WHEN—Questions for Catholicism Michael J. Tkacik,2022-07-01 Jesus calls the church to be a sacrament to the world Sadly many women LGBTQ persons people of other faiths and lay persons experience suffering due to certain words and actions of the Catholic Church At times the language and practices of the church leave some people feeling as if their voices have been silenced their roles limited and their vocations impeded Some often feel underappreciated and disrespected This work explores a vision for the future church which faces these challenges and illuminates possible solutions Every person has gifts given by God for the building up of the church Through a thorough exploration of biblical and church teachings alternative views of these issues provide a path to inclusion for all This book is intended to bring comfort hope and healing to those who have been marginalized It also offers a map for the church as it journeys to be more of what Christ calls it to be In a manner faithful to the gospel reforms for the church are considered that open it to what the Spirit might be saying When is the time for all persons to be valued welcomed empowered and respected Now

Lectures on the Church and the Sacraments Peter Taylor Forsyth,1917 Healing Through the Sacraments Michael Marsch,1989 Sacraments are visible signs of an invisible healing medicine for immortality according to St Ignatius of Antioch The sacraments are meant to be experienced as personal encounters with Christ in his Church so that the healing we so urgently need can go forth from them The purpose of this book is to contribute to that experience
