Scientific And Religious Mysteries Of Antiquity 1:

The Scientific and Religious Mysteries of Antiquity John Yarker, 2014-03 This Is A New Release Of The Original 1878 Edition **The Equinox Vol. 1. No. 10.** Aleister Crowley, *Mackey's History of Freemasonry* Albert Gallatin

Mackey, Robert Ingham Clegg, William James Hughan, 1921 **A Sketch of the History of the Antient and Primitive Rite of Masonry: in France, America, and Great Britain. With Charters & Other Documents** Freemasons. [Appendix.], 1875

The History of Freemasonry Albert Gallatin Mackey, 1898 *Isis Unveiled: A Master-Key to the Mysteries of Ancient and Modern Science and Theology (Complete)* Helena Petrovna Blavatsky, 1919-01-01 The work now submitted to public judgment is the fruit of a somewhat intimate acquaintance with Eastern adepts and study of their science It is offered to such as are willing to accept truth wherever it may be found and to defend it even looking popular prejudice straight in the face It is an attempt to aid the student to detect the vital principles which underlie the philosophical systems of old The book is written in all sincerity It is meant to do even justice and to speak the truth alike without malice or prejudice But it shows neither mercy for enthroned error nor reverence for usurped authority It demands for a spoliated past that credit for its achievements which has been too long withheld It calls for a restitution of borrowed robes and the vindication of calumniated but glorious reputations Toward no form of worship no religious faith no scientific hypothesis has its criticism been directed in any other spirit Men and parties sects and schools are but the mere ephemera of the world s day Truth high seated upon its rock of adamant is alone eternal and supreme We believe in no Magic which transcends the scope and capacity of the human mind nor in miracle whether divine or diabolical if such imply a transgression of the laws of nature instituted from all eternity Nevertheless we accept the saying of the gifted author of Festus that the human heart has not yet fully uttered itself and that we have never attained or even understood the extent of its powers Is it too much to believe that man should be developing new sensibilities and a closer relation with nature The logic of evolution must teach as much if carried to its legitimate conclusions If somewhere in the line of ascent from vegetable or ascidian to the noblest man a soul was evolved gifted with intellectual qualities it cannot be unreasonable to infer and believe that a faculty of perception is also growing in man enabling him to descry facts and truths even beyond our ordinary ken Yet we do not hesitate to accept the assertion of Biff that the essential is forever the same Whether we cut away the marble inward that hides the statue in the block or pile stone upon stone outward till the temple is completed our NEW result is only an old idea The latest of all the eternities will find its destined other half soul in the earliest It was while most anxious to solve these perplexing problems that we came into contact with certain men endowed with such mysterious powers and such profound knowledge that we may truly designate them as the sages of the Orient To their instructions we lent a ready ear They showed us that by combining science with religion the existence of God and immortality of man s spirit may be demonstrated like a problem of Euclid For the first time we received the assurance that the Oriental philosophy has room for no other faith than an absolute and immovable

faith in the omnipotence of man's own immortal self. We were taught that this omnipotence comes from the kinship of man's spirit with the Universal Soul God. The latter they said can never be demonstrated but by the former. Man's spirit proves God's spirit as the one drop of water proves a source from which it must have come. Tell one who had never seen water that there is an ocean of water and he must accept it on faith or reject it altogether. But let one drop fall upon his hand and he then has the fact from which all the rest may be inferred. After that he could by degrees understand that a boundless and fathomless ocean of water existed. Blind faith would no longer be necessary; he would have supplanted it with KNOWLEDGE. When one sees mortal man displaying tremendous capabilities controlling the forces of nature and opening up to view the world of spirit, the reflective mind is overwhelmed with the conviction that if one man's spiritual Ego can do this much, the capabilities of the Father Spirit must be relatively as much vaster as the whole ocean surpasses the single drop in volume and potency. Ex nihilo nihil fit: prove the soul of man by its wondrous powers; you have proved God. In our studies, mysteries were shown to be no mysteries. Names and places that to the Western mind have only a significance derived from Eastern fable were shown to be realities. Reverently we stepped in spirit within the temple of Isis to lift aside the veil of the one that is and was and shall be at Sa's to look through the rent curtain of the Sanctum Sanctorum at Jerusalem and even to interrogate within the crypts which once existed beneath the sacred edifice the mysterious Bath Kol. The Filia Vocis, the daughter of the divine voice, responded from the mercy seat within the veil and science, theology, every human hypothesis and conception born of imperfect knowledge lost forever their authoritative character in our sight. The one living God had spoken through his oracle, man, and we were satisfied. Such knowledge is priceless and it has been hidden only from those who overlooked it, derided it, or denied its existence.

The Unknown Philosopher Arthur Edward Waite, 1987-01-15. This book, the substance of the doctrine of the most enlightened, most liberal, most truly catholic of the later Christian transcendentalists of the last decades of the 18th century, provides a clear introduction to the theosophical system of Louis Claude de Saint Martin. He was popularly known as the Unknown Philosopher because none of his writings were published under his name during his lifetime. His fame is based on being a true mystic, on his literary abilities to express this true mysticism, and on his passionate search for higher wisdom. Saint Martin's belief that the most important problem of all human thinking is to understand man as a free personality whose very foundation is himself has an important and significant place in the history of modern man's struggle toward freedom.

Jesuitry in Masonry Helena Petrovna Blavatsky, 2019-02-01. Neither the Zohar nor any other kabbalistic volume contains merely Jewish wisdom. The doctrine itself, being the result of whole millenniums of thought, is the joint property of the adepts of every nation under the sun. The Masonic commandment, mouth to ear and the word at low breath, is an inheritance from the Tanna'im and the old Pagan Mysteries. Elias Ashmole was the first operative Mason of any consequence and the last of the Rosicrucians and Alchemists. That crafty, learned, conscienceless, terrible soul of Jesuitism within the body of Romanism is slowly but surely possessing itself of the whole prestige and spiritual power that clings to it. A

French Parliamentary Report exposed the great moral harm inflicted in this world by the Jesuits more harm than all the fiendish armies of the mythical Satan The horrifying principles and malignant influence of the Society of Jesus is now all powerful in Rome So disgustingly licentious hypocritical and demoralizing are nearly all of their precepts that it was found impossible to put many of them in print except in a dead language Clericalism Ultramontanism and Jesuitism are one and the same thing Catholicism The knowledge possessed by the Secret Schools whether Magian Egyptian or Jewish was derived from both sides of the Himalayas In the pre Edenic epoch to feed the hungry give drink to the thirsty clothe the naked bury the dead formed the first duty of a pious man But in recent times the spirit became too deeply buried under physical clothing to reassert its inherent purity and potency Adulterous Catholic priests are licensed to murder husbands and commit parricide A man in the Catholic communion may do what the common law and public morality stamp as criminal and still continue in the odour of Jesuitical sanctity With what disgust may we now turn from this religious farce called modern Christianity to the noble faiths of old By Christianity we do not mean the teachings of Christ but those of his alleged servants the clergy The Egyptian Funeral Ritual was divinely inspired for it is Thoth the Deity itself that reveals to the elect the will of God and the arcana of divine things In the Egyptian notions as in those of all other faiths founded on esoteric philosophy man was not merely as with the Christians a union of soul and body his dual nature was made a trinity by the spirit glittering at the apex of physical perfection The initiates of all countries had the same mystery name Woe for the living Dead there is no hope for the spiritually dead for his glorious Augoeides have left him forever The terrible implications of this second death become apparent when the Higher Ego has severed its links with its lower but totally unworthy agent thereby any communication between the two is permanently lost And any spiritual impulses from the Higher that may have previously benefitted an individual are now discontinued Scepticism may sneer faith based on knowledge and spiritual science believes and affirms Our present cycle is pre eminently one of such soul deaths Since the sad catastrophe of the Templars no Lodge in Europe still less in America has ever known anything worth concealing The accusations against Masons have been mostly half guess work half unquenchable malice and predetermined vilification The accusations of J B Robertson levied against Masons are as malicious as they are absurd However professedly the teacher of true ethics Freemasonry has been debased into a propaganda of anthropomorphic theology Oaths will never be binding till each man will fully understand that Humanity is the highest manifestation on earth of the Unseen Supreme Deity and each man an incarnation of his God No oath is now binding unless taken by one who without any oath at all would solemnly keep his simple promise of honour Christianity has only served to show how much more hypocrisy and vice its teachings have begotten in the world since its advent and how immensely superior were the ancients over us in every point of honour There are no longer any secrets left unpublished the Order is degenerating into a convenience for selfish men to use and bad men to debase The Roman Catholics and some of the Reformed Presbyterians are our formidable enemies says Brigadier General Albert Pike Masonry instead of unfolding

progressively with the intellectual advancement of scientific knowledge and general intelligence has departed from the original aims of the fraternity and is apparently inclining towards a sectarian society It is but a toy to feed the vanity of a few leaders who rejoice in ribbons and regalia Its authority as false as its antiquity The Temple was the last European secret organization which had in its possession some of the mysteries of the East It is through them that modern Masons have all they know of importance and the similarity now found between the Speculative Rites of antiquity the mysteries of the Essenes Gnostics Hindus and the highest and oldest of the Masonic degrees well prove the fact However no one could ever lay hands on the Rosicrucians their true aims are to this day a mystery Modern Masonic Templarism was hatched in a Jesuit College The present day Templars adhering strictly as they do to the Bible can hardly claim descent from those who did not believe in Christ as God man or as the Saviour of the world True hearted honest Masons ought to reject with horror any connection with the spurious Order of Malta A Templar Prince the last depository of the secrets of the true Knights Templar was poisoned by pseudo Templars Modern Templars are mere magpies in peacock s plumes The Jesuits had accomplished but one of their designs i e denaturalizing and bringing into disrepute the Masonic Institution Having succeeded as they believed in destroying it in one form they were determined to use it in another Like Christianity Freemasonry is a corpse from which the spirit long ago fled The Word is no longer possessed by today s Masons There now follows a High Mason s strictures upon Masonry Clogged up as the Order has been by the rubbish and drift of absurd biblical legends it is no wonder that its usefulness has been impaired and its work as a civilizer hampered The temple at Jerusalem which recent arch ologists have shown to be a structure with nothing like the pretended antiquity of its erection and incorrectly called after a monarch whose name proves his mystical character Sol Om On the name of the sun in three languages plays a considerable share in Masonic mystery That bastard foundling of Freemasonry the Ancient and Accepted Scottish Rite which is unrecognized by the Blue Lodges was the enunciation primarily of the brain of the Jesuit Chevalier Ramsay Notwithstanding its many faults for speculative Masonry is but human and therefore fallible there is no institution that has done so much and is yet capable of such great undertakings in the future for human religious and political improvement But the sectarian Christian spirit in Masonry must be put down The Temple of Solomon is only an allegory The real temple can be reared without the sound of the hammer or any tool of iron being heard in the house while it is in building Throughout the countries of the Orient wherever magic and the wisdom religion are studied its practitioners and students are known among their craft as builders for they build the temple of knowledge of secret science Having acquainted himself with its mysterious contents which revealed to him the mysteries of creation the initiated became a builder himself for he was made acquainted with the geometrical figure on which the universe was built That we may not be accused of vain boasting we shall now give the keys to several of the secret ciphers of the most exclusive and important of the so called higher Masonic degrees Various hitherto secret ciphers hieroglyphs and examples of Jesuit cryptography are also revealed Jehovah is not the sacred name at all It is

simply a fancy and a perversion of the Holy Name He is neither the deity worshiped by Moses nor the Father of Jesus not even the Ineffable Name of the Kabbalists He is an androgyne secondary deity But we are quite ready to show to the Lord God of Israel the same respect as we do to Brahm to Zeus and to any other secondary deity The archaic wisdom religion or the Secret Doctrine embodied in the Oriental Kabbalah did not die out with the Philaletheians of the last Eclectic school Gnosis lingers still on earth and its votaries are many albeit unknown Even the Copts the sole remnants of the true Egyptian race remain silent Had the keys to the hieratic writings and the secret of Egyptian and Hindu symbolism been known to the Christian Fathers they would not have allowed a single monument of old to stand unmutilated Many are the candidates at the doors of those who are supposed to know the path that leads to the secret brotherhoods The great majority are refused admittance for the Rosy Crux becomes is not made *The Islamic World Journal 1893-1907 and the Anti-Nationalist Pan-Islamism of the Hamidean Policy* Amjad Muhsen al-Dajani (al-Daoudi),2023-10-30 This book illuminates the Islamic World journal s propaganda from 1893 to 1907 It highlights the journal s utility in advancing and defending Sultan Abdul Hamid II s policies during the turbulent time of the 1890s The book sheds light on the political views and editorial activities of the first and last Grand Sheikh of the British Isles Sheikh Abdullah Quilliam This book will interest academics specialists and laymen whose interests relate to anti nationalist Pan Islamism the Armenian massacres of 1894 Pan Islamism Abdul Hamid II s policies British Ottoman relations and British Islam The Petrine Instauration Robert Collis,2011-12-16 The reign of Peter the Great 1672 1725 was marked by an unprecedented wave of reform in Russia This book provides an innovative reappraisal of the Petrine Age in which hitherto neglected aspects of the tsar s transformation of his country are studied More specifically the reforms enacted by the tsar are assessed in light of the religious notion of instauration a belief in the restoration of Adamic knowledge in the last age and a historical and cultural analysis of the impact of Western esotericism at the Russian court This book will appeal to scholars of Russian history and religion as well as being of wider interest to those studying Western esotericism in Early Modern and eighteenth century Europe **Freemasons, World Order, and Mind Wars** Nicolas K.
