Sacajawea's People John W. W. Mann, 2004-12-01 On October 20 2001 a crowd gathered just east of Salmon Idaho to dedicate the site of the Sacajawea Interpretive Cultural and Education Center in preparation for the Lewis and Clark Bicentennial In a bitter instance of irony the American Indian peoples conducting the ceremony dedicating the land to the tribe the city of Salmon and the nation the Lemhi Shoshones Sacajawea's own people had been removed from their homeland nearly a hundred years earlier and had yet to regain official federal recognition as a tribe John W W Mann's book at long last tells the remarkable and inspiring story of the Lemhi Shoshones from their distant beginning to their present struggles Mann offers an absorbing and richly detailed look at the life of Sacajawea's people before their first contact with non Natives their encounter with the Lewis and Clark Expedition in the early nineteenth century and their subsequent confinement to a reservation in northern Idaho near the town of Salmon He follows the Lemhis from the liquidation of their reservation in 1907 to their forced union with the Shoshone Bannock tribes of the Fort Hall Reservation to the south He describes how for the past century surrounded by more populous and powerful Native tribes the Lemhis have fought to preserve their political economic and cultural integrity His compelling and informative account should help to bring Sacajawea's people out of the long shadow of history and restore them to their rightful place in the American story *Linked Histories* Wendy Faith, Pamela McCallum, 2005 The essays collected from the journal ARIEL A Review of International English Studies in *Linked Histories* take up some of the most pressing issues in postcolonial debates the challenges which new theories of globalization present for postcolonial studies the difficulties of rethinking how marginality might be defined in a new globalized world the problems of imagining social transformation within globalization The editors goal in bringing together this collection of articles is not to provide any definitive statement on these urgent questions rather it is to assemble a group of essays which think through the issues and which therefore has the potential to move the discipline forward Sacagawea of the Lewis and Clark Expedition Ella E. Clark, Margot Edmonds, 1983-09-15 Uses previously unknown information about Sacagawea's later years to separate fact from myth about the courageous Indian woman who accompanied the Lewis and Clark Expedition **A History of the Lewis and Clark Journals** Paul Russell Cutright, 2000-05 A History of the Lewis and Clark Journals includes coverage of the diaries and journals of all members of the famous expedition to the Pacific Ocean in 1804-1806 In addition to co-leaders William Clark and Meriwether Lewis the chroniclers were Charles Floyd John Ordway Patrick Gass Nathaniel Pryor Joseph Whitehouse and Robert Frazer Paul Cutright is to be especially commended for his exhaustive coverage and thorough documentation This is a fine book and a major contribution to the historiography of the nation's most celebrated explorers Minnesota History This is not a book about the expedition of which there are already perhaps too many but a history of the journals written by the two captains and a number of the enlisted men A work such as this is of great value to anyone interested in the Lewis and Clark expedition An invaluable reference work Western Historical
