The Supreme Vocation of Women Melissa Maleski,2020-07-25 Melissa Maleski s straightforward engaging prose introduces you to the bracing universal truths

of the Church about the inherent strength and supreme vocation of womanhood Women of the Bible and Contemporary Women of Faith Jacqueline George, 2017-09-22 This book focuses on a selected sample of women of faith from the Bible to contemporary times It addresses how these women have been change agents in multiple facets of life including in the family in politics and in the wider society While their underlying connection can be seen as their faith in God and their willingness to serve their vulnerability has also been evident For the reader seeking to increase his or her faith in God and develop a closer spiritual walk and for any whose interest lies in recognizing the similarities between biblical times and the present this review that ranges from Eve through Mother Teresa through Oprah and Malala should be a must read **Believer's Bible Commentary** William MacDonald, 2016-08-16 Make Bible study a part of your daily life with the thorough yet easy to read commentary that turns complicated theology into practical understanding The second edition of Believer's Bible Commentary is a one volume guide that helps the average reader develop basic knowledge of the Bible This commentary written by the late William MacDonald explores the deeper meanings of every biblical book and tackles controversial issues from a theologically conservative standpoint while also presenting alternative views Serving as a friendly introduction to Bible study Believer's Bible Commentary gives clarity and context to scripture in easy to understand language Features Introductions notes and bibliographies for each book of the Bible A balanced approach to linguistic studies and useful application Comments on the text are augmented by practical applications of spiritual truths and by a study of typology where appropriate Colorful maps of the Holy Land and other useful study helps Can be used with any Bible translation but is best used with the New King James version *Women at the Well* Kathleen R. Fischer, 1988 Women at the Well is required reading for women who wish to grow spiritually and for every spiritual director pastoral counselor Fischer provides a much needed corrective to the literature on spiritual accompaniment with a method that includes a synthesis of scholarship and the stories of women's lives She addresses issues of power anger and violence against women as well as women's spiritual heritage Katherine M Dyckman SNJM co author Inviting the Mystic Supporting the Prophet and Chaos or Creation Spirituality in Mid Life **Ruth and Esther** Bruce G Epperly, 2016-01-12 How does one read the literature of a patriarchal society in a 21st century context Where can one find good role models for girls and women in the Bible All too often these questions are answered by presenting the answers given by patriarchal society and not by looking for liberating examples It is all too easy to let God's message of setting the captives free ring forth but directed to a limited audience But Ruth and Esther provide strong counter examples of women who had to struggle against the cultural norms in order to live and to do great things for their people All too often these women are excluded from our studies or when included are portrayed as subordinate people But Dr Bruce Epperly pastor father grandfather and theology sees them as women of agency and adventure resourceful and proactive women in patriarchal cultures But despite being subject to the apparently arbitrary decisions of males with authority both women were agents in their destiny fulfilling their vocations in their particular culture

If you are a Christian pastor or teacher you owe it to those in your circle of influence to let them experience these two Bible books in new ways to see them as liberating documents that let everyone know that God doesn't exclude them. From these women of agency and adventure those who find themselves excluded from power can find encouragement to stand up and be the persons of agency and adventure that God created them to be no matter what restrictions others have placed upon them.

The Faith Lives of Women and Girls Nicola Slee, Fran Porter, Anne Phillips, 2016-03-16 Identifying, illuminating and enhancing understanding of key aspects of women and girls' faith lives. *The Faith Lives of Women and Girls* represents a significant body of original qualitative research from practitioners and researchers across the UK. Contributors include new and upcoming researchers as well as more established feminist practical theologians. Chapters provide perspectives on different ages and stages of faith across the life cycle from a range of different cultural and religious contexts. Diverse spiritual practices, beliefs and attachments are explored, including a variety of experiences of liminality in women's faith lives. A range of approaches (ethnographic, oral history, action research, interview studies, case studies and documentary analysis) combine to offer a deeper understanding of women's and girls' faith lives. As well as being of interest to researchers, this book presents resources to enhance ministry to and with women and girls in a variety of settings.

Stolen Identity Marcella Ward, 2019-02-07 Could it be that Satan, after his fall, had a plan to thwart God's plan of salvation by stealing something very valuable to God and us? Has he been working overtime to accomplish his goal? This book will challenge you to be among those who will stand for who you are in Christ, not letting the media, politicians, liberal culture and political correctness ideology dictate or change who you are and meant to be as a reflection of God's image. You will be guided on a journey, falling deeper in love with God the Father, Jesus Christ the Son of God and the Holy Spirit. Great men and women of faith throughout the Bible chose to stand for who they were as well as many modern-day men and women such as Martin Luther King Jr, Mother Teresa, Corrie ten Boom and many others. Their identity, given by God, guided their lives and changed the world. You can change the world as you encounter the tools you need to be who God created you to be. Let's not live in an identity crisis world without showing the world the identity Christ is living in us.
