Paradox Of Intention Reaching The Goal By Giving Up The Attempt To Reach It:

The Paradox of Intention Marvin C. Shaw, 1988 This book examines the paradox of intention the simple idea that we may reach a goal by giving up the attempt to reach it or conversely that we may be prevented from reaching a goal by our intentional efforts to achieve it The nature of this paradox is explored through an examination of texts from ancient and existential philosophy psychotherapy and the sacred texts of Buddhism Christianity and Taoism Shaw then subjects the paradox to systematic study by pursuing a series of questions arising from it A clearly written and accessible study The Paradox of Intention adds an intriguing chapter to both comparative ethics and the cross cultural study of the philosophy of religion

From the Shores of Silence Ashley Cocksworth, Rachel Starr, Stephen Burns, 2023-01-31 Feminist practical theology has emerged in the gap between wider feminist and wider practical theology It celebrates distinctive concerns arguments emphases and questions unafraid to reform practical theology in shape and substance and to guide feminist theology towards the silences and stories of human lives that some professional theologies including those shaped by feminist commitments sometimes overlooks Feminist practical theology is bold in exploration of doctrinal themes in poetic and prayerful modes characteristically collaborative and in search of alliances with other advocacy perspectives In the UK such commitments have been exemplified by Nicola Slee whom this volume honours Chapters invite readers into wide ranging conversations that flow from young women's experiences at university poetic practice as theology queer priesthood theologies of critical masculinities women presiding in worship Black and decolonial theologies adjacent to feminist convictions confrontations with sexual violence rest and rewilding and a post menopausal Mary Contributors are Al Barrett Gavin D Costa Deborah Kahn Harris Michael N Jagessar Sharon Jagger Rachel Mann Jenny Morgans Eleanor Nesbitt Karen O'Donnell Mark Pryce Anthony G Reddie Ruth Shelton Anne Phillips and Alison Wooley

God's Dog Webster Kitchell, 1993-11-28 In Native American traditions Coyote is the Trickster the one you want to avoid but love to hear stories about In the Aztec tradition Coyote is God's Dog As a minor deity Coyote is at home in the world we know and in the world of magic and the gods In this series of coyote adventures he gets involved with a parish minister in Santa Fe New Mexico They meet for donuts and go on drives through the desert and mountains in an old VW Thing They discuss just what you'd expect from a minor deity and a philosophical clergyman death lying progress why Jesus was crucified what money will buy and the nature of the universe

The Minimalist Vision of Transcendence Jerome A. Stone, 1992-11-03 Charts a spiritual path that skirts the choice between the old notion of God and atheism between foundationalism and relativism Describes a Neo naturalistic philosophy of religion that combines a vision of this worldly transcendence with an attitude of openness in inquiry and action Part of the revival of radical empiricism in religious thought Paper edition unseen 16 95 Annotation copyright by Book News Inc Portland OR

The Inner Life of Krishnamurti Aryel Sanat, 2013-11-01 Aryel Sanat's meticulously researched and cogently argued exploration of Krishnamurti's inner life and experiences explodes a number of popular myths

about Krishnamurti particularly that he denied the existence of the Theosophical Masters and disdained the esoteric side of the spiritual path Rather Sanat persuasively demonstrates Krishnamurti had a rich and intense esoteric life Moreover the truths of the Ancient Wisdom as revealed through the Masters were a reality to Krishnamurti every day of his life from his boyhood until his death The real story of Krishnamurti s inner life is shown to have critical implications for our understanding of Krishnamurti s life and ideas and for our views of Theosophy Buddhism the teachings of Gurdjieff indeed the entirety of contemporary spiritual thought

The Medieval Mystical Tradition in England Edward Alexander Jones,2013 Mystical writing flourished between the 13th and 15th centuries across Europe and in England and had a wide influence on religion and spirituality This volume examines a range of topics within the field

Jesus and the Quest for Meaning Thomas H. West, A new approach to introducing theology As God s self communication to humans Jesus is the key to the human search for meaning argues Thomas West He therefore introduces the practice of theology through Christology From the question of personal meaning and self constitution and their relationship to transcendent meaning and value he proceeds to discuss the figure and import of Jesus and then the ethical imperative engendered through encounter with him Fresh and clear West s book is an invitation to grapple with one s religious commitments especially in light of recent insights in biblical studies and Continental feminist and liberation theologies This new text will prove an engaging and effective introduction to theological thinking for both undergraduates and Christian adults

Rising from the Dead Patricia Nanoff,2013-10-23

Bridging the gap between spirituality and the recovering community *Rising from the Dead* Stories of Women s Spiritual Journeys to Sobriety tells the stories of alcoholic women in long term sobriety whose faith based rehabilitation healed and transformed their lives Using the format adopted by Alcoholics Anonymous in telling their stories each woman tells how it was what happened and how it is now Their stories are first examined within the more secular models of treatment and then in relation to theological categories and models Illustrating the catastrophic nature of alcoholism as well as the hopeful path to recovery this book offers a practical and valuable guide for professionals working in the Christian community to assist women suffering from addiction *Rising from the Dead* describes the 12 step spiritual approach to treating addiction and offers strategies for strengthening and developing the spiritual lives of those afflicted with this burden This book examines the use of stories from a therapeutic and Christian perspective and suggests models for therapeutic listening and counseling

It also covers narrative construction issues with shame and guilt threshold experiences God language and much more An indispensable book on healing through communities of faith Rising from the Dead Stories of Women s Spiritual Journeys to Sobriety is ideal for pastors pastoral counselors chaplains parish nurses and seminary faculty teaching in the area of addiction ministry

Rebel Between Spirit and Law Scott Alan Kugle,2006 This book examines the authority of saints in Islam and their ability to build communities among Muslims in North Africa It analyzes the power generated in religious communities through their allegiance to saints a power usually identified with the term Sufism In the late 15th and 16th centuries a community of Sufis in Fes Fez Morocco and other urban centers in North Africa advocated this paradigm of sainthood during a time of intense political and religious crisis Juridical sainthood a concept that fuses Islamic legal rectitude and devotional piety was the center of their reformist agenda The juridical saint was to be absorbed in legal training and religious values in ways that questioned political loyalty and dynastic legitimacy Scott A Kugle explores this tradition by focusing on the life and writings of Shaykh Ahmad Zarruq Following his exile from Fes Zarruq traveled widely over North Africa spreading his teachings and writings and attracting followers from Morocco to Mecca The life and teachings of Zarruq remain useful for Muslims They are a piece of the past that present day Muslims are rediscovering and redeploying to reconcile Islam s heritage with its very troubled post colonial present

God and Natural Order Shaun C. Henson,2013-12-04 In God and Natural Order Physics Philosophy and Theology Shaun Henson brings a theological approach to bear on contemporary scientific and philosophical debates on the ordered or disordered nature of the universe Henson engages arguments for a unified theory of the laws of nature a concept with monotheistic metaphysical and theological leanings alongside the pluralistic viewpoints set out by Nancy Cartwright and other philosophers of science who contend that the nature of physical reality is intrinsically complex and irreducible to a single unifying theory Drawing on the work of theologian Wolfhart Pannenberg and his conception of the Trinitarian Christian god the author argues that a theological line of inquiry can provide a useful framework for examining controversies in physics and the philosophy of science God and Natural Order will raise provocative questions for theologians Pannenberg scholars and researchers working in the intersection of science and religion

Mystical Theology and Continental Philosophy David Lewin,Simon D. Podmore,Duane Williams,2017-05-18 Exploration of the interface between mystical theology and continental philosophy is a defining feature of the current intellectual and even devotional climate But to what extent and in what depth are these disciplines actually speaking to one another or even speaking about the same phenomena This book draws together original contributions by leading and emerging international scholars delineating emerging debates in this growing and dynamic field of research and spanning mystical and philosophical traditions from the ancient to the medieval modern and contemporary At the heart of which lies Meister Eckhart perhaps the single most influential Christian mystic for modern times The book is organised around significant historical and contemporary figures who speak across the intersections of philosophy and theology

offering new insights into key interlocutors such as Pseudo Dionysius Augustine Isaac Luria Eckhart Hegel Heidegger Marion Kierkegaard Deleuze Laruelle and i ek Designed both to contribute to current trends in mystical theology and philosophy and elicit dialogue and debate from further afield this book speaks within an emerging space exploring the retrieval of the mystical within a post secular context

Hajj to the Heart Scott Kugle, 2021-12-28 Against the sweeping backdrop of South Asian history this is a story of journeys taken by sixteenth century reformist Muslim scholars and Sufi mystics from India to Arabia At the center is the influential Sufi scholar Shaykh Ali Muttaqi and his little known network of disciples Scott Kugle relates how Ali Muttaqi an expert in Arabic scriptural hermeneutics and hadith left his native South Asia and traversed treacherous seas to make the Hajj to Mecca Settling in Mecca he continued to influence his homeland from overseas Kugle draws on his original translations of Arabic and Persian manuscripts never before available in English to trace Ali Muttaqi s devotional writings revealing how the Hajj transformed his spiritual life and political loyalties The story expands across three generations of peripatetic Sufi masters in the Mutaqqi lineage as they travel for purposes of pilgrimage scholarship and sometimes simply for survival along Indian Ocean maritime routes linking global Muslim communities Exploring the political intrigue scholarly debates and diverse social milieus that shaped the colorful personalities of his Sufi subjects Kugle argues for the importance of Indian Sufi thought in the study of hadith and of ethics in Islam We are proud to announce that this book is freely available in an open access enhanced edition thanks to TOME Toward an Open Monograph Ecosystem a collaboration of the Association of American Universities the Association of University Presses and the Association of Research Libraries and the generous support of Emory University and the Andrew W Mellon Foundation Learn more at the TOME website openmonographs.org The open access enhanced edition of Hajj to the Heart can be found here https://cds.emory.edu/projects/hajj_to_the_heart

Religious Naturalism Today Jerome A. Stone, 2008-12-18 Looks at the history and revival of religious naturalism a spiritual path without a supreme being

Participation and the Mystery Jorge N. Ferrer, 2017-04-12 A groundbreaking and hopeful new look at contemporary spirituality transpersonal psychology integral education and religious diversity and pluralism Participation and the Mystery is both an introduction to and expansion of Jorge N Ferrer s groundbreaking work on participatory spirituality which holds that human beings are active cocreators of spiritual phenomena worlds and even ultimates After examining the impact of his work since the publication of Revisioning Transpersonal Theory Ferrer discusses the relationship between science and transpersonal psychology the nature of a fully embodied spirituality and the features of integral spiritual practice The book also introduces a participatory philosophy of education and applies it to the academic teaching of mysticism and a novel approach to embodied spiritual inquiry Critically engaging the influential work of Stanislov Grof Ken Wilber and A H Almaas Ferrer concludes with an original solution to the problem of religious pluralism that affirms the ontological richness of religious worlds while avoiding the extremes of perennialism and contextualism offering a hopeful vision for the future of world religion Participation and the Mystery is an

invaluable resource to anyone seeking to deepen their understanding of participatory approaches to transpersonal psychology integral and contemplative education contemporary spirituality and religious studies In *Participation and the Mystery* we are given the opportunity to dive into the engaging provocative and stunningly erudite thought of Jorge N Ferrer arguably one of the premier transpersonal theorists of our time Building on the key essays written after the publication of his seminal work *Revisioning Transpersonal Theory* Ferrer shows us how his compelling and extremely fertile participatory model can be applied with intriguing and rewarding results to multiple highly distinct fields of discourse Read this book if you want your worldview to be both challenged and enriched G William Barnard author of *Living Consciousness The Metaphysical Vision of Henri Bergson* Ferrer is a leading figure in transpersonal psychology His participatory perspective explains both the deep commonalities and the creative diversity of spiritual traditions It provides a way to understand the general phenomenon of spirituality without falling prey to ideological dogmatism or the tendency to privilege one's own spiritual tradition or practice over others Ferrer's work deserves to be widely read Michael Washburn author of *Transpersonal Psychology in Psychoanalytic Perspective* This is an important collection of essays from one of the leading contemporary thinkers in transpersonal studies Ferrer's participatory approach represents the most significant development in transpersonal theory and practice to have emerged this century and this book is the ideal introduction to Ferrer's work It will become required reading for all students of transpersonal psychology as well as for anyone seeking to deepen their understanding of transformational practice transpersonal education spirituality and religion Michael Daniels author of *Shadow Self Spirit Essays in Transpersonal Psychology* Rich and thought provoking this book ranges widely through Ferrer's reflections on the participatory worldview in relation to psychology education and religion Andrew O Fort Texas Christian University

Foundations for Soul Care Eric L. Johnson, 2009-08-20 Eric L Johnson proceeds to offer a new framework for the care of souls that is comprehensive in scope yet flows from a Christian understanding of human beings what amounts to a distinctly Christian version of psychology This book is a must read for any serious Christian teacher student or practitioner in the fields of psychology or counseling

Educational Philosophy for a Post-secular Age David Lewin, 2016-10-04 *Educational Philosophy for a Post secular Age* reinterprets post secular insights for educational theory by recognising that the persistence of religion in contemporary life raises new questions about the place of religion in education Two common assumptions are critically examined first that the better educated a society becomes the more secular it becomes and second that religion can and should be separated from public education For too long religion has had an uneasy relationship with education being seen either as a foreign invader a problem to be solved or as a mechanism by which to reinforce particular religious cultural or national identities In order to move educational theory beyond the debates about indoctrination and competing rights between parents children and nation states the argument undercuts rationalist conceptions of religion and education that tend to frame the debates in terms of competing truth claims or worldviews Drawing on a diverse range of

theological philosophical and educational sources this book demonstrates the continuing significance of the Christian mystical tradition to educational theory It proposes an exploration of democratic education that brings together two apparently irreconcilable poles the meaning of religion in education and contemporary life and the need for a deliberative democratic process that is fit for the post secular age It argues that religious literacy can be served by democratic encounters in public religious education Educational Philosophy for a Post secular Age will be of interest to researchers academics and postgraduate students in the fields of the philosophy of education philosophy of religion education policy politics anthropology and cultural theory It will particularly appeal to those of both secular and religious persuasions interested in the place of religion in education and public life Writing the Icon of the Heart Maggie Ross,2013-02-13 The subtitle of Maggie Ross s new book captures its essence for it is about silence and our need to behold God Beholding is a notion that we are in danger of losing It is often lost in translation even by the NRSV and the Jerusalem Bible Beholding needs to be recovered both in theology and practice Ross is very aware of poor talkative Christianity There is a twofold plea to enter into silence for lack of silence erodes our humanity and to behold the radiance of God This is a book full of deep questioning and the testing of our assumptions Throughout there is a great love for the world and for our humanity accompanied by sadness that we are so easily distracted We are invited into a silence that is not necessarily an absence of noise but is a limitless interior space Ancient texts are used in new and exciting ways and many of our worship practices are challenged She is in no doubt that the glory of the human being is the beholding of God adapted from a review in The Church Times London by Canon David Adam **Silence: A User's Guide, Volume Two** Maggie Ross,2017-12-13 To learn to read a text for the portals of silence that are implicit in it is to gain a powerful tool for supporting and expanding one s silence and to open the reader to the insight that ensues The sort of reading proposed in this volume is both costly and rewarding These pages invite readers once again to look at their own minds to reflect on what is happening there and to understand the essential role of silence for being human and for living our own truth with one another **Rediscovering the West** Stephen C. Rowe,1994-08-16
