Paradors Of Spain Their History Cooking And Wines:

Paradores of Spain Jan Read, Maite Manjón, 1977 The historic Paradores of Spain are the fulfilment of every traveller's dream These many lovingly restored castles and monasteries offer hospitality in the grand manner with food and wine to match Their superb settings and romantic associations have made them famous amongst world travelers Jan Read has been joined by his wife Maite Manjón to make this beautiful volume a very special celebration of these Castles in Spain The chapter on each Parador starts with a concise historical introduction setting the building in its place in Spain's long history Then follows a section on the regional foods written with discerning appreciation by two people who know some of the rarer delicacies of this fascinating country The wines of the region in which the Parador is situated are critically viewed and for those with an interest in exotic cooking Maite Manjón has selected her favorite recipes From publisher's description

Spain Graham J. Shields, 1985 In less than 20 years Spain has emerged from repression and dictatorship to become a largely stable and sophisticated modern industrial economy This reference provides annotated entries on works dealing with the history geography economy politics people culture customs religion and social organization of this fascinating country Also addressed are current living conditions including housing education the media the arts and industry Annotation copyright by Book News Inc Portland OR Quarterly Review Anglo-Spanish Society (1958-2013), 1982 Architectural Agents Annabel Jane Wharton, 2015-02-15 Buildings are not benign rather they commonly manipulate and abuse their human users Architectural Agents makes the case that buildings act in the world independently of their makers patrons owners or occupants And often they act badly Treating buildings as bodies Annabel Jane Wharton writes biographies of symptomatic structures in order to diagnose their pathologies The violence of some sites is rooted in historical trauma the unhealthy spatial behaviors of other spaces stem from political and economic ruthlessness The places examined range from the Cloisters Museum in New York City and the Palestine Archaeological Museum renamed the Rockefeller Museum in Jerusalem to the grand Hostal de los Reyes Católicos in Santiago de Compostela Spain and Las Vegas casino resorts Recognizing that a study of pathological spaces would not be complete without an investigation of digital structures Wharton integrates into her argument an original consideration of the powerful architectures of video games and immersive worlds Her work mounts a persuasive critique of popular phenomenological treatments of architecture Architectural Agents advances an alternative theorization of buildings agency one rooted in buildings essential materiality and historical formation as the basis for her significant intervention in current debates over the boundaries separating humans animals and machines DK Eyewitness Travel Guide: Spain Josephine Quintero, Mary-Ann Gallagher, 2010-02-15 The Eyewitness Travel Guide provides detailed practical information and expert recommendations It has information about Spain's country historical and cultural sides and includes features about food wine beaches and festivals Check the Traveler's Needs section for restaurant and hotel recommendations and the Survival Guide has tips on everything from transport to using the telephone system The
