The Mirror of Christianity, Cults, and the Catholic Church

Richard Bennett,2021-05-13 Are we on the brink of a theological war between Conservative Protestant Christianity and the new Charismatic Protestant Christian movement known as the New Apostolic Reformation NAR Are they as demonic as some well known pastors say A very debated question This is a book that must be read by every ex Catholic that perhaps has second thoughts Reading this book is assurance the decision was right And let us not forget those Prosperity preachers who constantly ask for money This book exposes them even to their very core beliefs which are shocking and unbelievable

Sabotage Trinity Jordan,2013-04-02 Without proper respect for ourselves we don t really live connected with God and others the way God has designed During fourteen years of pastoral ministry Trinity Jordan has walked with a lot of people through their struggles What he has noticed is that THIS is really about THAT in their lives The THAT is almost always rooted in insecurity Our unlove lack of confidence and acceptance of ourselves have alienated us from God and others When Jesus says the greatest commandment is to love God and love others as we love ourselves the key in that verse is us loving ourselves Insecurity sabotages the abundant life God has for us here on earth Sabotage deals with the root issues behind our insecurities including comparing ourselves with others lies we tell ourselves discontent and more Addressing these issues will result in healthy relationships across the board coworkers church members spouses children strangers friends family and GOD

Revelation Revealed Jack Van Impe,1997-09-05 Centuries before anyone could make sense of these fantastic warnings the prophets declared that the mysteries of Revelation would not be understood until the Last Days Verse by verse and chapter by chapter Jack Van Impe reviews John s portrait of history s final claims

Perspective S.N. Duru, 2025-04-13 Actions have consequences Since the 1960s many churches have been deconsecrated sold and turned into commercial use Did the post apostolic church follow the easy Broadway or the narrow and difficult way that leads to life That Jesus died for our past present and future sins is not the narrow and difficult way but the easy way that leads to moral decline The United States has produced great preachers There was Billy Sunday Dwight L Moody Evelyn Wyatt Rex Humbard Oral Roberts Robert Schuler and Billy Graham They did their best but the world was better when they started preaching than when they passed away The same will be said about the current batch of preachers This is not prophecy it is ongoing reality The moral decline will continue because the Imperial Church did not fully implement the Great Commission Consequently in 2 000 years the church has done what the Mother Church of Jews and Gentiles would not have done Because of the dissonance between the Gospel of Jesus Christ and the practice thereof disaffected Christians leave and their churches are sold The moral decline can be controlled or reversed Learn about Who opened the Pandora's box The church Establishment Regent or Executor A Moratorium on the Epistles The Deer in the Jungle A Tale of two faith Traditions Christianity for Dummies Prayers for what The case for cultural Populism Capitalism Culture and Empty Pews War and Peace When Pastors Retire This is a must read before leaving this world *The Divine Sabotage* Dan Liroy, 2008-08-18 The concept of the divine sabotage is the starting point for this expositional journey through Ecclesiastes Dan Liroy notes that on the one

hand God has set eternity in the human heart Eccl 3 11a Yet on the other hand no one can fathom what God has done from beginning to end Eccl 3 11b God has imposed limitations on the human race that undermine human efforts to look beyond the present especially to understand the past or probe into the future Expressed differently because people are creatures of time their heavenly imposed finitude subverts their ability to fathom the eternal plan of God The preceding observations help pinpoint why existence often seems vague incongruous and antithetical People are left feeling confused powerless and frustrated And somewhere along the way they begin to ask what life is really all about Solomon who was Israel s wisest and most powerful king also wrestled with these issues and he recorded his observations and conclusions in the book of Ecclesiastes Lioy s objective balanced and affirming examination of Solomon s treatise indicates that the fundamental quality of life is defined by revering God and heeding His commandments Eccl 12 13 He notes that if human existence is likened to a cord made of three strands an analogy based on Ecclesiastes 4 12 it remains coherent and interconnected when God is at the center of one s inner world at the core of one s understanding of the external world and the basis for the significance one derives from life This volume is appropriate for personal study and is also suitable as a college and seminary textbook

The Pentecostal World Michael Wilkinson, Jörg Haustein, 2023-04-01 The Pentecostal World provides a comprehensive and critical introduction to one of the most vibrant and diverse expressions of contemporary Christianity Unlike many books on Pentecostalism this collection of essays from all continents does not attempt to synthesize and simplify the movement s inherent diversity and fragmented dispersion Instead the global flows of Pentecostalism are firmly grounded in local histories and expressions as well as the various modes of their worldwide reproduction The book thus argues for a new understanding of Pentecostal and Charismatic movements that accounts for the simultaneous processes of pluralization and homogenization in contemporary World Christianity Written by a distinguished team of international contributors across various disciplines the volume is comprised of six parts with each offering a critical perspective on classical themes in the study of Pentecostalism Led by a programmatic introduction the thirty six chapters within these parts explore a variety of themes history and historiography conversion spirit beliefs and exorcism prosperity politics gender relations sexual identities racism development migration pilgrimage interreligious relations media ecumenism and academic research The Pentecostal World is essential reading for students and researchers in anthropology history political science religious studies sociology and theology The book will also be very useful for those in related fields such as culture studies black studies ethnic studies and gender studies
