Kingsport, Tennessee Margaret Ripley Wolfe, 2021-12-14 Kingsport Tennessee was the first thoroughly diversified professionally planned and privately financed city in twentieth century America The advent of this so called model city a glittering new industrial jewel in the green mountains offered area residents an alternative to rural life and staid small town existence as the new century dawned Neither an Appalachian hamlet nor a company town Kingsport developed as a self proclaimed All American City Produced by the marriage of New South philosophy and Progressivism born of a passing historical moment when capitalists turned their attention to Southern Appalachia and nurtured by the Protestant work ethic Kingsport today reflects its heritage From flaunting its patriotism with grandiose Fourth of July parades to being defensive about its pollution the city exhibits values almost stereotypically those of middle class America But loss of vision and a decline in the quality of leadership plague contemporary Kingsport and like other American industrial strongholds it is buffeted by the winds of the high tech revolution and the changing world economy This first full length biography of Kingsport challenges interpretations of regional history that promote the colonial and poverty models Margaret Ripley Wolfe brings to it the advantage of an insider s perspective In considering the special roles of capital labor industry and government over seven decades she neither patronizes Appalachian workers nor treats developers and industrialists as villains Her book will interest scholars of urbanization city planning landscape architecture and industrialization as well as local history enthusiasts

Revitalizing the City Fritz W. Wagner, Timothy E. Joder, Anthony J. Mumphrey, Jr, Krishna M. Akundi, Alan F.J. Artibise, 2016-12-05 This practical work demonstrates that controlling urban growth and reviving central city economies are not mutually exclusive endeavors Rather than re hash theories of urban development the contributors describe and evaluate successful community tested approaches to sustaining our cities Revitalizing the City provides actual case examples of urban success stories ranging from San Diego s smart growth initiative to brownfield redevelopment in Pittsburgh The book is divided into four major sections Urban Growth Metropolitan Development and Administration Central City Redevelopment Strategies and Central City Suburban Cooperation Each chapter includes an analysis of key issues descriptions of specific local initiatives highlights of effective policies or programs and potential pitfalls to avoid Revitalizing the City has broad appeal for the urban policy community as well as for undergraduate and graduate courses in urban sociology geography political science and urban studies and planning

Lectures on Urban Economics Jan K. Brueckner, 2011-09-09 A rigorous but nontechnical treatment of major topics in urban economics Lectures on Urban Economics offers a rigorous but nontechnical treatment of major topics in urban economics To make the book accessible to a broad range of readers the analysis is diagrammatic rather than mathematical Although nontechnical the book relies on rigorous economic reasoning In contrast to the cursory theoretical development often found in other textbooks Lectures on Urban Economics offers thorough and exhaustive treatments of models relevant to each topic with the goal of revealing the logic of economic reasoning while also teaching urban economics Topics covered include reasons for the existence of cities urban spatial structure urban sprawl and land use controls freeway congestion housing demand and tenure choice housing policies local public goods and services pollution crime and quality of life Footnotes throughout the book point to relevant exercises which appear at the back of the book These 22 extended exercises containing 125 individual parts develop numerical examples based on the models analyzed in the chapters Lectures on Urban Economics is suitable for undergraduate use as background reading for graduate students or as a professional reference for economists and scholars interested in the urban economics perspective **Transition Assistance** ,1990
