ill repute bars strip clubs etc and more While Route 66 Roadside Signs and Advertisements places emphasis on high quality visuals it also includes anecdotes and history about the signs that sprang up along the sides of Route 66 The most famous Route 66 signs get center stage treatment in the book with two page spreads accompanied by detailed text Such signs include icons like the Blue Swallow in Tucumcari New Mexico the Munger Moss in Lebanon Missouri the U Drop Inn at Shamrock Texas and the El Vado in Albuquerque New Mexico Additional information is included such as background about buzzing neon lights how these signs are actually made and how they get restored Each image from this famous American roadway could be a postcard so allow yourself to be rubbernecked by Route 66 Signs and Advertisements
