Matthew John Ryan and Prime Rate and Return, LLC, individually and doing business as American Integrity Financial Co.: Securities and Exchange Commission Litigation Complaint , *The Life and Death of Ryan White* Paul M. Renfro, 2024-10-22 In the 1980s as HIV AIDS ravaged queer communities and communities of color in the United States and beyond a straight white teenager named Ryan White emerged as the face of the epidemic Diagnosed with hemophilia at birth Ryan contracted HIV through contaminated blood products In 1985 he became a household name after he was barred from attending his Indiana middle school As Ryan appeared on nightly news broadcasts and graced the covers of popular magazines he was embraced by music icons and well known athletes achieving a curious kind of stardom Analyzing his struggle and celebrity Paul M Renfro s powerful biography grapples with the contested meanings of Ryan s life death and afterlives As Renfro argues Ryan s fight to attend school forced the American public to reckon with prevailing misconceptions about the AIDS epidemic Yet his story also reinforced the hierarchies at the heart of the AIDS crisis Because the innocent Ryan had contracted HIV through no fault of his own as many put it his story was sometimes used to blame presumably guilty populations for spreading the virus Reexamining Ryan s story through this lens Renfro reveals how the consequences of this stigma continue to pervade policy and cultural understandings of HIV AIDS today First Fantasy Box Set W.J. The Loyal Atlantic Jerry Bannister, Liam Riordan, 2012-01-01 Adding to a dynamic new wave of scholarship in Atlantic history The Loyal Atlantic offers fresh interpretations of the key role played by Loyalty in shaping the early modern British Empire This cohesive collection investigates how Loyalty and the empire were mutually constituted and reconstituted from the eighteenth century onward Featuring contributions by authors from across Canada the United States and the United Kingdom The Loyal Atlantic brings Loyalty into a genuinely international focus Through cutting edge archival research The Loyal Atlantic contextualizes Loyalty within the larger history of the British Empire It also details how far from being a passive allegiance Loyalty changed in unexpected and fascinating ways especially in times of crisis Most importantly The Loyal Atlantic demonstrates that neither the conquest of Canada nor the American Revolution can be properly understood without assessing the meanings of Loyalty in the wider Atlantic world

Lethal Decisions Arthur J. Ammann, 2021-04-30 This first person account by one of the pioneers of HIV AIDS research chronicles the interaction among the pediatric HIV AIDS community regulatory bodies governments and activists over more than three decades After the discovery of AIDS in a handful of infants in 1981 the next fifteen years showed remarkable scientific progress in prevention and treatment although blood banks drug companies and bureaucrats were often slow to act 1996 was a watershed year when scientific and clinical HIV experts called for treating all HIV infected individuals with potent triple combinations of

antiretroviral drugs that had been proven effective Aggressive implementation of prevention and treatment in the United States led to marked declines in the number of HIV related deaths fewer new infections and hospital visits and fewer than one hundred infants born infected each year Inexplicably the World Health Organization recommended withholding treatment for the majority of HIV infected individuals in poor countries and clinical researchers embarked on studies to evaluate inferior treatment approaches even while the pandemic continued to claim the lives of millions of women and children Why did it take an additional twenty years for international health organizations to recommend the treatment and prevention measures that had had such a profound impact on the pandemic in wealthy countries The surprising answers are likely to be debated by medical historians and ethicists At last in 2015 came a universal call for treating all HIV infected individuals with triple combination antiretroviral drugs But this can only be accomplished if the mistakes of the past are rectified The book ends with recommendations on how the pediatric HIV AIDS epidemic can finally be brought to an end

The Padre Jennifer O'Leary, 2023-08-24

For almost two decades Father Patrick Ryan evaded intelligence agencies across Europe. The subject of two unsuccessful extradition requests, he was for a time one of the most wanted men in Britain. In *The Padre*, award-winning investigative journalist Jennifer O'Leary exposes the paramilitary exploits of the notorious former Irish priest and active IRA supporter, revealing sensational details unknown until now. Drawing on highly sensitive information divulged by Ryan during exclusive secret meetings with the author, *The Padre* lifts the lid on the true extent of the priest's involvement with the IRA and their campaign of terror across Europe, Britain and Ireland, from being the link between the IRA and the Gaddafi regime to Ryan's connection to the failed assassination attempt on Margaret Thatcher and her Cabinet. Decades on, Patrick Ryan was unrepentant. If I had ever met Mrs Thatcher, my parting shot would have been, 'I wish you well, mam, but I'm sorry we missed you at Brighton.' *The Padre* tells the truly remarkable story of this man of the cloth and his lifelong struggle with what he in his heart believes to be right and wrong. In an exclusive interview with the author, Ryan chillingly remarked in response to whether he had any regrets: only that I wasn't even more effective, but we didn't do too badly.
