BEING Ashkan Tashvir, 2021-07-19 Why do some people and businesses accomplish deep and resounding success and prosperity while others do not What are the qualities that set them apart Prior to writing this book Ashkan Tashvir spent more than a decade working with and studying entrepreneurs startups leaders and investors including many exceptionally high achievers to discover the behavioural patterns and qualities that determine success or failure He found that it's not due to a lack of capital technology or the right techniques or strategies it's because of who and how they are BEING the underlying qualities that drive their behaviours and actions In his book BEING Ashkan lays out a comprehensive paradigm called the Being Framework which distinguishes each of these qualities mapping out how and why each plays a critical role in performance effectiveness influence and leadership Too many leaders overlook the people side of business This framework is engineered to deliver a unique systematic way to address this The Being Framework transcends far beyond today's popular quick fix recipes for success or self affirmation Instead it draws your attention to the extraordinary power of discovering and honing your well polished qualities and casting light on your Being to reveal the shadow or troubled parts of you explaining how those can be transformed Fundamentally this book focuses on how

to BE so you can have whatever you care most about in life and make a meaningful contribution to humanity

Integrating Counselling & Psychotherapy Mick Cooper, 2019-02-11 How can therapists integrate theories and practices from across the psychological therapies This book presents a framework for understanding distress and change that can unite different orientations along with sociopolitical perspectives Its starting point is that therapy aims to help clients move towards the things they most deeply want It shows how the actualisation of these directions leads to greater well being and how this can be brought about through the development of internal and external synergies Using in depth cases the book provides detailed guidance on how this framework can be applied After reading this book you ll feel better equipped to understand and work with your clients directions tailoring the therapy to their unique wants

The American Paradox David G. Myers, 2008-10-01 DIV For Americans entering the twenty first century it is the best of times and the worst of times Material wealth is at record levels yet disturbing social problems reflect a deep spiritual poverty In this compelling book well known social psychologist David G Myers asks how this paradox has come to be and more important how we can spark social renewal and dream a new American dream Myers explores the research on social ills from the 1960s through the 1990s and concludes that the materialism and radical individualism of this period have cost us dearly imperiling our children corroding general civility and diminishing our happiness However in the voices of public figures and ordinary citizens he now hears a spirit of optimism The national dialogue is shifting away from the expansion of personal rights and toward enhancement of communal civility away from efforts to raise self esteem and toward attempts to arouse social responsibility away from whose values and toward our values Myers analyzes in detail the research on educational and other programs that deal with social problems explaining which seem to work and why He then offers positive and well reasoned advice suggesting that a renewed social ecology for America will rest on policies that balance me thinking with we thinking div

Original Self Thomas Moore, 2001-08-07 In *Original Self* spiritual pioneer Thomas Moore guides readers back to their God given personalities through fifty heart lifting meditations This inspiring collection offers fresh interpretations of living with originality rather than conformity presenting multidimensional portraits of the creative self and different angles from which to top one s primal emotions and possibilities Learn what it means to live from the burning essence of the heart with the creativity that comes from allowing the soul to blossom in its own colors and shapes With his usual grace and insight Moore counters the prevailing assumptions of the day and offers strikingly unorthodox views on what is virtuous and healthy opening up

possibilities for a renewal of the way we live socially and in our private lives *About Merton* ,2002
