Sacraments Alive Their History Celebration And Significance:

Sacraments Alive Sandra DeGidio,1991 An extremely helpful and clearly written book for understanding and celebrating the sacraments Explains the shift in focus as history and culture impact our value systems *Catholic Customs & Traditions* Greg Dues,1992 This newly revised expanded edition answers the questions most commonly asked by both Catholics and non Catholics Dues outlines traditional Catholic religious history gives an engaging overview of the rich variety of customs associated with Advent Christmas Holy Week and Lent and provides a thorough understanding of why Catholics practice their faith the way they do **A General Doctrine of the Sacraments and the Mystery of the Eucharist**

Johann Auer,1995 In *A General Doctrine of the Sacraments* Johann Auer aims to achieve a deeper understanding of the inner structure of the sacraments and of how they determine the structure of our Christian existence In *The Mystery of the Eucharist* Auer takes account of the biblical historical and theological aspects of the Church's teaching on the Eucharist

Dancing to the Post-modern Tune Tobias O. Okoro,2010 *Religions and Discourse* explores religious language in the major world faiths from various viewpoints including semiotics pragmatics and cognitive linguistics and reflects on how it is situated within wider intellectual and cultural contexts In particular a key issue is the role of figurative speech Many fascinating metaphors originate in religion e.g revelation as a garment apostasy as adultery loving kindness as the circumcision of the heart **Raise the Banners High!** Pamela T. Hardiman,Josephine Niemann,2002 A practical guide to help you create beautiful and expressive processional banners for use in the liturgy Sunday by Sunday throughout the seasons of the church's year Also includes guidance on using banners in the celebrations of baptism confirmation first communion marriage and ordination as well as on other special occasions in the life of the congregation **Understanding**

The Sacraments Today Lawrence E. Mick,2016-03-24 The sacraments are at the heart of our life as Catholics the way we celebrate together our continuing conversion and encounter with God Baptism Confirmation Eucharist Penance Anointing Marriage and Holy Orders all are activities that require preparation to bring us to the fullness of our life in community and in Christ Chapter by chapter Father Lawrence Mick puts these core experiences into their historical and theological context and illuminates the ways the sacraments bring us together as God's people Ever conscious of the complex history of the church and its dynamic relationship to ritual as well as the varied histories of human communities *Understanding the Sacraments Today* is a book to be visited and revisited a companion to the ongoing and repeated practices that nourish us Lawrence E Mick a priest in the Archdiocese of Cincinnati is a liturgical consultant and writer whose numerous books include *Living Baptism* *Daly* published by Liturgical Press He has also been active in parish retreat and campus ministries

Today's Parish ,1990 *The Sacrament of the Word Made Flesh* Robert J. Stamps,2013-08-01 Robert Stamps offers us a compelling case for the significance of the theology of Thomas Torrance to current discussions about Trinitarian doctrine and worship He shows that Torrance's Christology and Eucharistic thought validates the Reformed confession of a profound

real spiritual presence in the Eucharist This book serves as a helpful introduction to Torrance especially his framing of revelation Moreover it invigorates our understanding of the theological meaning of sacramental devotion Its readers will be stimulated provoked and dare I say inspired by its insights into and critiques of one of the most important and recent Reformed thinkers In sum this is a timely and exciting book It will well serve pastors theologians and thoughtful Christians of many theological perspectives MARK VALERI E T Thompson Professor of Church History Union Theological Seminary Virginia One of the values of this work is that it has deliberately sought not so much to discuss a particular problem or a collection of issues as to identify Torrance as an example of an archetypal Reformed theology of the Eucharist To say that Dr Stamps has been industrious is patently an understatement the truth is that he has been indefatigable in his search for the least morsel that Torrance offers Yet it is not so much as a study of Torrance that this book is to be commended its great value is that it offers a contextualization of Torrance s thinking on the Eucharist in ecclesiology the more general dimension of an incarnational theology as well as his understanding of cosmology and epistemology I hope that Dr Stamps book will not only find grateful readers but will be repaid by profound reflection on this symbol of the heart of faith JOHN HEYWOOD THOMAS Emeritus Professor of Theology University of Nottingham [Towards Religious Identity](#) Knippenberg, 2021-10-11

This Holy Mystery Gayle Carlton Felton, 2005-04-01 This is the body of Christ. This is the blood of Christ. It's Communion Sunday. The service is a little longer and the sacrament is observed with gravity. You know it's important but the wonder is lost. What does it all mean really? According to the results of a survey you're not alone. United Methodists have a strong sense of the importance of Holy Communion but they also lack a meaningful understanding of the theology behind it. Reclaim a richer sacramental life in your congregation through a group study of *This Holy Mystery*. In 2004 the General Conference of The United Methodist Church adopted an official interpretative document on Holy Communion. For the first time in our history the denomination has an official comprehensive statement of the practice and theology of the Lord's Supper. Now it's time for congregations to help members understand the observance. We believe that study of this document will yield increased appreciation for the sacrament in the worship experience and enable United Methodist people to draw nourishment and strength for their ongoing journeys of faith. writes Felton. *This Holy Mystery: A United Methodist Understanding of Holy Communion* is a study guide of the General Conference approved document. An all-in-one resource, this book is for both participants and leaders. It's divided into 7 sessions providing commentary on the history, practice and principles of Holy Communion in United Methodist congregations. It also points to implications of the sacrament for ministry and mission. We come to the Table of the Lord.
