Life-Writes Suzanne Ruthven, 2012-05-25 The second most common question a writer is asked is where do your ideas come from The first is Do you make any money from it Experienced writers don't go looking for ideas ideas come to them An experienced writer just has the knack of spotting what makes a good story or what will make a good story once it's been given the right spin because none of us if we're honest will let reality get in the way of a saleable piece of work Editors are looking for an element of action drama or surprise even in non fiction It's what catches their attention and makes them pause to read further and the key to any editor's heart is originality Not necessarily a new departure in style or genre but a refreshing and original slant on a popular theme Life Writes helps you to find and develop ideas with editor appeal

Turner, 2013-08-22 Ritual magic liturgy and theurgy were central features of Gnosticism and

yet Gnostic practices remain understudied This anthology is meant to fill in this gap and address more fully what the ancient Gnostics were doing While previously we have studied the Gnostics as intellectuals in pursuit of metaphysical knowledge the essays in this book attempt to understand the Gnostics as ecstasies striving after religious experience as prophets seeking revelation as mystics questing after the ultimate God as healers attempting to care for the sick and diseased These essays demonstrate that the Gnostics were not necessarily trendy intellectuals seeking epistemological certainties They were after religious experiences that relied on practices The book is organized comparatively in a history of religions approach with sections devoted to Initiatory Recurrent Therapeutic Ecstatic and Philosophic Practices This book celebrates the brilliant career of Birger A Pearson

Theory of the Image Thomas Nail, 2019 We live in an age of the mobile image The world today is absolutely saturated with images of all kinds circulating around the world at an incredible rate The movement of the image has never been more extraordinary than it is today This recent kinetic revolution of the image has enormous consequences not only for the way we think about contemporary art and aesthetics but also for art history as well Responding to this historical moment Theory of the Image offers a fresh new theory and history of art from the perspective of this epoch defining mobility The image has been understood in many ways but it is rarely understood to be fundamentally in motion The original and materialist approach is what defines Theory of the Image and what allows it to offer the first kinetic history of the Western art tradition In this book Thomas Nail further develops his larger philosophy of movement into a comprehensive kinesthetic of the moving image from prehistory to the present The book concludes with a vivid analysis of the contemporary digital image and its hybridity ultimately outlining new territory for research and exploration across aesthetics art history cultural theory and media studies

Dress Hermeneutics and the Hebrew Bible Antonios Finitis, 2022-05-19 Antonios Finitis and contributors continue their examination of dress and clothing in the Hebrew Bible in this collection of illuminating essays Straddling the divide between the material and the ideological this book lends shape and texture to topics including social standing agency and the motif of cloth and clothing in Esther Essays also explore the function of dress metaphors in imprecatory Psalms the symbolic function of headdresses and the divine clothing of Adam and Eve and the hermeneutics of trauma recovery Together the contributors continue to shape scholarly discourse on a growing body of scholarship on dress in the Bible By turning their analytical gaze to this primary evidence the contributors are able to reveal the social psychological aesthetic ideological and symbolic meanings of dress in the Hebrew Bible thereby producing insights into the literature and cultural world of the ancient Near East
