Macleod, Steven Gillespie, 2010-10-04 Rural Europe is a highly developed tourism region representing advanced tourism experience and supposed modern approaches to this industry That said it remains highly sensitive and fragile in terms of environmental social economic and cultural impacts This volume focuses on rural Europe as a fascinating example of how tourism development impacts on the communities and the environment of rural regions and offers insights into how long term sustainability could be achieved in this specific region and correspondingly in other rural parts of the world Sustainable Tourism in Rural Europe contains contributions from leading international scholars that review and analyse the concept and practice of sustainable tourism in this region through a multidisciplinary approach that embodies the view that sustainable tourism warrants a holistic approach in terms of its impacts and development potential Divided into three sections Key Themes and Issues The State and Development The Local Community and Development this book addresses contentious and vital issues through theory detailed research and case studies offering real world approaches to sustainable development showing problems including local politics which challenge abstract models It introduces cutting edge research dealing with contemporary developments throughout Europe and consequential lessons implications for other rural parts of the world This volume will be of interest to students researchers and academics in the areas of Tourism Geography and Environmental Studies

*Travel Junkie* Jack Harms, 2011-08 This is not a travel guide nor is it a typical travel book This is a story about a man who overcame personal tragedies to achieve his lifetime ambition to explore the world You won't find stories of a man who climbed mountains or sailed the seas Instead you'll hear about one man's journey who visited over 100 well known foreign countries and cities swam with the sharks in Bora Bora Tahiti and in Grand Cayman explored the underwater world of the Australian Great Barrier Reef walked the Great Wall of China and went on photo safaris in the African wild game parks When he began his traveling adventures the last thing on his mind was writing a book As he progressed through his trips he would entertain his relatives friends and clients with the stories and photos of his more important memories Invariably they would say you ought to write a book And so he did and here it is The book should assist the beginning traveler in deciding where to go how to go and how long to stay and last but not least how to stay safe in a sometimes dangerous world Traveling can be and often is very rewarding But it can also be frustrating expensive and dangerous When traveling to a foreign country it is best to expect the unexpected as your experience will be unlike anything you've experienced before The *Travel Junkie* also reveals the true character of Jack Harms and his personal life Including his hitchhiking days his attraction to famous entertainers live performances his traumatic experiences being on his own at the age of fourteen in Jackson Hole Wyoming and the deaths of his mother and only two brothers at very young ages
