Sacred Reading The Ancient Art Of Lectio Divina:

Sacred Reading Michael Casey, 1996 Casey offers fascinating insights into how the prayerful experience of lectio divina can be sustained and invigorated by the techniques of sacred reading techniques distilled from the author's deep acquaintance with the Bible and the ancient books of Western spirituality The Art of Sacred Reading Michael Casey, 1995 Companion volume to *Towards God* this exploration of the writings of the ancient Western teachers of spiritual wisdom focuses on contemplative prayer and the role of lectio divina as a way of approaching God Includes references Author is a Cistercian Monk and Prior of Tarrawarra Abbey Victoria His other publications include *The Undivided Heart* Praying the Scriptures Demetrius Dumm, 2003 *Praying the Scriptures* sets a number of biblical prayers in the context of biblical revelation so that they are seen as celebrations of God's great saving deeds of the Exodus and the Resurrection Thus they bring us into the very heart of the experience of salvation in that ultimate prayer event that is the Eucharist In this context prayers of petition become acts of trust in the goodness of the God who entered our world definitively in the person of Jesus Christ while prayers of gratitude convert the lives of believers from fear and guilt to courage and joy Demetrius Dumm OSB PhD is a monk of St Vincent Archabbey Latrobe Pennsylvania A professor of New Testament for almost fifty years he is the author of *A Mystical Portrait of Jesus* and editor and contributor to *The Collegeville Pastoral Dictionary of Biblical Theology* He has given numerous retreats and workshops designed to allow scholarship to bear fruit in the spiritual life of the nonscholar Lectio Divina--The Sacred Art Christine Valters Paintner, 2011-05-27 Break open this ancient contemplative practice of listening deeply for God's voice in sacred texts Drawing on her own experience as a monk in the world Christine Valters Paintner introduces the foundations for a practice of lectio divina She closely examines each of the four movements of lectio divina as well as the rhythm they create when practiced as a process Monastic Practices Charles Cummings, 2015-12-07 For three decades *Monastic Practices* has been a valued resource for English speaking aspirants to monastic life In this revised edition updated and expanded Charles Cummings OCSO explores the common practices of the monastic life in order to rediscover them as viable means of leading persons to a deeper encounter with God How do monks and nuns occupy themselves throughout the day Have they modernized their lifestyle or is it still cluttered with medieval customs Could any of the monastic practices be of use to those outside the monastery A certain wisdom is necessary to know how to use such practices and how to give oneself to them until they lead one to God After long monastic experience Cummings shows us how the ordinary things we do constitute our path to God In the art of living life he argues we are always beginners searching for God through our concrete circumstances and actions **The New Interpreter's® Handbook of Preaching**, 2010-11-01 *The New Interpreter's Handbook of Preaching* is a major reference tool for preaching with articles on every facet of Christian sermon preparation and delivery This resource is both scholarly and practical It focuses on the most distinctive feature and greatest strength of homiletics as a discipline It is rooted in interdisciplinary

scholarship and it develops theory geared to practice Its theory arises out of the study of both excellent preaching past and present and actual sermon preparation and composition When theory and practice critique each other it is possible to produce guidelines that assist greater excellence and economy in preaching the gospel Excellence in standards is an area in which homiletics needs to grow and this project will be both a means to encourage and develop it A guiding question throughout will be Will it preach The answers will be offered in the sense that here is something that works well rather than here is something to try Preachers will turn to this resource with the expectation that they will find scholarly treatment of topics brief bibliographies of relevant key books and articles along with practical methodological suggestions for preachers to employ The contributors are homileticians preachers and writers in various disciplines who are committed to the pulpit through practice
