## **Scott Tinleys Winning Triathlon:**

*Finding Triathlon* Scott Tinley, 2015-11-17 Training for and completing a triathlon is one of the most grueling life experiences anyone can have requiring a degree of personal commitment individual strength and iron will that few people possess A true test of your ability to find and then surpass your physical mental and emotional limits the only real analogue to triathlon is the challenge of life itself In *Finding Triathlon* professional athlete Scott Tinley explores the world inside and outside endurance sports seeking answers to age old questions Part memoir part cultural exploration Tinley uses the language of sports to speak universal truths Told through anecdotes both personal and shared with a critical inquisitive and often humorous interpretation of a life lived through the medium of sports Tinley reflects on the sport of triathlon honest competition and the drive to improve ourselves as a whole looking to understand how and why we live our lives *Finding Triathlon* is not a self help book and it s not a fitness guide Nor is it just about triathlons and triathletes It s about a lifestyle a perspective a way of looking at the world and its challenges as you strive to better yourself and better understand yourself Whether you re training for the next big race or you ve never run a mile in your life *Finding Triathlon* speaks to the champion in each of us demonstrating how making the decision to push ourselves to succeed in our dreams can affect our life our world and our future

**Scott Tinley's Winning Triathlon** Scott Tinley, Mike Plant, 1986 *Racing the Sunset* Scott Tinley, 2006-03 A seventh generation Californian Scott Tinley led the quintessential Golden State dream As he grew from beach rat to lifeguard to a recreational administration major it seemed only natural to him that he would try to parlay the athletic skills gleaned from this idyllic lifestyle into a profession as one of the best triathletes in the world For twenty years his skill tenacity and devil may care attitude guided him along the path But when age took hold of his legs and no amount of training would help his athletic gold rush went bust Cracks in his psyche began to show as if beneath it all like much of California itself his athletic life had been built on a fault Always introspective and inquiring Tinley threw himself headlong into athlete retirement and the larger issues of life transition and change His new journey driven by his quest for personal growth and healing was filled with pain false starts and heartrending intimacies It led him to hundreds of other retired professional athletes who would openly discuss their own triumphs and tragedies With much discipline Tinley completed one of the most thorough athlete research projects ever attempted and befriended such superstars as Bill Walton Eric Heiden Greg LeMond Jerry Sherk Steve Scott and Rick Sutcliffe Along the way he uncovered secrets about himself and the process of change turmoil and final acceptance all shared openly and eloquently in *Racing the Sunset* This book will do for athletes of every level what *Passages* did for an entire generation

**Triathlon** Scott Tinley, 1998 Photographs and text chronicle the history of the triathlon from the 1970s through the 1990s and discusses how the first triathlons were organized who the most influential athletes were how the sport has changed and other related topics
