Sacred Intimacy in a Non-Sacred World Corey R Bailey, 2025-01-25 The journey towards understanding and celebrating the sacredness of sex within Christian marriage is often fraught with complexities Cultural narratives personal insecurities and even theological misconceptions can cloud our vision of God's design for marital intimacy This book arises from a deep conviction that a biblically informed balanced and compassionate approach to Christian sexuality is not only possible but essential for thriving marriages My hope is to offer a safe and encouraging space for exploration offering a perspective that affirms the beauty and significance of sexual intimacy while addressing the real life challenges couples face I have sought to weave together scriptural insights practical advice and personal reflections to provide a holistic understanding of sex within the marital bond The information contained within these pages is meant to empower and equip Christian couples to navigate the complexities of their sexual relationship with confidence grace and a deeper connection to God This is not a prescriptive manual but rather a conversation a journey of discovery growth and deepening intimacy with God and one another I pray that this book becomes a trusted companion offering support and guidance as you embark on or continue your sacred journey together Remember God's love is unconditional and His grace is sufficient to meet every challenge and to deepen the love you share

Your Soulmate Called God Ivonne Delaflor, 2005-03 You cannot help but to be impacted by this remarkable woman a powerful model of love in action Now she has produced the book you hold in your hands that puts into words her deeply felt personal experience and relationship with God She describes

how the first part was written following a conversation with a friend which inspired her to write for hours in a beautiful reverie of poetic expression The second was scribed during an emotional valley a period of sorrow and depression Each of these experiences demonstrated that the source of enduring love and joy is not to be found in another person or in materiality but instead through discovering your true soulmate God Be sure to savor these writings sipping a little here and there like a fine wine Breathe slowly as you read each piece Let the words permeate your consciousness and open your physical senses to the ecstatic experience of the Divine Doing so will allow you to remember the eternal being that you are and your heart will sing as you find union with your one and only true Soulmate called God Dr Steven Farmer Ph D author of Sacred Ceremony and Power Animals Excerpt from the foreword to Your Soulmate Called God Breaking Bread Across Cultures: A Table Set for All Nations. (Extra)Ordinary Presence Markus Gottwald, Kay Kirchmann, Heike Paul, 2017-08-15 Taking its cue from contemporary western debates on presence in the social sciences and the humanities this volume focuses on presence both as everyday experience and as an experience of intense moments It raises questions about diverse social configurations of presence as well as about the specific cultural repertoires which encode articulate and shape discourses of presence The contributions take as a premise that phenomena of presence are connected to particular forms of knowledge Especially tacit knowledge pre determines experiences of individual and collective presence and becomes tangible in moments of presence or presentification

The Intimacy of Images Myriam Lamrani, 2025-05-13 La Santa Muerte becomes a lens for understanding how Oaxacans relate to saints loved ones and other special dead In Oaxaca images of saints and loved ones as well as of victims of political or criminal violence are seemingly everywhere While Oaxacans relate to all sorts of special dead they are particularly devoted to La Santa Muerte Saint Death a female reaper like figure whose popularity has risen in tandem with violence throughout Mexico The Intimacy of Images recontextualizes Oaxacans relationships with their special dead through the lens of La Santa Muerte examining how devotees closely interact with what Lamrani terms intimate images not only devotional effigies but also photographs films tattoos and murals and even dreams and visions Though Mexicans

have a well known cultural familiarity with death Lamrani argues that devotion to La Santa Muerte builds upon this intimacy even as it also participates in the production of terror and reflects political and criminal violence Ultimately Lamrani finds that these human image interactions represent more than Catholic devotion they reveal the secrets of Oaxacan political religious and social life embody changing relationships to mortality and violence and even offer insight into the practice of anthropology itself
