Office for Subject Cataloging Policy,1990 The British Catalogue of Music ,2004 **P-Z** Library of Congress. Office for Subject Cataloging Policy,1990 *Kansas Music Review* ,1980 **Music, Libraries, and the Academy** James P. Cassaro,2007-01-01 This collection of articles dedicated to the memory of Lenore Coral divides into three sections that focus on her scholarly interests music of the eighteenth century music libraries and collections and new approaches to the musical canon Many of the seventeen contributions included in the volume are the result of the individual author s connection with Lenore or were projects that she had been directly involved with either as dissertation advisor committee member or interested observer The senior scholars and music librarians represented here are testament to the impact of her intellect and influence Canadiana ,1983 Music, Books on Music, and Sound Recordings Library of Congress,1987 **The School Musician** ,1935 **Grawemeyer Award for Music Composition** Karen R. Little,Julia Graepel,Scott R. Adams,2007-01-16 The University of Louisville s annual Grawemeyer Award for Music Composition is the largest monetary award offered in its field The international prize is offered for outstanding achievement by a living composer in a large musical genre such as choral orchestral chamber electronic song cycle dance opera musical theater or extended solo work Since the award was first offered in 1985 the Dwight Anderson Memorial Music Library one of the largest new music collections in North America has housed the competition submissions In order to keep an accurate listing detailing the holdings of this collection this catalog was developed Grawemeyer Award for Music Composition The First Twenty Years catalogs every submission for this prestigious award offering complete information on all the competition submissions including title composer format length instrumentation and information on where to find or purchase the composition The bulk of the catalog is listed alphabetically by composer so that users can learn whose works were submitted over the 20 years covered by the award The additional appendixes provide the opposite perspective a year by year glance at the award and those who submitted works each year Concluding with an index this catalog increases awareness of this collection and acknowledges the work of these important composers and their consequence to recent music history **A Guide to Library Research in Music** Pauline Shaw Bayne,Edward Komara,2020-02-20 A Guide to Library Research in Music introduces students to the process and techniques for researching and writing about music It provides examples of different types of writing offers a thorough introduction to music literature describes various information searching methods and library based organizational systems and explores the wide array of music resources This second edition discusses the latest innovations in library catalog searching new matters in digital technology and the expansion in musical genres for

library research The book's organization allows for three independent tracks of study Part 1 treats essentials of the research process explaining starting point resources such as library catalogs dictionaries and bibliographies It addresses scholarly documentation the use of style manuals and basics of copyright Part 2 develops skills and strategies for library and Internet based research describing database structures and library catalogs subject searching in catalogs and journal indexes keyword searching techniques related record searching and citation databases and the use of experts and thematic catalogs Part 3 discusses the organization of a music library emphasizing score collections books and journals in music literature and music teaching publications

The Collected Writings of Franz Liszt Janita R. Hall-Swadley, 2013-12-19 In *Dramaturgical Leaves* Essays about Musical Works for the Stage and Queries about the Stage Its Composers and Performers the third volume in Janita R Hall Swadley's *The Collected Writings of Franz Liszt* Liszt heralds his admiration for early nineteenth century opera and musical stage works He honors Gluck the musical prophet as the cultivator of dramatic truth in the Romantic opera *Orpheus* expounds on Beethoven's harmonic inventions and innovative treatment of form in *Fidelio* and argues for the latter's incidental music to Goethe's *Egmont* as the epitome of music organicism a complete unity of words and tone He also comments on Weber's *Euryanthe* as offering the most progressive musical characterizations and declamation even more so than his popular work *Der Freischütz* and on how both works prefigure Wagner's music dramas awards Mendelssohn whose genius Liszt ranks only slightly less than Beethoven's top honors for creating in *A Midsummer Night's Dream* the highest standards of music poetry suggests how Scribe and Meyerbeer's *Robert le Diable* paints a mental image of art's eternal flames where poet and musician share equal space in the development of music tragedy reveals how the poetic deficiencies in the libretto to Schubert's *Alfonso and Estrella* are too easily overlooked because of the music's melodic and lyrical supremacy and offers in contrast Auber's *Mute from Portici* a remarkable text by many historically picturesque musical motives that are universal and nationalistic at the same time Finally Liszt offers an early gender study in music in his essay about Bellini's *Montague and Capulet* as well as its impact on nineteenth century audiences a look at Boieldieu's *White Lady* as a sublime depiction of literary music and Donizetti's *Favorite* as colored with a special type of imagery a *laterna magica* in Liszt's hand The beloved soprano Pauline Viardot Garcia receives special attention in an essay devoted entirely to her and Liszt proffers a critique of *entr'acte* music as a pointless tradition that dethrones music and insults the artist and composer by making music a palate cleanser This volume includes a detailed discussion about what it meant to be patronized by Liszt and how his support financial literary and musical helped shape many a music career It also offers commentary on how gender in opera was sometimes obscured not only for dramatic interest but also as part of the process of outlining a nation's identity as well as a thorough study of Liszt's concepts of Gestalt theory the Archetype and his musical *Weltanschauung* his musical world view all revealing his contribution to 19th century music philosophy as it relates to opera Finally a historical review of *entr'acte* music is presented how it began and how it developed to clarify Liszt's stance

against it making this volume a necessary read for music historians serious musicians and music connoisseurs alike
