Ellen Riojas Clark, Belinda Bustos Flores, Howard L. Smith, Daniel Alejandro González, 2015-11-25 While there are volumes
that fall into the category of children s literature there appears to be relatively few that explore the needs of bilingual
learners and the linguistic and sociocultural context of Latino children s literature This volume makes a needed contribution
by addressing the social cultural academic and linguistic needs of Latino bilingual learners who are still underserved through
current school practices We aim to conceptualize different forms of social knowledge so that they can serve as cultural
resources for learning acquiring knowledge and transforming self and identity This volume presents a balance of theory
