Russia Hopes Fears:

Russia: Hopes and Fears Alexander Werth, 1969 **The "Russia's Hope", Or, Britannia No Longer Rules the Waves**, 1888 **Russia's Gamble** Vladimir Gel'man, 2025-06-09 In February 2022 Russia launched a full scale military assault on Ukraine aimed at re establishing Russian control over the Ukrainian state economy and society similar in many ways to the Soviet period This goal however was not achieved and most likely will not be achieved in the future Rather the Russian special military operation has resulted in extraordinary disasters and losses for Russia for Ukraine and for the entire world This book examines the origins of the Russian assault on Ukraine and offers an explanation of why it has not achieved its aims Why did Russian elites and leaders propose prepare for and implement the assault on Ukraine in such a poorly prepared and heavily destructive way In seeking to answer these questions Gel man focuses on Russia s domestic agenda and its dynamics after the collapse of the Soviet Union The personalist nature of the Russian authoritarian political regime its vulnerability to bad governance major misperceptions by the Russian elites and leadership and reliance of the Kremlin upon previous experience of Russian impunity were all key factors that led to Russia s fateful decision to attack Ukraine and have continued to shape Russia s mistake ridden conduct of the war since then Gel man also considers what lessons can be learned from Russia s military assault for understanding the global agenda and for the study of domestic and international politics in the twenty first century This book written by a leading expert on Russian politics will be of great value to students and scholars in politics and to anyone interested in Russia and in the causes and consequences of the war against Ukraine

Hope and Fear Ronald H. Fritze, 2022-04-18 A myth busting journey through the twilight world of fringe ideas and alternative facts Is a secret and corrupt Illuminati conspiring to control world affairs and bring about a New World Order Was Donald Trump a victim of massive voter fraud Is Elizabeth II a shapeshifting reptilian alien Who is doing all this plotting In *Hope and Fear* Ronald H Fritze explores the fringe ideas and conspiracy theories people have turned to in order to make sense of the world around them from myths about the Knights Templar and the Ten Lost Tribes of Israel to Nazis and the occult the Protocols of Zion and UFOs As Fritze reveals when conspiracy theories myths and pseudo history dominate a society s thinking facts reality and truth fall by the wayside **Hope and Fear in Margaret Chase Smith's America** Gregory P. Gallant, 2014-09-24 *Hope and Fear in Margaret Chase Smith's America* A Continuous Tangle provides a fresh interpretation of the life career and legacy of former United States Senator Margaret Chase Smith the first woman elected to both houses of the U S Congress The book examines the critical connections made by Smith to key policymakers links that allowed her to overcome opposition and prejudice to gain access influence and power in Washington D C Highlighting the tangle of personalities and events in America from 1940 to 1972 the book focuses on Smith s courageous and often solitary efforts on behalf of women during the 1940s and her stand during the McCarthy era which earned her a national reputation for civility in public discourse It also examines her key interactions with the group of U S Senators who were elected with her

in 1948 and their work to forge public policy in the aftermath of McCarthyism including domestic and international policy following Sputnik the creation of the Space Program civil rights Vietnam and Medicare Against these events and activities the book demonstrates the impact of the nation's commitment to anticommunism and nuclear weapons which allowed politicians like Margaret Chase Smith to embrace contradictory stances on political dissent military policy and the role of government in American society

The Psychology of Putin: Russia's Master Strategist John Levesley, 2025-06-22 Step inside the mind of one of the most enigmatic and calculating leaders of the modern era The Psychology of Putin Russia's Master Strategist is a gripping deeply researched exploration of Vladimir Putin's rise to power his carefully constructed myth and the psychological architecture behind his control of the Russian state This powerful book goes beyond biography It offers a compelling look at how Putin's KGB training historical grievances and personal ambition fused to reshape a fractured post Soviet Russia into a tightly controlled global force From the annexation of Crimea to the manipulation of global media this is the story of how one man's mindset became a nation's system and a warning to the world

The Multilateral Dimension in Russian Foreign Policy Elana Wilson Rowe, Stina Torjesen, 2008-10-06 This book examines the place of multilateralism in Russia's foreign policy and Russia's engagement with multilateral institutions Throughout the post Soviet period both Yeltsin and Putin consistently professed a deep attachment to the principles of multilateralism However multilateralism as a value concept strategy or general phenomenon in Russian foreign policy has hitherto been neglected by scholars seldom assessed in its own right or from a comparative perspective This book fills that gap combining wider conceptual perspectives on the place of multilateralism in Russian foreign policy thought and action with detailed empirical case studies of Russian engagement at the global transatlantic and European levels and also in Russia's regional environment It examines Russia's role and relationship with the UN NATO G8 EU OSCE Arctic Council Eurasian Economic Community Commonwealth of Independent States Shanghai Cooperation Organization and Collective Security Treaty Organization covering a wide range of issue areas including nuclear non proliferation and trade Throughout it considers the political economic and security interests that shape Russia foreign relations conception of multilateralism and activity in multilateral settings Overall this book is an important resource for anyone interested in Russian foreign policy and its role in international relations more generally

Russia's Great Reforms, 1855-1881 Ben Eklof, John Bushnell, Larissa Zakharova, 1994-06-22 The Great Reforms undertaken during the reign of Alexander II represented a unique attempt by the tsarist government to restructure virtually every aspect of Russian life beginning with the emancipation of the serfs and continuing through reforms of local government the judiciary the military education the financial system censorship and other domains This volume the work of an international group of scholars that includes historians from Russia maps out the major landmarks in the conceptualization and implementation of the Great Reforms during the reign of Alexander II and proposes a variety of perspectives from which to view them From publisher's description

Struggling Russia, 1919

The Use and Abuse of Sovietology Leopold

ÅñabÄñdÅ°,1989-01-01 This is a work by a fighter a thinker and an idealist Leo Labedz is a fighter who minces no words in his contempt for the apologists of totalitarianism He never rests in his efforts to enlarge the scope of human freedom and many have felt the sharp edge of his political scalpel He is a thinker with a penetrating mind and encyclopedic knowledge He is an idealist who believes in sacrificing for the just cause to which he has dedicated his life With these words of extraordinary praise Zbigniew Brzezinski opens this volume of critical and polemical essays by Leopold Labedz His knowledge of Soviet affairs as seen through the eyes of the crusaders and critics of the Modern Russian State is peerless Chapters which include major studies of Alexandr Solzhenitsyn George Orwell Noam Chomsky George Kennan and Leszek Kolakowski among others establish Labedz as among the most incisive analysts of Soviet affairs as well as those who presume special expertise in this arcane field Labedz's impassioned writing covers not only Sovietologists but also the major fault lines with which totalitarian systems have been uniquely identified His writings on the Holocaust student revolt European unity and the meaning of detente help provide a perspective with which to assess present moods and policies within the still ever present Soviet bloc The anthology was prepared and edited by Melvin J Lasky the editor of Encounter in which many of these materials initially appeared *Russia's Fate Through Russian Eyes* Heyward Isham,2019-06-21 The young Russian men and women who record in these pages the hopes fears triumphs and tragedies their country has undergone in recent years altering their own lives profoundly in the process all come from the first post Soviet generation to achieve positions of leadership in Russia They report on five challenges central to Russia's survival and stabilization reshaping the state coping with new economic rules striving toward the rule of law building a civil society and preserving the national culture and educational capacity They love their country while understanding all too well the crippling psychological legacy of seventy years of a dictatorship that was both cunning and cruel in dispensing a plausible utopian myth and exacting extraordinary sacrifices in the name of that myth They understand the acute sense of disorientation that overcame all generations when the USSR abruptly dissolved in 1991 and the Communist Party simultaneously lost much if not all of its power As several of our authors recall it was like waking up one morning and finding yourself a citizen of an entirely different country meanwhile discovering that your parents were not your real parents and that you had acquired a brand new surname

Russia-China Relations in the Post-Crisis International Order Marcin Kaczmarek,2015-03-24 The book explores developments in Russia China relations in the aftermath of the global economic crisis arguing that the crisis transformed their bilateral affairs regional liaisons and crucially altered the roles both states play on the international arena Discussing how Russo Chinese cooperation has accelerated in energy trade arms sales and in the Russian Far East the focus is on how the still mutually advantageous relationship has become more asymmetric than ever reflecting China's meteoric rise and Russia's decline These dynamics are explored through three perspectives domestic regional and global Domestically the book traces the role of political coalitions and key interest groups involved in how the two states shape their reciprocal policies

Changes in the regional dimension are examined with particular reference to a new status quo emerging in Central Asia The book concludes by explaining how the changing relationship is affecting the international order including the balance of power vis vis the United States as well as Russia and China s changing attitudes towards global governance **The new politics of Russia** Andrew Monaghan,2024-03-19 This illuminating book explains how and why Russia s relations with the west have deteriorated to the point of initiating a new era of great power competition An updated version of the bestselling 2016 edition it explores the decline in relations since the early 2000s taking in the war in Syria and the 2022 escalation in Russia s invasion of Ukraine Beyond geopolitical considerations the book delves into the nature of power in Russia itself providing an in depth examination of the networks of influence that define the country s political landscape In doing so it moves beyond the simplistic Putin centric narratives often found in western accounts offering readers a fresh perspective on Russian politics Understanding Russia is crucial for western leaders seeking to establish stable and constructive relations in the future The new politics of Russia serves as a key resource challenging conventional wisdom and unpicking the complex dynamics at play in the relationship between Russia and the west Marxist Governments Bogdan Szajkowski,1981-06-18

Russia Roderic Braithwaite,2022-10-04 An expert historian and former ambassador to Moscow unlocks fact from fiction to reveal what lies at the root of the Russian story Churchill remarked that Russia is a riddle wrapped in a mystery inside an enigma That has become an excuse for intellectual laziness Russia is not all that different from anywhere else But you have to disentangle the facts from the myths created both by the Russians themselves and by those who dislike them In this dynamic new history Rodric Braithwaite Russia expert and former ambassador to Moscow does exactly that unpicking fact from fiction to discover what lies at the root of the Russian story Russia is the largest country in the world with the largest arsenal of nuclear weapons Over a thousand years this multifaceted nation of shifting borders has been known as Rus Muscovy the Russian Empire and the Soviet Union Thirty years ago it was reinvented as the Russian Federation Like the rest of us the Russians constantly rewrite their history They too omit episodes of national disgrace in favor of patriotic anecdotes sometimes more rooted in myth than reality Russia is not an enigma but its past is violent tragic sometimes glorious and always complicated **Russia Rising** Dimitar Bechev,Nicu Popescu,Stanislav Secieru,2021-07-01 The war in Syria has put Russia at the centre of Middle Eastern politics Moscow s return to the region following a prolonged period of absence has enhanced its geopolitical status at a time it has emerged as a rival to the West Yet contrary to the media hype Vladimir Putin is not set to become the new power broker in this strategically important part of the world Co authored by a team of prominent scholars and analysts from the EU US Russia and the Middle East this book explores Russia s role in the Middle East and North Africa the diverse drivers shaping its policy and the response from local players Chapters map out the history of Russian involvement before and after the collapse of the Soviet Union the impact on key issues such as security and defence regional conflicts arms trade and energy as well as relations influential states and country clusters such as Iran the

Gulf Turkey Israel Egypt and the Maghreb It also looks at how the Middle East impacts on Russia's relations with the West The book offers a balanced assessment of Russian influence highlighting both the political diplomatic and commercial gains made thanks to Putin's decision in September 2015 to intervene militarily in Syria and the constraints preventing Moscow from replacing the United States as a regional hegemon **The Great Powers and the European States System**

1814-1914 Roy Bridge, Roger Bullen, 2014-01-14 This book illuminates in the form of a clear well paced and student friendly analytical narrative the functioning of the European states system in its heyday the crucial century between the defeat of Napoleon in 1814 and the outbreak of the First World War just one hundred years later In this substantially revised and expanded version of the text the author has included the results of the latest research a body of additional information and a number of carefully designed maps that will make the subject even more accessible to readers **With the Russians in**
