Russias Fate Through Russian Eyes Voices Of The New Generation

Walter G. Moss

Russia's Fate Through Russian Eyes Voices Of The New Generation:

Russia's Fate Through Russian Eyes Heyward Isham, 2019-06-21 The young Russian men and women who record in these pages the hopes fears triumphs and tragedies their country has undergone in recent years altering their own lives profoundly in the process all come from the first post Soviet generation to achieve positions of leadership in Russia They report on five challenges central to Russia's survival and stabilization reshaping the state coping with new economic rules striving toward the rule of law building a civil society and preserving the national culture and educational capacity They love their country while understanding all too well the crippling psychological legacy of seventy years of a dictatorship that was both cunning and cruel in dispensing a plausible utopian myth and exacting extraordinary sacrifices in the name of that myth They understand the acute sense of disorientation that overcame all generations when the USSR abruptly dissolved in 1991 and the Communist Party simultaneously lost much if not all of its power As several of our authors recall it was like waking up one morning and finding yourself a citizen of an entirely different country meanwhile discovering that your parents were not your real parents and that you had acquired a brand new surname

RUSSIA'S FATE THROUGH RUSSIAN EYES
HEYWARD. ISHAM, 2019

Russian Politics and Society Richard Sakwa, 2008-04-10 Having been fully revised and updated to reflect the considerable changes in Russia over the last decade the fourth edition of this classic text builds on the strengths of the previous editions to provide a comprehensive and sophisticated analysis on Russian politics and society New to this edition extended coverage of electoral laws party development and regional politics new chapter on the phoney democracy period 1991-93 historical evaluation of Yeltsin's leadership full coverage of Putin's presidency discussion of the development of civil society and the problems of democratic consolidation latest developments in the Chechnya conflict more on foreign policy issues the re-introduction of the Russian Constitution as an appendix an updated Select Bibliography more focus on the challenges facing Russia in the twenty-first century Written in an accessible and lively style this book is packed with detailed information on the central debates and issues in Russia's difficult transformation This makes it the best available textbook on the subject and is essential reading for all those concerned with the fate of Russia and with the future of international society

Sexuality and Gender in Postcommunist Eastern Europe and Russia Edmond J Coleman, Theo Sandfort, 2014-05-22 Important new findings on sex and gender in the former Soviet Bloc *Sexuality and Gender in Postcommunist Eastern Europe and Russia* is a groundbreaking look at the new sexual reality in Central Eastern and Southeast Europe after the fall of communism The book presents the kind of candid discussion of sexual identities sexual politics and gender arrangements that was often censored and rarely discussed openly before the breakup of the Soviet Union in 1987 Authors from a variety of disciplines examine how the changes caused by rapid economic and social transformation have affected human sexuality and if those changes can generate the social tolerance necessary to produce a well-rooted democracy The first theoretical and empirical body of work on sexuality in post-transitional countries *Sexuality*

and Gender in Postcommunist Eastern Europe and Russia examines the effects of the profound social transformation taking place in the former Soviet Union Through an interdisciplinary perspective the book addresses vital issues of this transformation including gender relations gender roles and sex norms in transition sexual representations in the media patterns of adult sexual behavior gay and lesbian issues sex trafficking health risks and sex education The book also presents a critical examination of whether the fall of communism has in fact induced changes in sexuality and gender relations Sexuality and Gender in Postcommunist Eastern Europe and Russia examines the changes in sex and gender in countries in transition including the negative consequences of Serbia s state directed non development during the 1990s the causes and consequences of trafficking in women from the Russian Federation the ongoing debate over human rights for sexual minorities in Romania the effects of two Yugoslavian films released in the 1990s that feature transgender characters sexualities in transition in Croatia problems created by changes in sexual behavior among urban Russian adolescents the social and legal state of lesbians in Slovenia Sexuality and Gender in Postcommunist Eastern Europe and Russia fills in the gap in the current knowledge and understanding of the effects of the profound social changes taking place in Central Eastern and Southeast Europe The book is an essential read for academics and researchers working in gender studies political science and gay and lesbian studies Handy tables and figures make the information easy to access and understand

Russian Provincial Society Juri Plusnin, 2022-06-21 This book presents a unique analysis of modern Russian provincial society Based on detailed empirical evidence it develops a theoretical model of Russian provincial society in the late 20th century and the early 21st century The book explains how under the conditions of catastrophic changes Russian provincial societies have undergone a structural transformation It further sheds light on the transformation of the economic behavior of the population and households with regard to economic practices crafts and revived archaic forms of labor behavior Summarizing the extensive empirical evidence the book puts forward the concept of complementarity of two social structures at the local level a ground soft communal structure and a tightening with an iron hoop estate state structure Next it discusses the stability and resistance of the local social structure to external political disturbances Based on the presented analysis the book introduces several independent criteria on the basis of which it establishes the typology of all empirically observed forms of societies Subsequently the book identifies six main types of Russian provincial societies It explains how depending on the type the different societies either adapt to political and economic changes in different ways stay unchanged or transform their structure The book will appeal to students scholars and researchers of economics political science sociology and anthropology interested in a better understanding of transformation studies population and household economics provincial societies as well as Russian societal structures Russia's Policy Challenges Stephen K. Wegren, 2016-07-08 Designed for use in courses on contemporary Russia this volume explores Russia s policy dilemmas in three realms international security socio political and socio economic In each of these categories Russia faces daunting

problems none of which is likely to be resolved quickly or easily Yet over the longer term the extent to which policymakers are successful in dealing with these challenges will go far in determining Russia's future place in the world how Russians will live and what kind of country Russia becomes Each expertly authored chapter outlines the nature of one major issue traces its evolution and policy developments under the Yeltsin and Putin presidencies and evaluates the effectiveness and prospects of efforts to come to grips with the challenge

Russian Society and the Orthodox Church Zoe Knox,2004-06-02 Russian Society and the Orthodox Church examines the Russian Orthodox Church's social and political role and its relationship to civil society in post Communist Russia It shows how Orthodox prelates clergy and laity have shaped Russians attitudes towards religious and ideological pluralism which in turn have influenced the ways in which Russians understand civil society including those of its features pluralism and freedom of conscience that are essential for a functioning democracy It shows how the official church including the Moscow Patriarchate has impeded the development of civil society while on the other hand the non official church including nonconformist clergy and lay activists has promoted concepts central to civil society

A History Of Russia Volume 2 Walter G. Moss,2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world

The Many Deaths of Tsar Nicholas II Wendy Slater,2007-06-26 How did Nicholas II Russia's last Tsar meet his death This book recounts the horrific details of his death and the thrilling discovery of the bones and also investigates the alternative narratives that have grown up around these events

Economies of Violence Jennifer Suchland,2015-07-23 Recent human rights campaigns against sex trafficking have focused on individual victims treating trafficking as a criminal aberration in an otherwise just economic order In *Economies of Violence* Jennifer Suchland directly critiques these explanations and approaches as they obscure the reality that trafficking is symptomatic of complex economic and social dynamics and the economies of violence that sustain them Examining United Nations proceedings on women's rights issues government and NGO anti trafficking policies and campaigns by feminist activists Suchland contends that trafficking must be understood not solely as a criminal gendered and sexualized phenomenon but as operating within global systems of precarious labor neoliberalism and the transition from socialist to capitalist economies in the former Soviet Union and Eastern Bloc In shifting the focus away from individual victims and by underscoring trafficking's economic and social causes Suchland provides a foundation for building more robust methods for combatting human trafficking

Reforging the Weakest Link Neil Robinson,2019-06-04 Originally published in 2004 The collapse of the USSR and the emergence of 15 new states from its ashes presents another challenge to the global economy how to reintegrate the post Soviet space into the international economy The spread of liberal market ideology and integration

of national economic spaces into a global marketplace faces unique difficulties in the former USSR This insightful volume explains these challenges showing how Soviet legacies have worked against a smooth re entry of Russia Ukraine and Belarus into the global economy It also demonstrates how and why global economic forces have had very uneven effects in the area how the area differs from other parts of the post communist world where reintegration has proceeded more smoothly and what the future prospects and political implications are for the region in the global economy [Routledge Handbook of European Sociology](#) Sokratis Koniorodos,Alexandros Kyrtis,2014-09-04 The Routledge Handbook of European Sociology provides over forty original groundbreaking state of the art accounts each expert contribution teasing out the distinctively European features of the sociological theme it explores The Handbook is divided in four parts intellectual and institutional settings regional variations thematic variations and European concerns

Contemporary Women's Movements in Hungary Katalin Fábíán,2009-10-14 As the first and only book in any language on contemporary women s movements in Hungary this groundbreaking study focuses on the role of women s activism in a society where women are not yet adequately represented by established parties and political institutions Drawing on eyewitness accounts of meetings and protests as well as first person interviews with leading female activists Katalin Fábíán examines the interactions between women s groups in Hungary and studies the unique brand of democracy they have forged in postcommunist Eastern Europe Through her analysis she demonstrates how democratization and globalization with their attendant range of challenges and opportunities have led women to redefine public private divides [The Bibliographical Dictionary of Russian and Soviet Economists](#)

Robert Campbell,2012-08-21 Despite the restrictions on their work and actions the economists of the Soviet period produced a great deal of bold and important work With the erosion of the old Stalinist controls economists in the Soviet Union themselves became very interested in the history of their profession not least in order to find authentic voices that might offer reinforcement or counterpoint to the policy analyses and recommendations with which policy makers in the transition countries are today being bombarded This major new reference work pulls together many years of research in order to present a bio bibliographic dictionary of Russian and Soviet economists many of whom have previously had no coherent record compiled of their careers achievements and wider significance Through exploring this rich tradition of economic thought we can go some way in understanding the role of economists in the functioning of the Soviet system as well as bringing previously forgotten work to light raising new questions and providing a memorial to those who suffered as a result of the system This hugely detailed and important new volume takes into account all the nuances of the story of Russian and Soviet economic thought such as regional issues the reform and transition to a market economy and the economic output of non economists Featuring nearly 500 entries and including a detailed contextual introduction this landmark volume will be a vitally important reference work for all those with an interest in the history of economic thought the history of economics and Russian and Soviet history more generally [Unlearning the Soviet Tongue](#) Natalia Kovalyova,2014-09-24 How do countries

democratize What route does the way out of totalitarianism take Students of Russian politics have pursued answers to these questions by surveying Russians on a variety of attitudes beliefs norms and practices This book attends to political discourse to demonstrate how it creates and constraints political opportunities It examines an important period of Russian political history from Boris Yeltsin's second presidential election in 1996 when democracy was pronounced victorious through its gradual slide toward authoritarian practices during Vladimir Putin's initial two terms in office and to the election of his protégé Dmitry Medvedev in 2008 This analysis challenges the assertions of Russian democracy as doomed by the governing rationalities of the elites Likewise it refutes the notion of Russians as an apathetic nation in chronic need of a strong hand It argues that if we are to understand how Russia lives how it endures and how it can change we need to pay attention to the discourses that shape Russian political identities and the nation's political future

Religion, Morality, and Community in Post-Soviet Societies Mark D. Steinberg, Catherine Wanner, 2008-11-13 This collection reveals the presence and power of religious belief and practice in public life after the demise of Soviet socialism Based on recent research and interdisciplinary methodologies Religion Morality and Community in Post Soviet Societies examines how religious organizations and individuals engage the changing and troubled environment in which they live which presents expanded civil freedom but much everyday uncertainty unhappiness injustice and suffering Page 4 of cover Civilization, 2000-10 The magazine of the Library of Congress

A History of Russia: Since 1855 Walter Moss, 2002 **A History of Russia** Catherine Evtuhov, Richard Stites, 2004 A History of Russia Peoples Legends Events Forces is a comprehensive narrative conceived and developed after the collapse of the former Soviet Union As such the text written by foremost scholars in Russian History has been informed by the burgeoning historiography of the 1990s Features unique to this text include the blending of straight forward chronological political narrative with superior accessible treatment of sophisticated intellectual and cultural traditions as well as popular culture and its foundations and continuities the role of historical memory and the social and cultural role of religion and devotional life coverage of gender issues inclusion of the various ethnic groups and nationalities that formed the Russian Empire and Soviet Union with attention to both their roles and their perspectives and modern easily read maps placed within larger geographical context that will enhance reader comprehension Back cover
