Russias Little America:

Little America Erik Paul,2006-09-20 Australia is one of the US s most staunch supporters Australia has sent troops to Iraq and is an ally in the war on terror Australian domestic policy also follows the US economic model as state industries and services have been privatised Erik Paul dissects the relationship between Australia and the US He explores how Australia has become a key player in maintaining American dominance in South East Asia and looks critically at the contrast between the Australian wealth and the comparative poverty of surrounding nations Examining the influence of neoconservative imperialism on Australia s economic and military strategies he draws some startling conclusions about future Australian relationships in East Asia in particular its relationship with China *A Little America in Western Australia* Anthony J. Barker,2015 In 1963 the US Naval Communication Station at North West Cape in Western Australia became the first US defense facility to be established on Australian soil in peacetime During America s Cold War struggle against communism North West Cape s primary function was to communicate with the US fleet in the Indian and Western Pacific Oceans especially nuclear missile submarines the Navy s most powerful deterrent force Seen as a vital outpost of US defense throughout the 1960s and 1970s the whole venture was just as monumental for Australia This book represents an important and long overdue history of the significance of North West Cape for Australia US relations and Australian politics paying special attention to the town of Exmouth that was uniquely created to support the base Drawing on archival records and oral interviews *A Little America in Western Australia* brings to light the experiences of Australian civilians and US Navy personnel in a fascinating and often humorous portrait of life at the Cape Librarians ebook available on ProQuest and EBSCO welcome addition to military and nautical history collections highly recommended especially for college library shelves Midwest Book Review Library Bookwatch September 2015 The Nautical Shelf Subject Military History Naval Studies US Studies Australian Studies Politics *Russia's Little America* George J. Beimers,2003-11-01 *The Limits of Russian Democratisation* Alexander Domrin,2006-04-18 Written by an established scholar in the field this text examines the nature of emergency powers and their use in the Russian constitution It explores the use of such powers in Russian history comparing the Russian situation with those that exist in other countries and discussing the legal thought underpinning such powers The practicalities and theories of emergency orders are traced throughout history with Dormin arguing that the longer an emergency regime lasts the less effective the measure becomes With original research and remarkable insight this text will be of interest to scholars examining the new Russia its rulers conflicts and motives as well as its political systems **An Accompaniment to Mitchell's Map of the World, on Mercator's Projection** Samuel Augustus Mitchell,1846 *Russian America* United States. white stone walls within the enclosure All were in holiday dress and looked at one another cheerily It appeared as if the inhabitants of this town lived peacefully and amicably even happily But it was only in appearance Peredonov a schoolmaster in the gymnasia stood among his friends and as he looked at them gravely out of his small stealthy eyes across the golden rims of his spectacles he remarked Princess Volchanskaya herself made the promise to Vara As soon she said as you marry him I ll hunt up an inspector s job for him But how can you think of marrying Varvara Dmitrievna asked the red faced Falastov She s your first cousin Everyone laughed Peredonov s usually rosy unconcerned somnolent face showed anger Second cousin he said gruffly as he looked angrily past his companions Did the Princess give you the promise herself asked Routilov a tall pale smartly dressed man She didn t give it to me but to Vara answered Peredonov Of course you are ready to believe all she tells you said Routilov with animation It s easy enough to make up a tale Why didn t you see the Princess herself This is how it was I went with Vara but we didn t find her in missed her by just five minutes explained Peredonov She had gone to the country and wouldn t be back for three weeks or so I couldn t wait for her because I had to be back here for the exams It sounds suspicious laughed Routilov showing his yellow teeth Peredonov grew thoughtful His companions left him Routilov alone remained Of course said Peredonov I can marry whom I like Varvara is not the only one You re quite right Ardalyon Borisitch anyone would be glad to marry you Routilov encouraged him They passed out of the gate and walked slowly in the unpaved and dusty square Peredonov said But what about the Princess She ll be angry if I chuck Varvara What s the Princess to you said Routilov You re not going with her to a kitten s christening She ought to get you the billet first There ll be time enough to tie yourself up you re taking things too much on trust That s true agreed Peredonov irresolutely You ought to say to Varvara said Routilov persuasively First the billet my dear girl then I ll believe you Once you get your place you can marry whom you like You d better take one of my sisters your choice of the three Smart educated young ladies any one of them I can say without flattery a queen to Varvara She s not fit to tie their shoe strings Go on shouted Peredonov It s true What s your Varvara Here smell this Routilov bent down broke off a fleecy stalk of henbane crumpled it up in his hand together with the leaves and dirty white flowers and crushing it all between his fingers put it under Peredonov s nose The heavy unpleasant odour made Peredonov frown Routilov observed To crush like this and to throw away there s your Varvara for you there s a big difference between her and my sisters let me tell you my good fellow They are fine lively girls take the one you like but you needn t be afraid of getting bored with any of them They re quite young too the eldest is three times younger than your Varvara Routilov said all this in his usual brisk and happy manner smiling but he was tall and narrow chested and seemed consumptive and frail while from under his new and fashionable hat his scant close trimmed bright hair stuck out pitifully No less than three times observed Peredonov dryly as he took off his spectacles and began to wipe them It s true enough exclaimed Routilov But you d better look out and don t be slow about it while I m alive they too have a good opinion of themselves if you try later you may be too late Any one of them would have you with great pleasure **The**
