Russia Under Yeltsin And Putin Neo Liberal Autocracy:

Russia Under Yeltsin And Putin Boris Kagarlitsky,2002-01-20 Leading Marxist thinkers re evaluate Trotsky s key theories an ideal introduction for students

Russia Under Yeltsin and Putin Boris Kagarlitsky,2002-01-20 Russia has undergone more seismic changes over the last 100 years than almost any other country The 1917 Revolution the rapid industrialisation of the 1930s the following devastation of the Second World War and the present return to Capitalism has seen the deep impoverishment of the entire population Kagarlitsky shows how to understand these changes and how to characterise the complex process of reform revolution and counter revolution Looking in detail at the nature of Russian society and politics since 1990 Kagarlitsky offers an introductory political analysis of the major political and economic developments that have taken place under President Yeltsin and the legacy he bequeathed so unexpectedly to his successor Putin He focuses on the role of the media in post Soviet Russia corporate structures and their influence on social conflict the formation of the oligarchy and the role of the left in modern Russia

Good Governance in the Era of Global Neoliberalism Jolle Demmers,Alex E. Fernández Jilberto,Barbara Hogenboom,2004 By making use of a wide range of in depth case studies from various developing countries and post communist states this book analyzes the causes and effects of neoliberal restructuring and the process of depolitization that went with it The contributors critically examine the contradictory nature of good governance and the consequences that have been seen to go with it This important book provides a contribution to the literature on good governance It will provide and interesting read for those with an interest in economics and development studies as well as being useful to policy makers and non governmental organizations

BOOK JACKET *Historical Dictionary of the Russian Federation* Robert A. Saunders,2019-09-20 Straddling Europe and Asia the Russian Federation is the largest country in the world and home to a panoply of religious and ethnic groups from the Muslim Tatars to the Buddhist Buryats Over the past 40 years Russia has experienced the most dramatic transformation of any modern state The second edition of *Historical Dictionary of the Russian Federation* provides insight into this rapidly developing country This volume includes coverage of pivotal movements events and persons in the late Soviet Union 1985 1991 and contemporary Russia 1991 present This second edition of *Historical Dictionary of the Russian Federation* contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Russia

Russian Leaders Alexander Dragomiroff,2002 Russian Leaders A Bibliography With Indexes

The State and Big Business in Russia Tina Jennings,2021-12-28 This book presents a study of the complex relationship between the Russian state and big business during Vladimir Putin s first two presidential terms 2000 2008 Based on extensive original research it focuses on the interaction of Russia s political executive with the oligarchs It shows how Putin s crackdown on this elite group led big business to accept new rules of the game and

how this was accompanied by the involvement of big business in policy formulation particularly through the organisational vehicle of the Russian Union of Industrialists and Entrepreneurs RSPP It goes on to discuss why Yukos and its CEO Mikhail Khodorkovsky were targeted by Russia's political authorities and the resultant consequences namely the end of the relatively successful framework via which state business relations had been managed and its replacement by fear and mutual distrust along with a vastly expanded role for the state and state related actors in the Russian corporate sector The book explores all these developments in detail and sets them against the context of continued trends towards greater authoritarianism in Russia

Russia in the Twentieth Century David R. Marples, 2014-01-14 The history of Russia as the natural successor to the Soviet Union is of crucial importance to understanding why communism ultimately lost out to Western democracy and the free market system David Marples presents a balanced overview of 20th century Russian history and shows that although contemporary Russia has retained many of the practices and memories of the Soviet period it is not about to revert back to the Soviet example

Creating Russophobia Guy Mettan, 2017-06-29 Why do the USA UK and Europe so hate Russia How is it that Western antipathy once thought due to anti Communism could be so easily revived over a crisis in distant Ukraine against a Russia no longer communist Why does the West accuse Russia of empire building when 15 states once part of the defunct Warsaw Pact are now part of NATO and NATO troops now flank the Russian border These are only some of the questions Creating Russophobia investigates Mettan begins by showing the strength of the prejudice against Russia through the Western response to a series of events the Uberlingen mid air collision the Beslan hostage taking the Ossetia War the Sochi Olympics and the crisis in Ukraine He then delves into the historical religious ideological and geopolitical roots of the detestation of Russia in various European nations over thirteen centuries since Charlemagne competed with Byzantium for the title of heir to the Roman Empire Mettan examines the geopolitical machinations expressed in those times through the medium of religion leading to the great Christian schism between Germanic Rome and Byzantium and the European Crusades against Russian Orthodoxy This history of taboos prejudices and propaganda directed against the Orthodox Church provides the mythic foundations that shaped Western disdain for contemporary Russia From the religious and imperial rivalry created by Charlemagne and the papacy to the genesis of French English German and then American Russophobia the West has been engaged in more or less violent hostilities against Russia for a thousand years Contemporary Russophobia is manufactured through the construction of an anti Russian discourse in the media and the diplomatic world and the fabrication and demonization of The Bad Guy now personified by Vladimir Putin Both feature in the meta narrative the mythical framework of the ferocious Russian bear ruled with a rod of iron by a vicious president A synthetic reading of all these elements is presented in the light of recent events and in particular of the Ukrainian crisis and the recent American elections showing how all the resources of the West's soft power have been mobilized to impose the tale of bad Russia dreaming of global conquest

[Protest in Putin's Russia](#) Mischa Gabowitsch, 2016-12-27 The Russian protests sparked by

the 2011 Duma election have been widely portrayed as a colourful but inconsequential middle class rebellion confined to Moscow and organized by an unpopular opposition In this sweeping new account of the protests Mischa Gabowitsch challenges these journalistic clichés showing that they stem from wishful thinking and media bias rather than from accurate empirical analysis Drawing on a rich body of material he analyses the biggest wave of demonstrations since the end of the Soviet Union situating them in the context of protest and social movements across Russia as a whole He also explores the legacy of the protests in the new era after Ukraines much larger Maidan protests the crises in Crimea and the Donbass and Putins ultra conservative turn As the first full length study of the Russian protests this book will be of great value to students and scholars of Russia and to anyone interested in contemporary social movements and political protest [Vodka Politics](#)

Mark Lawrence Schrad, 2014-02-05 Russia is famous for its vodka and its culture of extreme intoxication But just as vodka is central to the lives of many Russians it is also central to understanding Russian history and politics In *Vodka Politics* Mark Lawrence Schrad argues that debilitating societal alcoholism is not hard wired into Russians genetic code but rather their autocratic political system which has long wielded vodka as a tool of statecraft Through a series of historical investigations stretching from Ivan the Terrible through Vladimir Putin *Vodka Politics* presents the secret history of the Russian state itself a history that is drenched in liquor Scrutinizing rather than dismissing the role of alcohol in Russian politics yields a more nuanced understanding of Russian history itself from palace intrigues under the tsars to the drunken antics of Soviet and post Soviet leadership vodka is there in abundance Beyond vivid anecdotes Schrad scours original documents and archival evidence to answer provocative historical questions How have Russias rulers used alcohol to solidify their autocratic rule What role did alcohol play in tsarist coups Was Nicholas IIs ill fated prohibition a catalyst for the Bolshevik Revolution Could the Soviet Union have become a world power without liquor How did vodka politics contribute to the collapse of both communism and public health in the 1990s How can the Kremlin overcome vodkas hurdles to produce greater social well being prosperity and democracy into the future Viewing Russian history through the bottom of the vodka bottle helps us to understand why the liquor question remains important to Russian high politics even today almost a century after the issue had been put to bed in most every other modern state Indeed recognizing and confronting vodkas devastating political legacies may be the greatest political challenge for this generation of Russias leadership as well as the next [Historical Dictionary of the Chechen Conflict](#)

Ali Askerov, 2015-04-22 Since the escalation of the war in the North Caucasus in the eighteenth century the political map of the world has changed repeatedly and dramatically and many major wars and bloody revolutions ripped through the world But the nature of the struggle between Russia and Chechnya is still the same The former wants to dominate Chechnya coercively while the latter wants to win its freedom from Russia by force Due to the power asymmetry of the sides to the violent conflicts history has witnessed splendid tactics of guerrilla warfare developed by the fighting people of the region The *Historical Dictionary of the Chechen Conflict* covers its history through a chronology and

introductory essay appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about the Chechen conflict Fragile Empire Ben Judah,2013-04-15 A beautifully written and very lively study of Russia that argues that the political order created by Vladimir Putin is stagnating Financial Times From Kaliningrad on the Baltic to the Russian Far East journalist Ben Judah has traveled throughout Russia and the former Soviet republics conducting extensive interviews with President Vladimir Putin s friends foes and colleagues government officials business tycoons mobsters and ordinary Russian citizens Fragile Empire is the fruit of Judah s thorough research A probing assessment of Putin s rise to power and what it has meant for Russia and her people Despite a propaganda program intent on maintaining the cliché of stability Putin s regime was suddenly confronted in December 2011 by a highly public protest movement that told a different side of the story Judah argues that Putinism has brought economic growth to Russia but also weaker institutions and this contradiction leads to instability The author explores both Putin s successes and his failed promises taking into account the impact of a new middle class and a new generation the Internet social activism and globalization on the president s impending leadership crisis Can Russia avoid the crisis of Putinism Judah offers original and up to the minute answers A dynamic account of the rise and fall in progress of Russian President Vladimir Putin Publishers Weekly Judah shuttles to and fro across Russia s vast terrain finding criminals liars fascists and crooked politicians as well as the occasional saintly figure The Economist His lively account of his remote adventures forms the most enjoyable part of Fragile Empire and puts me in mind of Chekhov s famous 1890 journey to Sakhalin Island The Guardian Studying Russia and its Wars ,2025-11-27 Russia s invasion of Ukraine took by surprise not only politicians in many countries but also experts who for many years after the end of the Cold War were confident of the growing mutual interdependence between Russian and European economies and in the changing function of borders from dividing to connecting Most scholars have not only overlooked the aggressive potential inherent in the seemingly innocent calls for multipolarity carried out by the Russian leadership This book discusses how the current war in Ukraine makes the scholarly community reconsider previous assumptions of Russia s domestic regime and security policies and think of novel approaches to study the Russia produced insecurities This edited volume calls for a scholarly audit of the academic legacy that has prevented most researchers and public intellectuals from not only predicting but also considering as a serious possibility the full scale war that Russia unleashed against Ukraine Contributors are Fran oise Dauc Dinissa Duvanova Vladimir Gelman Ivan Gomza Sanshiro Hosaka Ailaksei Kazharski Ivan U K yszcz Yulia Kurnyshova Andrey Makarychev Katalin Mikl ssy Anselm Schmidt and Kirill Shamiev **Russian Politics and Society** Richard Sakwa,2020-08-16 Fully revised and updated to reflect the considerable changes in Russia over the last decade the fifth edition of this classic text builds on the strengths of previous editions to provide a comprehensive and sophisticated analysis of Russian politics and

society The new edition incorporates the latest debates about Russian politics analysing recent institutional and political developments and examines the electoral cycle and prospects of the president elected at the end of the process New to this edition an evaluation of Putin's leadership and the country's political performance under him updated election results and demographic social ethnic national statistics to include results of the 2010 census changes in the party system to electoral legislation and to the composition of parliament as well as the relationship between the executive and legislature coverage of the constitutional changes and governmental appointments under the various prime ministers more analysis of economic performance including discussion of the energy sector and pipeline politics changes in Russian foreign policy since EU enlargement its relationship with NATO since the reset as well as its relations with post Soviet states assessment of the military reforms and security and defence policy debates over the question of democracy in Russia today the nature of the system and its future prospects Written in an accessible and lively style this book is packed with detailed information on the central debates and issues in Russia's difficult transformation An unrivalled textbook on the subject it is essential reading for all those concerned with the fate of Russia and with the future of international society

The Politics of Nuclear Disarmament Tim Street, 2021-04-21 This book explores what political conditions must be established and what obstacles overcome for the five official Nuclear Weapon States NWS China France Russia the UK and US to eliminate their nuclear weapons The different views and positions of a range of actors concerning nuclear weapons issues including elite perspectives and public opinion and the political assumptions underpinning them are discussed to develop a more democratic approach to disarmament Addressing the lack of detailed analysis concerning the meaning of nuclear disarmament for the domestic political orders of NWS the book critically explores different approaches to and theories of disarmament within legal political and technical literatures and orthodox and critical theory It also builds on previous discussions of nuclear possession restraint arms control and disarmament concerning both nuclear possessor and non possessor states identifying the insights these works provide regarding how NWS disarmament may be advanced Contributing to theoretical debates concerning how domestic politics interacts with and determines states international behaviour the book will be of interest to all scholars and students of history politics international relations security studies military history war studies peace studies conflict democracy and global governance

The Liberal Script at the Beginning of the 21st Century Tanja A. Börzel, Johannes Gerschewski, Michael Zürn, 2024-10-10 This is an open access title available under the terms of a CC BY NC ND 4.0

International licence It is free to read at Oxford Academic and offered as a free PDF download from OUP and selected open access locations 21st century liberalism is being contested on multiple fronts and by a wide range of actors To understand these challengers it is important to have a better grasp of their common target This book introduces the liberal script as an analytical concept that allows us to analyze and problematize liberal thinking as well as its different components and linkages and the tensions that they produce What happens when the pursuit of market efficiency is incompatible with social justice It is these tensions between the different components of the liberal script that are at the heart of the challenges against it Different societies have resolved these tensions in different ways leading to a variety of liberal subscripts and their contestations The volume integrates theoretical and methodological perspectives from different disciplines including political science sociology law history philosophy post colonial studies and educational science In demonstrating the theoretical and empirical added value of using the concept of liberal script the volume presents a multifaceted and nuanced picture of what is at stake in the challenges to liberalism in the early 21st century This volume has emerged from research carried out as part of the Cluster of Excellence Contestations of the Liberal Script SCRIPTS which analyzes the contemporary controversies about liberal ideas institutions and practices on the national and international level from a historical global and comparative perspective It connects academic expertise in the social sciences and area studies and collaborates with research institutions in all world regions Operating since 2019 and funded by the German Research Foundation DFG SCRIPTS unites eight major Berlin based research institutions Freie Universit t Berlin the Humboldt Universit t zu Berlin the Berlin Social Science Center WZB the Hertie School the German Institute for Economic Research DIW the Berlin branch of the German Institute of Global and Area Studies GIGA the Centre for East European and International Studies ZOiS and the Leibniz Zentrum Moderner Orient ZMO

Flawed Succession Uri Ra'anan, 2006-01-01 This authoritative study examines Russia's four key succession crises after Stalin's death throughout Khrushchev's primacy during the implosion of the USSR and with Putin's ascent to power The distinguished authors argue that the common denominator has been the absence of a transparent non arbitrary and lawful mechanism for the transfer of political power Consequently contenders for leadership have engaged in vicious power struggles followed by pseudo legitimization of the victor As Moscow reemerges as a major international actor its unpredictability domestically triggers after shocks well beyond Russia's borders Drawing on newly available primary sources this book provides essential insights for practitioners and students of policy alike

Marx, Lenin, and the Revolutionary Experience Paul LeBlanc, 2014-06-03 Marx Lenin and the Revolutionary Experience offers a fresh look at Communism both the bad and good and also touches on anarchism Christian theory conservatism liberalism Marxism and more to argue for the enduring relevance of Karl Marx and V I Lenin as democratic revolutionaries It examines the Red Decade of the 1930s and the civil rights movement and the New Left of the 1960s in the United States as well Studying the past to grapple with issues of war and terrorism exploitation hunger ecological crisis and trends toward deadening de spiritualization the book shows

how the revolutionaries of the past are still relevant to today's struggles. It offers a clearly written and carefully reasoned thematic discussion of globalization, Marxism, Christianity and religion in general, Communism, the history of the USSR and US radical and social movements.

Neoliberal Authoritarianism: An Ethnography of Russian Universities Iuliia Gataulina, 2025-09-01. This open access book delves into the politics of oppression and dispossession driven by global neoliberalism and state authoritarianism. Challenging liberal biases, it introduces the concept of neoliberal authoritarianism, highlighting how the Russian state has transformed within the context of neoliberal globalization into a new state formation where authoritarianism is reinforced by neoliberal rationalities. The book analyzes neoliberal authoritarianism through an ethnographic lens on universities and their governance, which have become a new frontier of neoliberal economic development serving the imperatives of growth and competition.

Unveiling the Energy of Verbal Art: An Mental Sojourn through **Russia Under Yeltsin And Putin Neo Liberal Autocracy**

In a world inundated with screens and the cacophony of immediate conversation, the profound energy and psychological resonance of verbal artistry frequently fade in to obscurity, eclipsed by the constant barrage of sound and distractions.
