Andrew Mackillop Christopher A Whatley Elaine W McFarland **New Outlook**, 1921 *Natural History Societies and Civic Culture in Victorian Scotland* Diarmid A Finnegan, 2015-10-06 The relationship between science and civil society is essential to our understanding of cultural change during the Victorian era Finnegan's study looks at the shifting nature of this process during the nineteenth century using Scotland as the focus for his argument *Scotland's Long Reformation* John McCallum, 2016-09-12 Exploring processes of religious change in early modern Scotland this collection of essays takes a long term perspective to consider developments in belief identity church structures and the social context of religion from the late fifteenth century through to the mid seventeenth century The volume examines the ways in which tensions and conflicts with origins in the mid sixteenth century continued to impact upon Scotland in the often violent seventeenth century while also tracing deep continuities in Scotland's religious cultural and intellectual life The essays the fruits of new research in the field are united by a concern to appreciate fully the ambiguity of religious identity in post Reformation Scotland and to move beyond simplistic notions of a straightforward and unidirectional transition from Catholicism to Protestantism **New Perspectives in Public Health** Sian Griffiths, David J Hunter, 2017-11-22 The General Practice Jigsaw provides comprehensive and up to date information on the future of education training and professional development in general practice and primary care It is an anthology of work produced by many of the leading figures in general practice across the United Kingdom General practice now faces challenges that could be seen as threatening the way it traditionally operates but can also be seen as presenting opportunities This book provides inspiration and guidance to its readers and fuel for the challenges ahead It shares knowledge and best practice on education teaching and professional development drawing on examples from local regional and national projects It is essential reading for general practitioners involved in education and training for everyone who needs to know how revalidation and professional development will influence them and for all members of primary health care teams who want to be involved in shaping the primary care organisations of the future

[An Unofficial Alliance, Scotland and Sweden 1569-1654](#) Alexia Grosjean, 2003-08-01 This work reveals the hitherto unrepresented relationship that developed between Scotland and Sweden during the second half of the sixteenth and first half of the seventeenth centuries Sweden's emergence as an independent Nordic and indeed European power required continual military and economic growth which in turn necessitated a constant supply of manpower The initially piecemeal migration of private individuals from Scotland bringing both martial and mercantile skills to Sweden gradually grew into an informal alliance albeit officially sanctioned by the Swedes based on personal networks Equally the impact of Sweden's support for the Scottish Covenanted movement on British state formation is scrutinized This fresh perspective on Scottish Swedish connections is aimed at those interested in state formation migration studies diplomatic developments and military history **The History of Catholic Intellectual Life in Scotland, 1918-1965** Clifford Williamson, 2016-06-10 This book offers an innovative approach to the character of the intellectual life of Catholics in Scotland It looks at Catholic attempts to

fight the appeal of communism amongst the working classes in interwar Scotland it analyses developments in the devotional life of Scottish Catholics and it discusses the unique theological contribution made by Scottish clerics Chapters also explore the increasing presence of Catholics in Scotland in higher education and their role in shaping change within the Catholic Church Finally readers will have the opportunity to learn more about the previously under researched Catholic Intelligentsia and the debate within it on the place of Catholicism in the history of Scotland

The History of Catholic Intellectual Life in Scotland 1918-1965 presents the domestic context of the changing character of Scottish Catholicism as well as the context of changes in European Catholicism

The Three Estates Nigel Mace, 2016-12-05 This is the first ever English translation of Sir David Lindsay's masterpiece of 16th century Scottish political theatre Ane Pleasant Satyre of the Thrie Estaitis in Commendatioun of Vertew and Vituperatioun of Vyce The work's importance lies in its status as a well known piece of national literature and as a historical document of interest to historians of Scottish and European court politics The verse translation available here is of over 3 000 lines in an edition which combines a historical and critical introduction with the possibilities of modern performance Besides issues of text and translation the introduction examines the background of Scotland in 1552 the author and his audience the play's performance history and its position as a Renaissance text A work on a grand scale with a cast of over 40 the play confronts and resolves the ill counselled misrule of young King Humanity through the intervention not only of King Correction and of learned contemporaries but also through the fearless condemnations of the Poor Man and the political resolution of John The Common Weal Its conclusions are humanly centred popularly representative and yet strikingly realistic They and their manner of expression make an ideal object for the study of a society poised between the pluralism of the Renaissance and the rigour of the Reformation

New Perspectives on Land Registration Amy Goymour, Stephen Watterson, Martin Dixon, 2018-02-08 The Land Registration Act 2002 has been in force for almost fifteen years When enacted the legislation which replaced the Land Registration Act 1925 was intended to offer a clear and lasting framework for the registration of title to land in England and Wales However perhaps confounding the hopes of its drafters the legislation's interpretation and application has since generated many unanticipated problems which demand attention In this book's twenty chapters leading land law scholars Law Commissioners past and present judges and Registry lawyers unpick key technical controversies and expose underlying theoretical and policy concerns Core issues addressed in these chapters include the legitimate ambitions of registration regimes the nature and security of title afforded by registration the resolution of priority disputes affecting registered titles the relationship between the general law and the registration regime and new challenges presented by modern technological developments
