Have you ever found yourself repeating expressions such as Jesus saves or Jesus died for our sins without really understanding them When popular speakers explain how Jesus's death satisfied God's wrath so you could be forgiven do you ever think to yourself I don't get it If so you're not alone you're not dumb and the problem is not with you Ron Highfield reframes Christian teaching about the atonement so that it comes alive with fresh meaning Drawing on biblical and traditional sources Highfield explains why our frustration in trying to understand how Jesus's death satisfies God's judicial wrath is inevitable because the idea doesn't make sense and the Bible doesn't teach it Instead of viewing the atonement as the solution to God's problem of how to forgive sins while remaining perfectly just Highfield argues that the atonement is God's solution to our problem In Jesus God

rewrites the human story forgiving our sins correcting our mistakes and realizing our destiny As one of us Jesus lives a perfect life passes through death and enters into eternal life As the new Adam he invites us to join his family share his life and enjoy his victory
