Mother Trouble Miranda J. Brady, 2024-10-01 *Mother Trouble* traces white maternal angst in popular culture across a span of more than fifty years from the iconic Rosemary's Baby to anti-vaxx mom memes and HGTV shows. The book narrows in on popular media to think about white maternal angst as a manifestation of feminism's unrealized possibilities and continued omissions since the second wave. It interrogates intersecting systems of power which make mothers and their children the most impoverished people in the world and urges a greater appreciation in academic and popular thinking of the work that mothers do. The book calls for an analytical expansion beyond gender to better address the erasure of reproductive labour and especially that performed by migrants and people of colour. It illustrates the continued marginalization of racialized mothers and the disproportionate amount of labour performed by all mothers in a society where their work is devalued. Ultimately, *Mother Trouble* reveals how the unease around white motherhood in the media has become a proxy for the troubles faced by all mothers.

Understanding The American Promise, Volume 1: To 1877 James L. Roark, Michael P. Johnson, Patricia Cline Cohen, Sarah Stage, Alan Lawson, Susan M. Hartmann, 2011-02-15 In response to the ever-changing challenges of teaching the survey course, *Understanding the American Promise* combines a newly abridged narrative with an innovative chapter architecture to focus students' attention on what's truly significant. Each chapter is fully designed to guide students' comprehension and foster their development of historical skills. Brief and affordable but still balanced in its coverage, this new textbook combines distinctive study aids, a bold new design, and lively art to give your students a clear pathway to what's important.

The A to Z of the Civil War and Reconstruction William L. Richter, 2009-07-24 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated. There was a very real possibility that the union could have been sundered, resulting in a very different American history and probably world history. But the union was held together by tough and determined leaders and by the economic muscle of the North. Following the end of the war, the period of American history known as Reconstruction followed. This was a period construed in many different ways. While the states were once again united, many of the postwar efforts divided different segments of the population and failed to achieve their goals in an era too often remembered for carpetbaggers and scalawags and Congressional imbroglios and incompetent government. This one-volume dictionary, with more than 800 entries covering the significant events, persons, politics, and economic and social themes in the U.S. Civil War and Reconstruction, is a research tool for all levels of readers, from high school and up. The extensive chronology, introductory essay, dictionary entries, and comprehensive bibliography introduce and lead the reader through the military and non-military actions of one of the most pivotal events in American history.

Historical Dictionary of the Civil War and Reconstruction William L. Richter, 2011-12-01 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated. Many historians regard the Civil War as the defining event in American history. At stake was not only freedom for

3 5 million slaves but also survival of the relatively new American experiment in self government A very real possibility existed that the union could have been severed but a collection of determined leaders and soldiers proved their willingness to fight for the survival of what Abraham Lincoln called the last best hope on earth The second edition of this highly readable one volume Historical Dictionary of the Civil War and Reconstruction looks to place the war in its historical context The more than 800 entries encompassing the years 1844 1877 cover the significant events persons politics and economic and social themes of the Civil War and Reconstruction An extensive chronology introductory essay and comprehensive bibliography supplement the cross referenced dictionary entries to guide the reader through the military and non military actions of one of the most pivotal events in American history The dictionary concludes with a selection of primary documents This book is an excellent access point for students researchers and anyone wanting to know more about the Civil War and Reconstruction

A Field Guide to Gay & Lesbian Chicago Kathie Bergquist,Robert McDonald,2006 The first and only book to give gay and lesbian travelers the inside scoop on gay friendly accommodations shopping sports recreation music theater dining and nightlife in the Windy City This chatty opinionated guide to gay life and culture is written by longtime gay neighborhood dwelling Chicagoans for residents and visitors Photos *Merchant Vessels of the United States...* United States. Coast Guard,1972 **Summoned to Glory** Richard Striner,2020-06-01 A radical reinterpretation of America s greatest president Where previous Lincoln biographers describe his temperament as moderate passive or even conservative historian Richard Striner offers a stunningly original perspectivethat will shed significant new light on one of the most studied figures in American history Striner shows Lincoln s audacity as no other book has ever done By emphasizing the workings of Lincoln s mind stressing his cunning his overall honesty strategic thinking even his ability to change his mind Striner looks anew at many topics and themes important to Lincoln s story that either revise or add new meaning to the work of previous biographers His insights into Lincoln s life but also into antebellum America and the military and political history of the Civil War make this book indispensable for well read armchair historians seasoned students of Lincoln the Civil War or the American presidency and newcomers alike **Maryland** Suzanne Ellery Chapelle,Jean B. Russo,Jean H. Baker,Dean R. Esslinger,Edward C. Papenfuse,Constance B. Schulz,Gregory A. Stiverson,2018-09-14 An engaging and accessible introductory history of the people places culture and politics that shaped Maryland In 1634 two ships carrying a small group of settlers sailed into the Chesapeake Bay looking for a suitable place to dwell in the new colony of Maryland The landscape confronting the pioneers bore no resemblance to their native country They found no houses no stores or markets churches schools or courts only the challenge of providing food and shelter As the population increased colonists in search of greater opportunity moved on slowly spreading and expanding the settlement across what is now the great state of Maryland In Maryland historians recount the stories of struggle and success of these early Marylanders and those who followed to reveal how people built modern Maryland Originally published in 1986 this new edition has been thoroughly revised and updated

Spanning the years from the 1600s to the beginning of Governor Larry Hogan's term of office in January 2015 the book more fully fleshes out Native American African American and immigrant history It also includes completely new content on politics arts and culture business and industry education the natural environment and the role of women as well as notable leaders in all these fields Maryland is heavily illustrated with nearly two hundred photographs and illustrations more than half of them in full color as well as related maps charts and graphs many of which are new to this book An extensive index and a comprehensive Further Reading section provide extremely useful tools for readers looking to engage more deeply with Maryland history Touching on major figures from George Calvert to Frederick Douglass and Harriet Tubman to William Donald Schaefer this book takes readers on an unforgettable journey through the history of the Free State It should be in every library and classroom in Maryland

Heritage Auctions US Coin Auction Catalog #1154, Chicago Mark Van Winkle, 2011-03

Elvis Presley Boulevard Mark Winegardner, 2012-02-27 A memoir of a cross country road trip the tourist experience and the cultural touchstones that bring Americans together A great story Publishers Weekly As a boy in Ohio Mark Winegardner spent the formative summers of his wonder years touring the States with his family in a succession of recreational vehicles Much later only months before his wedding he undertakes another transcontinental odyssey this time without benefit of license plate games with his sister or parental warnings to get his feet out of the car window He arms himself with only the bare essentials a Styrofoam cooler a Hawaiian shirt enough cash for gas blue plate specials and the occasional knickknack a buddy and the buddy's ailing 68 Chevy Impala Determined to extract full value from every scenic overlook these two set out to discover America They visit Xanadu Foam House of Tomorrow in Gatlinburg Tennessee and Truth or Consequences New Mexico the only community named after a game show They play the Easter Island Hole at Magic Carpet Golf in Tucson They marvel at the fourteen peacocks strolling Graceland's lawn and at the vastness of the prairie states where no one speaks French or pays to park They collect 3 D glasses They eat Devil Dogs They take the amazing Miracle Photo They discover themselves Most amazing of all they discover an unbroken chain of Elvis tapestries Elvis ashtrays Elvis T shirt wearers and Elvis imitators that unites this land as surely as Route 66 divides it

50 Events That Shaped African American History Jamie J. Wilson, 2019-09-19 This two volume work celebrates 50 notable achievements of African Americans highlighting black contributions to U S history and examining the ways black accomplishments shaped American culture This two volume encyclopedia offers a unique look at the African American experience from the arrival of the first 20 Africans at Jamestown through the launch of the Black Lives Matter movement and the Ferguson Protests It illustrates subjects such as the Jim Crow period the Brown v Board of Education case that overturned segregation Jackie Robinson's landmark integration of major league baseball and the election of Barack Obama as president of the United States Drawing from almost 400 years of U S history the work documents the experiences and impact of black people on every aspect of American life Presented chronologically the selected events each include at least one primary source to provide the

reader with a first person perspective These range from excerpts of speeches given by famous African American figures to programs from the March on Washington The remarkable stories collected here bear witness to the strength of a group of people who chose to survive and found ways to work collectively to force America to live up to the promise of its founding

Bulletin United States. Office of Education,1920 *Bulletin* ,1909 **The Policy of the United States Towards Its Territories with Special Reference to Puerto Rico** José López Baralt,1999 This work of considerable value in terms of the constitutional history of Puerto Rico discusses the historical background of U S territorial policy prior to 1898 The second part deals with events subsequent to that date **Lost at Thaxton** Michael E. Jones,2022-07-02 A record storm triggers a deadly train wreck As 18 perish in the burning debris survivors fight for life in this true story of the 1889 disaster A storm like no one had ever seen caused tiny Wolf Creek in Thaxton Virginia to rage in the darkness of night An earthen fill that carried the railroad over the creek could not withstand the power of the rising water and Norfolk Western passenger train Number Two plummeted into a hole in the earth There in the valley beneath the shadow of the towering Peaks of Otter passengers and crew scrambled from the wreckage and water in a life or death struggle The best and worst of humanity were on display in the small hours of the night as some worked heroically to rescue those trapped in the debris while others stood by concerned only for themselves A terrible fire ensued and those who remained trapped were consumed by the flames The bloodied and battered survivors suffered through four more hours of isolation and torture in the rain alongside the burning wreckage before help would finally arrive Written and extensively researched by the great great grandson of the railroad section master at Thaxton *Lost at Thaxton* tells the forgotten true story of one of the worst railroad accidents in the history of Virginia and the people who lived and died that night In this all new second edition the author has added new research new photos and a new chapter detailing the successful placement of a historical marker at the site of the wreck after the release of the first edition of *Lost at Thaxton* I have stood on the battlefield and heard shot and shell rattling around me and seen my comrades falling like leaves in autumn but I have never seen anything that curdled my blood with horror or moved me to deeper depths of compassion than the scenes of that dreadful night Major Henry N Martin Wreck Survivor

The Supreme Court A-Z Kenneth Jost,2013-11-26 This comprehensive alphabetical encyclopedia of more than 300 easy to read entries is the first resource for anyone who wants reliable information or background material on the significant decisions of the Supreme Court the history of the Court the justices every justice is profiled the powers of the Court and how the institution has evolved from its origins to the present Outstanding Academic Book **The Case for the National Slavery Memorial and Aid to our HBCUs** Peter Thalheim,2024-07-25 It is fitting and proper that the United States dedicate solemnize and erect a memorial on our nation s most precious ground the Washington Mall in Washington District of Columbia to commemorate the slavery and human bondage that existed on these shores before and after the founding of the United States in 1776 and the drafting of our Constitution in 1787 Germany is the only major world military or economic

power to have a memorial in its nation's capital to honor and commemorate a historic wrong committed by a nation. In that case it was the Holocaust murder of over six million Jews during the regime of Adolf Hitler in 1933-1945. The United States is strong enough that she can erect a memorial to the inhumane treatment of people from the African continent whom were enslaved during the Trans-Atlantic slave trade and the horrific treatment of such people and their offspring on these shores. Such memorial should be located on the Washington Mall within view of the Lincoln Memorial as he was martyred by the Slave Power and also visible to the Jefferson Memorial as Thomas Jefferson penned the Declaration of Independence the most significant political document to that time declaring the truth that all are created equal and have certain inalienable rights and that among these are life, liberty and the pursuit of happiness. The Registry of Donors to the National Slavery Memorial has the potential to receive so many donations based on the goodwill of the American people exhibited in part in the aftermath of the killing of African American George Floyd in May 2020. Such donations would far outstrip the cost to design, engineer and erect the memorial that these excess funds would be donated directly to our historically black colleges and universities, a national treasure.

1000 Facts about Superheroes Vol. 3 James Egan, 2016-04-06. Spider-Man has fought Nazis, Batman has fought Superman at least 16 times, David Bowie nearly played Daredevil. The creator of Wonder Woman believed women should govern the world. Thor owns two killer goats. The Justice League have teamed up with He-Man. Stan Lee devised Iron Man to show that he could make the least likeable character successful. Originally Aquaman had to make contact with water every hour or he died. Storm was meant to be called Black Cat and had the power to turn into a feline. Robin killed three people in his debut comic. There is a pig version of Gambit called Hambit. Flash can punch a person a billion times per second. Wolverine allied with Captain America during World War II. Green Arrow has a Nuclear Bomb arrow. Silver Surfer's surfboard is alive. Shazam popularized the phrase Holy moly. The CIA tried to hire The Punisher to kill Osama Bin Laden.

Enslavement in Kentucky Marshall Myers, 2022-06-06. Between the time Daniel Boone led his settlers through the Cumberland Gap and the ratification of the Thirteenth Amendment, slavery was prominent in the Commonwealth. In several constitutional conventions, founders and lawmakers questioned the legality and appropriateness of the issue. At every possible juncture, wealthy slaveholders defended the institution while abolitionists fought one another over the question of slavery. As a result of the fighting, the Thirteenth Amendment was not ratified until the 1970s. Author and historian Marshall Myers dives deep into the means both slaveholders and abolitionists used to secure a policy that supported their beliefs.
