Proverbs, Proverbial Expressions, and Popular Rhymes of Scotland Cheviot Cheviot, 2015-07-19 Excerpt from Proverbs Proverbial Expressions and Popular Rhymes of Scotland Collected and Arranged With Introduction Notes and Parallel Phrases It is now nearly nine years since I first began to collect materials relating to the proverbs proverbial expressions and popular rhymes of Scotland During a somewhat erratic course of reading persistently pursued for many years I came across quite a number of curious sayings not only in books and magazines but also in daily and weekly newspapers and it is somewhat remarkable that many of the rarest and most precious gems were discovered in singularly primitive journals published in quiet quaint old world burgh towns But not only was I attracted by the sayings themselves I was over and over again intensely interested in reading the stories of their origin or the historical social humorous or pathetic incidents with which many of them have become associated Indeed what may be called the secondary or subsidiary incidents are in many cases more interesting and important than the original sayings The well known and frequently quoted proverb The mair mischief the better sport is given in most of the previous collections but there is a story connected with it which is related in none of them On the day appointed for the execution of Lord Lovat of the 45 when the guards entered his cell to conduct him to the place of execution they informed his Lordship that the platforms erected to give the public a good view of the gruesome procession to Tower Hill had collapsed causing the death of several persons Weel weel grimly replied the doomed nobleman the mair mischief the better sport About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
