The Interpretation of The Meaning of The Holy Quran Volume 71 - Surah Al-Hadid Nasoha Bin Saabin, I have written many books and articles on various topics but since 2013 I have devoted myself fully in writing the interpretation of the Holy Quran in English and with the grace of Allah I have completed the whole Quran on 29th October 2020 with 84 books I believe there is

a great need in the whole world for the correct interpretation of the Holy Quran to be written in English Currently there is a great misunderstanding about Islam among Muslims and non Muslims globally The misunderstanding of the meaning of the Holy Quran among Muslims will lead to the wrong practice of Islam which leads to the wrong actions of Muslims The wrong actions of Muslims will lead to misunderstandings about Islam among Muslims and non Muslims The wrong actions of the Muslims have led to many miseries and wars among Muslims The wrong actions of Muslims have also led to many wars and clashes between Muslims and non Muslims In order to avoid miseries wars and clashes from taking place between the whole mankind in the whole world the whole mankind in the whole world need to understand the true teaching of Islam There is no other way for the whole mankind to understand the true teaching of Islam unless the whole mankind is able to read and understand the correct interpretation of the Holy Quran The whole mankind is only able to read and understand the correct interpretation of the Holy Quran when it is written in the universal language of the world English For this very reason I have written the interpretation of the Holy Quran in English Prof Nasoha Bin Saabin Marion County, Alabama Newspaper Clippings, 1900 - 1901 Robin Sterling,2014-12-24 Journalism in Marion County got its start in April 1885 with the Marion County Herald Soon other upstart papers sprang up to compete with the Herald Over the years several newspapers vied for the dominant spot This is the fourth volume of a series of books containing newspaper clippings from the earliest existing papers from Marion County This volume contains the year 1900 through 1901 The clippings in this volume concentrate with notes of births deaths and marriages It also contains articles which were important to the history and growth of the county The history of the county is written in the pages of its earliest newspapers Read what the ancestors of the people of Marion County were doing and talking about **California.
