Russia Looks At America:

Russia Looks at America Robert V. Allen, 1988 Imagining America Alan M. Ball, 2004-09-09 In *Imagining America* historian Alan M Ball explores American influence in two newborn Russian states the young Soviet Union and the modern Russian Republic Ball deftly illustrates how in each era Russians have approached the United States with a conflicting mix of ideas as a land to admire from afar to shun at all costs to emulate as quickly as possible or to surpass on the way to a superior society Drawing on a wide variety of sources including contemporary journals newspapers films and popular songs Ball traces the shifting Russian perceptions of American cultural social and political life As he clearly demonstrates throughout their history Russian imaginations featured a United States that political figures and intellectuals might embrace exploit or attack but could not ignore Russia, America, the Bomb and the Fall of Western Europe Brian May, 2024-01-01 First published in 1984 *Russia America the Bomb and the Fall of Western Europe* offers a dual approach to unilateral nuclear disarmament While it systematically analyzes and rejects stock arguments for retaining nuclear weapons from the supposed threat of Soviet invasion to fears of Finlandization and the loss of mineral resources it examines the issue within the context of Western Europe s historic fall This is described with the help from Arnold Toynbee Plato and Marx Brian May argues that if West European civilization is to survive it must find the moral strength to stand on its own feet make its own accommodation with the USSR and abandon dependence on its offshoot on the other side of the Atlantic whose policies could lead to its destruction This book will be of interest to students of geopolitics international relations security studies and history Russia and America George Ginsburgs, Oles M. Smolansky, 1993-09-09 As we move into the post Cold War era American and Russian leaders need to rethink their basic assumptions about security about foreign policy priorities and about essential political alignments including first and foremost their relationship with one another This volume intended for anyone interested in international affairs as well as for classroom use examines a range of critical issues and their implications for U S Russian relations **The American Steppes** David Moon, 2020-04-02 Explores the transnational movements of people plants agricultural sciences and techniques from Russia s steppes to North America s Great Plains *Transnational Russian-American Travel Writing* Margarita Marinova, 2012-05-22 In this study Marinova examines the diverse practices of crossing boundaries tactics of translation and experiences of double and multiple political and national attachments evident in texts about Russo American encounters from the end of the American Civil War to the Russian Revolution of 1905 Marinova brings together published writings archival materials and personal correspondence of well or less known travelers of diverse ethnic backgrounds and artistic predilections from the quintessential American Mark Twain to the Russian Jewish ethnographer and revolutionary Vladimir Bogoraz from masters of realist prose such as the Ukrainian born Vladimir Korolenko and the Jewish Russian American Abraham Cahan to romantic wanderers like Edna Proctor Isabel Hapgood or Grigorii Machtet By highlighting the reification of problematic stereotypes of ethnic and racial difference in

these texts Marinova illuminates the astonishing success of the Cold War period's rhetoric of mutual hatred and exclusion and its continuing legacy today

Russian and American Cultures Konstantin V. Kustanovich, 2018-11-15 Russia is a great country both in terms of size and its achievements. It is the largest country in the world and perhaps the richest one as well if one counts all its natural resources combined. The Russian population is well educated and its sciences and technology are quite advanced. It is also a country with political, legal and economic systems similar to those in Western Europe and North America. What then prevents it from joining the community of Western democratic societies? What makes it always slide back into the habitual mode of authoritarianism, nationalism and permeating corruption even when formal democratic institutions and structures are installed? Why does it stubbornly resist any attempts to promote democracy and liberalism? Is it because some curse hangs over the country and it always ends up in the hands of a bad government? The author of this book is convinced that the Russian government is just a derivative of the entire population, the entire culture. The book is thus devoted to Russian culture in comparison with Western cultures and the United States in particular. The author begins this juxtaposition at the dawn of Russian history, the Christianization of Russia in the late tenth century. Religion played a tremendous role in shaping Russian tradition from the tenth through the seventeenth centuries. Choosing Greek Orthodoxy, Russia made the first and decisive step away from Western Christianity, inheriting the Byzantine kind of authoritarianism and banning not only the religious doctrine but also all knowledge coming from the West, including Latin. The author also demonstrates how serfdom and the agricultural commune, which lasted virtually into the twentieth century, fostered the culture of collectivism, nationalism and legal nihilism. The book's last part explores the psychology of Russian perceptions of the United States, a crucial factor in the relationships between the two countries. Russian culture, the author contends, persists due to inculcating children during the early childhood socialization, thus passing values and myths from generation to generation. This book represents a truly interdisciplinary project, employing ideas and research results from such disciplines as cultural and psychological anthropology, social psychology, psychology of child development, sociology, semiology, law and history of Russia and Russian religion.

Russian-American Dialogue on Cultural Relations, 1776-1914 Norman E. Saul, Richard D. McKinzie, 1997 Russian American Dialogue on Cultural Relations 1776-1914, the third volume in the Russian American Dialogues series, provides English translations of the best Russian scholarship on cultural relations. Each essay originally appeared as an article in the former Soviet Union. Five issues are discussed: the contributions that each country made to the cultural life of the other; the correspondence and interactions between scientists, writers and others from the two nations; the development of public perceptions and how these changed over time; the American focus in Russian periodicals during the nineteenth century; and the significant roles of Russians and the Russian presence in American history. The Russian articles on each of these subjects are followed by comments from American historians. The articles by the Russian scholars make extensive use of and liberally cite material from Russian archives and publications. As a result, they provide

American readers with new scientific exchanges personalities and points of view The result is a plethora of new material for Western historians of Russia as well as of the United States The book provides an opportunity for scholars to examine more thoroughly the relevant issues of Russian American cultural relations An important scholarly contribution Russian American Dialogue on Cultural Relations 1776 1914 brings a new dimension to the relationship between the United States and Russia before 1914 It will be of interest not only to historians of this period but to all historians and students of international cultural relations *A Russian Paints America* Pavel P. Svin'in, Marina Swoboda, William Whisenhunt, 2008-10-17 Pavel

Petrovich Svin in 1787 88 1839 was a painter diplomat and journalist who spent two years as part of the first Russian diplomatic mission to the United States Soon after returning to Russia Svin in published a travel narrative of his experiences

Russian/Soviet Studies in the United States, Amerikanistika in Russia Ivan Kurilla, Victoria I. Zhuravleva, 2015-12-09 The contributors in this interdisciplinary collection address the problem of interconnection between the study of the Other either Russian or American and the shaping of national identities in the two countries at different stages of US Russian relations The focus of research interests were typically determined by the political and social debates in scholars native countries In this book leading Russian and American scholars analyze the problems arising from these intersections of academic political and sociocultural contexts and the implicit biases they entail The book is divided into two parts the first being a historical overview of past configurations of the interrelationship between fields and agendas and the second covering the role of institutionalized area studies in the twentieth and early twenty first centuries In both parts the role of the human factor in the study of mutual representations is elucidating **A Companion to the American Revolution** Jack P. Greene, J. R.

Pole, 2008-04-15 A Companion to the American Revolution is a single guide to the themes events and concepts of this major turning point in early American history Containing coverage before during and after the war as well as the effect of the revolution on a global scale this major reference to the period is ideal for any student scholar or general reader seeking a complete reference to the field Contains 90 articles in all including guides to further reading and a detailed chronological table Explains all aspects of the revolution before during and after the war Discusses the status and experiences of women Native Americans and African Americans and aspects of social and daily life during this period Describes the effects of the revolution abroad Provides complete coverage of military history including the home front Concludes with a section on concepts to put the morality of early America in today s context **Energy Security in Asia and Eurasia** Mike M.

Mochizuki, Deepa M. Ollapally, 2016-12-01 Many states appear to have strong sentiment on energy security and energy transit vulnerability Some analysts see the rapidly increasing demand for energy and competition for energy resources leading to nationalistic energy policies Others argue that global trends with efficient energy markets and growing options on renewables suggest more relaxed energy outlooks This book focuses on Asia where global demand for energy is now concentrated in the aspiring and rising powers of the region China India Japan and South Korea and also recognises the

importance of Russia as a growing energy supplier Contributions by experts in the field provide detailed and parallel case studies Shedding light on the ongoing debate in the literature regarding energy outlooks of major Asian states they analyse whether energy policies are expected to evolve along market oriented cooperative lines or more competitive and even destructive mercantile nationalist lines The book argues that states are not unitary actors even in the key energy security arena and there are competing and contrasting viewpoints in Asian states on energy security It suggests that domestic debates structure thinking on energy security making energy policy more contingent than assumed by purely market or geopolitical logics Providing a strong contribution to comparative energy security studies the book fills an important gap in the literature on energy and national security and offers a basis for conducting further inter state interactive analysis It will be of interest to researchers on Asian Studies energy politics and international relations **Ukraine vs. Darkness**

Olexander Scherba, 2021-04-30 This book draws on the author's experience from 26 years of Ukrainian diplomatic service in among others Bonn Berlin Washington and Vienna and his work as a speechwriter to most Ukrainian foreign ministers for the last two decades Scherba's captivating essays reflect his views of international affairs from a Ukrainian perspective His deliberations are presented in uncomplicated plain language The articles assembled here have repeatedly caused discussion in Ukraine and abroad By his opponents Scherba is often described as being surprisingly undiplomatic and even provocative For instance his article Why nationalism can't be the national idea of a European Ukraine published on a Ukrainian nationalist website stirred considerable controversy in Ukraine Aside from explaining Kyiv's take on some key issues of international relations these essays provide insights into Ukrainian political thinking since the start of Russia's military aggression in 2014 and into the painful political intramural fights in Ukrainian society ever since **New Word Volume 2**

Lela Kakulia, 2013-01-25 Hereinafter is my book New word the work unique by its contents and in essence This is a book of prediction Years beforehand I described all those necessary expected political events or natural phenomenon related to the whole world Most of them have already precisely come true some of them are now being fulfilled and the rest will come true in future This is a live cosmic information new word that I Georgian prophet Lela Kakulia pronounce by God's will I was sent to the earth in order to let countries states particular politicians or humankind in general know their future By this means cosmos gave a chance to the universe to soften destined blows and avoid destruction I predict all my life from birth and will predict till I am on the earth A prophet is sent by cosmos once in few centuries when the earth faces a special danger when it is on the edge of the existence I Georgian prophet am sent with the mission to save the world I bring enormous protecting energy for people and countries and hand it out with no regret I often draw cosmic information and my drawings are the source of colossal energy that fill people with hope and peace This is the book that would live for ages and give answer to peoples any question No one on earth owns such information neither particular individual nor analytical centres My prediction has no analogue and thus is unique With respect and love Georgian prophet Lela Kakulia **Building a new**

New World Jean-Louis Cohen, 2021-01-12 An essential exploration of how Russian ideas about the United States shaped architecture and urban design from the czarist era to the fall of the U S S R Idealized representations of America as both an aspiration and a menace played an important role in shaping Russian architecture and urban design from the American Revolution until the fall of the Soviet Union Jean Louis Cohen traces the powerful concept of Amerikanizm and its impact on Russia s built environment from early czarist interest in Revolutionary America through the spectacular World s Fairs of the 19th century to department stores skyscrapers and factories built in Russia using American methods during the 20th century Visions of America also captivated the Russian avant garde from El Lissitzky to Moisei Ginzburg and Cohen explores the ongoing artistic dialogue maintained between the two countries at the mid century and in the late Soviet era following a period of strategic competition This first major study of Amerikanizm in the architecture of Russia makes a timely contribution to our understanding of modern architecture and its broader geopolitics Iron Curtain Twitchers Jennifer M. Hudson, 2018-11-23 The Cold War is often viewed in absolutist terminology the United States and the Soviet Union characterized one another in oppositional rhetoric and pejorative propaganda State sanctioned communications stressed the inherent dissimilarity between their own citizens and those of their Cold War foe Such rhetoric exacerbated geopolitical tensions and heightened Cold War paranoia most notably during the Red Scare and brinkmanship incidents Government leaders stressed the reactive defensive foreign policies they implemented to retaliate against their counterparts offensive maneuvers Only brief periods of détente gave glimpses into the possibility of concerted peaceful coexistence Yet such characterizations neglect the complexities and rhetorical nuances that created fissures throughout the long standing ideological conflict Grassroots diplomacy rarely coalesced with official governmental rhetoric and often contradicted the discourse emanating from the White House and the Kremlin Organizations such as Women Strike for Peace WSP the Committee for Nonviolent Action CNVA and the Moscow Trust Group MTG defied policy directives and sought to establish genuine peaceful coexistence Traveling citizens posited that U S and Soviet citizens possessed more underlying commonalities than their governmental leaders cared to admit phenomena underscored in events such as the San Francisco to Moscow Walk for Peace Spacebridge programs railed against the Strategic Defense Initiative SDI and proclaimed that figurative and literal links between their country and the Other proved more conducive to public opinion than Star Wars Iron Curtain Twitchers examines such juxtaposing rhetorics through three lexical themes contamination containment and coexistence It analyzes the disparate perspectives of public politicians and private citizens throughout the Cold War s duration and its aftermath to better understand the political cultural and geopolitical nuances of U S Russia relations Vacillating rhetoric among politicians journalists and traveling citizens complicated geopolitical relationships sociopolitical disagreements and cultural characterizations These dialogues are contrasted with the cultural mediums of film and political cartoons to underscore fluctuating Cold War identity dynamics Manifestations of one s own country contrasted with

propagations of the Other and indicate that the Cold War lasted much longer and remains more virulent than previously conceived

Visions of America and Europe Christina V. Balis, Simon Serfaty, 2004 Antologi indeholder en undersøgelse af de transatlantiske forbindelser siden terrorangrebene d 11 september 2001 i USA samt den efterfølgende krig i Irak Bogen søger at identificere de grupper som skaber politiken og offentlighedens opfattelse af relationerne på begge sider af Atlanten Ligeledes forsøger den at spore oprindelsen til den opståede splid efter 11 september samt at belyse de nuværende og fremtidige udfordringer til de bilaterale relationer og forholdet generelt mellem USA og Europa Perspektiverne belyses ved fem europæiske bidragydere med fokus primært på England Frankrig Tyskland Italien og Rusland og suppleret med tre amerikanske bidragydere

The Global South in the Kremlin's Foreign Policy after 24/2 Greg Simons, Marina Glaser, Ivan Krivushin, Olga Volosyuk, 2025-12-04 This book offers the first in depth analysis of the evolution of Russia's relations with the Global South across political military political and economic domains Though formally part of the Global North Russia has since 2007 increasingly positioned itself as an independent and often opposing actor to the West aligning more closely with the Global South This volume explores Russia's foreign policy during the 2022-2024 war with Ukraine and confrontation with the West analyzing it at both global and regional levels The contributors propose models for understanding the Kremlin's shifting strategies including doctrinal orientations redefinitions of national interest and the role of personal leadership The book also examines the tools of Russian foreign policy in the evolving geopolitical context It highlights key areas such as Russia's efforts to reshape BRICS as a geo-economic counterweight to the West its renewed activism in Sub-Saharan Africa complex Middle Eastern diplomacy and its strategic turn to Latin America all within the broader pivot to the Global South Placed in long term historical context from the medieval era to the 2000s the book combines theoretical and applied analysis It is written for a multidisciplinary audience and is suitable for academic and classroom use

America's Abandoned Sons Robert S. Miller, 2012-06-19 QUOTE Tens of thousands of America's WWII Korean Conflict and Vietnam War military servicemen ended up as hostages secretly hijacked into the USSR Today this regrettable saga is still one of America's most closely guarded secrets As WWII ended Stalin captured all of Germany's eastern areas in which tens of thousands of captured American POWs were then being detained by Hitler's armed forces Stalin secretly held them as hostages and denied any knowledge of them as the Cold War began Their status unknown Washington eventually declared them dead when in fact they were still alive in captivity Thousands more were lost the same way when the Korean War ended China and the USSR secretly exploited these hostages for intelligence purposes and then also disposed of them Vietnam saw still more held back by Hanoi after that conflict ended for the same reasons again Today these abandoned sons a few of whom may still be alive in captivity as you read this are considered one of Washington's most closely guarded secrets Now is time to expose this secret and end this unfortunate Cold War saga

Presenting America's World Tamar Y. Rothenberg, 2016-12-05 National Geographic magazine is probably the most visible and popular expression of geography in the USA Presenting

America's World presents a critical analysis of the world portrayed by National Geographic from its formative years in the nineteenth century through to 1945. It situates the National Geographic Society's development within the context of a new American overseas expansionism, interrogates the magazine as America's ubiquitous source of wholesome exotica and erotica, examines the ways in which it framed the world for its millions of readers and questions its participation in the cultural work of US global hegemony. The book argues that National Geographic successfully employed strategies of innocence, a contradictory stance of representation which simultaneously asserts innocence either the innocence of just watching or the innocence of altruistic behaviour while naturalizing Western hegemony. *Presenting America's World* not only considers the world that National Geographic presented to its readers but also examines the magazine's own institutional world of writers, photographers and editors. Particular attention is paid to Gilbert H. Grosvenor, the magazine's editor for over 50 years; Maynard Owen Williams, a writer and photographer who worked on nearly 100 articles from 1919 to 1960; and Harriet Chalmers Adams, a freelancer, explorer and Pan American activist who contributed 21 articles.

Unveiling the Energy of Verbal Beauty: An Mental Sojourn through **Russia Looks At America**

In some sort of inundated with screens and the cacophony of quick communication, the profound energy and psychological resonance of verbal beauty often fade into obscurity, eclipsed by the regular onslaught of sound and distractions. Russia Looks At America Introduction

In today's digital age, the availability of Russia Looks At America books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russia Looks At America books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russia Looks At America books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russia Looks At America versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russia Looks At America books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russia Looks At America books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russia Looks At America books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russia Looks At America books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russia Looks At America books and manuals for download and embark on your journey of knowledge?

FAQs About Russia Looks At America Books

1. Where can I buy Russia Looks At America books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Russia Looks At America book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Russia Looks At America books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.

5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Russia Looks At America audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
