Scorpion Rain:

Rain's Rebellion ID Johnson, 2020-09-27 Can one short conversation change Rain's world forever After the Third World War women seized the opportunity to overcome the surviving men creating a new nation in part of what used to be the United States ruled by the Motherhood From that day forward all women are raised never to question the new order of things where women have all the power and men are used and discarded like animals Rain knows in the back of her mind that this way is wrong but she's been indoctrinated to believe questioning the Mothers is wrong All of that changes one afternoon when she's fulfilling her duties in the Insemination Ward and sees one of the men face to face for the first time Their conversation is brief but Rain's life will be changed forever Now that Rain is aware that the Motherhood isn't all it appears to be she's drawn into a circle of women who want change and are willing to sacrifice everything to overthrow the Motherhood free the men and create a world where everyone is appreciated and valued regardless of gender The road ahead is full of danger and with every step new questions and possibilities are presented to Rain Will she join the rebellion and work to set men free or will she continue to be a part of the all powerful Motherhood Rain's Rebellion is book one in a new thrilling dystopian romance series [Mutant Nightmare: Scorpion - Book 1](#) Neil Hunter, Dante D. Covino, 2023-03-11 Its nature gone wild and a race against time facing local townspeople from an arachnid threat Les Mason reporter for the Long Point News is close to finishing an explosive expose on the Long Point Nuclear Plant But before he can slot the final piece of the jigsaw into place he dies an agonizing death as the result of some sort of strange sting The local doctors are baffled and suddenly there are similar cases that follow Chris Lane Les's girlfriend and organizer of the Long Point Protestors that oppose the operation of the nuclear plant discovers Mason's notes and decides to find out for herself what the plant could possibly be hiding *Rain's Run* ID Johnson, Rain is a wanted woman and it's apparent the Mothers will stop at nothing to track her down Escaping her home country wasn't easy Even though Rain and her friends have reached temporary safety they are a long way from the Nation of Quebec Recovering from a gunshot wound and tired from days of running Rain would like nothing more than to stay hidden in the mountains with the family that's taken them in But that's not an option Rain's presence has put these peaceful people's lives in jeopardy and when a tracker is accidentally tripped it's clear she has no choice but to start running all over again This time when she sets out her party won't be the same One of her companions will be replaced by a handsome stranger a man who not only promises to keep Rain safe he has her questioning her feelings for Adam Does she really love Adam or is it all infatuation with the only man she's ever really known Rain's still a long way from safety with Mother White and the others breathing down her neck There's no guarantee the government she's so desperately trying to reach will even help but she has to try The men of her homeland's lives certainly depend upon it and maybe the lives of her generation of women do too because rebellions are like a smoldering ember they're catching Continue Rain's journey in this thrilling dystopian romance [Elementary Ninja](#) Luis Estalim Guzman Gonzalez, **A Guide to East**
