Scottish Literatures Debt To Italy

Nick Havely

Scottish Literatures Debt To Italy:

Scottish Literature's Debt to Italy Ronald D. S. Jack, 1986-01 Scottish Literature Since 1707 Marshall Walker, 2017-07-12 Marshall Walker's lively and readable account of the highs and lows of Scottish literature from this important date to the present addresses the important themes of democracy power and nationhood Disposing of stereotypical ideas about Scotland and the Scots this fresh approach to Scottish literature provides a critical interpretation of its distinctive style and presents the reader with an informative introduction to Scottish culture Coverage includes the Scottish enlightenment and the world of Boswell and David Hulme to the Scottish Renaissance associated with Hugh MacDiarmid Developments in the contemporary literary scene include John McGrath's theatre Company and the fiction and poetry of Alastair Gray and Ian Crichton Smith Particular attention is given to the work of Scottish women writers such as Lady Grizel Baillie and Liz Lochhead who have been much neglected in previous literature *Machiavelli in the British Isles* Alessandra Petrina, 2016-05-13 Machiavelli in the British Isles reassesses the impact of Machiavelli's *The Prince* in sixteenth century England and Scotland through the analysis of early English translations produced before 1640 surviving in manuscript form This study concentrates on two of the four extant sixteenth century versions William Fowler's Scottish translation and the Queen's College Oxford English translation which has been hitherto overlooked by scholars Alessandra Petrina begins with an overview of the circulation and readership of Machiavelli in early modern Britain before focusing on the eight surviving manuscripts She reconstructs each manuscript's history and the afterlife of the translations before moving to a detailed examination of two of the translations Petrina's investigation of William Fowler's translation takes into account his biography in order to understand the Machiavellian influence on early modern political thought Her study of the Queen's College translation analyses the manuscript's provenance as well as technical details including writing and paper quality Importantly this book includes annotated editions of both translations which compare the texts with the original Italian versions as well as French and Latin versions With this volume Petrina has compiled an important reference source offering easy access to little known translations and shedding light on a community of readers and scholars who were fascinated by Machiavelli despite political or religious opinion **The Italian Influence on Scottish Literature** Ronald D. S. Jack, 1972 Written in the Language of the Scottish Nation John Corbett, 1999 This text is a survey of Scots literary translations from the 15th to the 20th century It argues that translation has played a central role in the development of literature in Scots lending authority to the vernacular and extending the stylistic range open to writers in Scots Scottish Literature in English and Scots Douglas Gifford, Sarah Dunnigan, Alan MacGillivray, Beth Dickson, 2002 This substantial new volume is a stimulating yet in depth introduction to Scottish literature in English and Scots From medieval to modern the entire range of literature is introduced examined and explored Aimed primarily at those with an interest in Scottish literature this guide also responds to the need for students and teachers to have detailed discussions of individual authors and texts The volume looks at Scottish

literature in six period sections Early Scottish Literature Eighteenth Century The Age of Scott Victorian and Edwardian The Twentieth Century Scottish Literary Renaissance and Scottish Literature since 1945 Each section begins with an overview of the period followed by several chapters examining exemplary authors and texts Each section finishes with an extensive discussion including suggestions as to how to further explore the rich and often neglected hinterlands of Scottish writing Extensive reading lists identify primary texts of the period as well as details of a wide range of additional authors Opening up neglected areas of study as well as responding to the burgeoning interest in novelists modern poets and dramatists this book serves as an invaluable guide to Scottish Literature

The Impact of Latin Culture on Medieval and Early Modern Scottish Writing Ian Johnson, Alessandra Petrina, 2018-04-30 In the late medieval and early modern periods Scottish latinity had its distinctive stamp most intriguingly so in its effects upon the literary vernacular and on themes of national identity This volume shows how when viewed through the prism of latinity Scottish textuality was distinctive and fecund The flowering of Scottish writing owed itself to a subtle combination of literary praxis the ideal of eloquentia and ideological deftness which enabled writers to service a burgeoning national literary tradition

A Companion to Scottish Literature Gerard Carruthers, 2023-12-26 A Companion to Scottish Literature offers fresh readings of major authors and periods of Scottish literary production from the first millennium to the present Bringing together contributions by many of the world's leading experts in the field this comprehensive resource provides the historical background of Scottish literature highlights new critical approaches and explores wider cultural and institutional contexts Dealing with texts in the languages of Scots English and Gaelic the Companion offers modern perspectives on the historical milieux thematic contexts and canonical writers of Scottish literature Original essays apply the most up to date critical and scholarly analyses to a uniquely wide range of topics such as Gaelic literature national and diasporic writing children's literature Scottish drama and theatre gender and sexuality and women's writing Critical readings examine William Dunbar Robert Burns Walter Scott Robert Louis Stevenson Muriel Spark and Carol Ann Duffy amongst others With full references and guidance for further reading as well as numerous links to online resources A Companion to Scottish Literature is essential reading for advanced students and scholars of Scottish literature as well as academic and non academic readers with an interest in the subject

The Lily and the Thistle William Calin, 2014-01-01 In *The Lily and the Thistle* William Calin argues for a reconsideration of the French impact on medieval and renaissance Scottish literature Calin proposes that much of traditional medieval and early modern Scottish culture thought to be native to Scotland or primarily from England is in fact strikingly international and European By situating Scottish works in a broad intertextual context Calin reveals which French genres and modes were most popular in Scotland and why *The Lily and the Thistle* provides appraisals of medieval narrative texts in the high courtly mode equivalent to the French *l'Amour* comic didactic and satirical texts and Scots romance Special attention is accorded to texts composed originally in French such as the Arthurian *Roman de Fergus* as well as to the lyrics of Mary Queen of Scots and little known writers from

the French and Scottish canons By considering both medieval and renaissance works Calin is able to observe shifts in taste and French influence over the centuries

Scottish Literature's Debt to Italy R.D.S. Jack,2010-08 The first edition of Scottish Literature s Debt to Italy was commissioned by the Edinburgh Italian Cultural Institute and published by Edinburgh University Press in 1986 It was designed as a shortened version of the author s earlier monograph The Italian Influence on Scottish Literature Edinburgh University Press 1972 A more selective approach and further research meant that the chronological period shared by both texts from Henryson to the Nineteenth Century was more incisively and more authoritatively presented in the shorter book The studies of John Stewart in the 16th century and Sir Thomas Urquhart of Cromarty in the 17th benefited particularly from the gap in time and preparation as did the discussions on Walter Scott and Tobias Smollett Additions within and beyond that period were also introduced Byron is an example of the first category while studies of modern writers including Edwin Morgan Robert Garioch Muriel Spark and Victor Carin carry the survey of literary links between Scotland and Italy into the modern period The present edition is published in recognition of the book s continued popularity at a time when Scottish critics are beginning to look outwards in a freer less nationalistically defensive manner than in the past As Italian scholars including Marco Fazzini and Alessandra Petrina have mirrored this enthusiasm the Italian Scottish comparative line has become especially strong In order to retain the original unity of structure the second edition retains the chronological remit of the first but does reflect and react to topics where the author s subsequent research has altered his view e g translation or where the arguments of others have disproved his earlier argument e g William Fowler and patronage In these ways it is hoped that the new edition will continue to meet the need for an overview of the topic while recognizing the advances made in the interim R D S Jack F R S E F E A is Emeritus Professor of Mediaeval and Scottish Literature at Edinburgh University His earlier books include Scottish Prose 1550 1700 1972 The Italian Influence on Scottish Literature 1972 Scottish Verse 1560 1660 1978 Alexander Montgomerie 1985 History of Scottish Literature Vol 1 1988 Patterns of Divine Comedy 1989 William Dunbar 1996 The Mercat Anthology of Early Scottish Literature 2000 with P A T Rozendaal and Scotland in Europe 2006 with Tom Hubbard In 2010 the 150th anniversary of Barrie s birth a reprint has appeared from humming earth of The Road to the Never Land Rodopi will publish another monograph Myths and the Myth maker A Literary Account of J M Barrie s Formative Years in December 2010

The History of Scottish Literature Cairns Craig,1987

Frae Ither Tongues Bill Findlay,2004-03-16 Not only has the period of the past seventy years been the richest for literary translation into Scots since the sixteenth century but it can claim to be the richest in terms of the quantity of work and the range of languages and genres translated This collection of essays by translators and critics represents the first extended analysis of the nature and practice of modern translation into Scots

John Stewart of Baldynneis Roland Furious Donna Heddle,2007-11-30 The poetry of John Stewart of Baldynneis one of James VI s soi disant Castalian Band is a relatively unknown phenomenon of the Renaissance period This book is a critical

edition of his epic poem *Roland Furious* supposedly a translation of Ludovico Ariosto's *Orlando Furioso* into Scots but actually a brilliantly original poem which directly follows guidelines given by James VI for the creation of such literature in the Scottish vernacular. A fully annotated version of the text is given along with a critical induction discussing the main European influences on Stewart's work, notes to the text, an appendix of proper and personal names and a full glossary. This book provides an important link in the history of Scottish poetry. Brill's *Texts and Sources in Intellectual History* vol 4. [The Princeton Encyclopedia of Poetry and Poetics](#) Stephen Cushman, Clare Cavanagh, Jahan Ramazani, Paul Rouzer, 2012-08-26. The most important poetry reference for more than four decades now fully updated for the twenty first century. Through three editions over more than four decades, *The Princeton Encyclopedia of Poetry and Poetics* has built an unrivaled reputation as the most comprehensive and authoritative reference for students, scholars, and poets on all aspects of its subject: history, movements, genres, prosody, rhetorical devices, critical terms, and more. Now this landmark work has been thoroughly revised and updated for the twenty first century. Compiled by an entirely new team of editors, the fourth edition, the first new edition in almost twenty years, reflects recent changes in literary and cultural studies, providing up to date coverage and giving greater attention to the international aspects of poetry, all while preserving the best of the previous volumes. At well over a million words and more than 1,000 entries, the *Encyclopedia* has unparalleled breadth and depth. Entries range in length from brief paragraphs to major essays of 15,000 words, offering a more thorough treatment, including expert synthesis and indispensable bibliographies, than conventional handbooks or dictionaries. This is a book that no reader or writer of poetry will want to be without. Thoroughly revised and updated by a new editorial team for twenty first century students, scholars, and poets. More than 250 new entries cover recent terms, movements, and related topics. Broader international coverage includes articles on the poetries of more than 110 nations, regions, and languages. Expanded coverage of poetries of the non-Western and developing worlds. Updated bibliographies and cross references. New, easier to use page design. Fully indexed for the first time. *The Princeton Handbook of World Poetries* Roland Greene, Stephen Cushman, 2016-11-15. An authoritative and comprehensive guide to poetry throughout the world. *The Princeton Handbook of World Poetries*, drawn from the latest edition of the acclaimed *Princeton Encyclopedia of Poetry and Poetics*, provides a comprehensive and authoritative survey of the history and practice of poetry in more than 100 major regional, national, and diasporic literatures and language traditions around the globe. With more than 165 entries, the book combines broad overviews and focused accounts to give extensive coverage of poetic traditions throughout the world. For students, teachers, researchers, poets, and other readers, it supplies a one-of-a-kind resource offering in-depth treatment of Indo-European poetries, all the major Celtic, Slavic, Germanic, and Romance languages, and others; ancient Middle Eastern poetries; Hebrew, Persian, Sumerian, and Assyrian; Babylonian, subcontinental Indian, Bengali, Hindi, Marathi, Punjabi, Sanskrit, Tamil, Urdu, and more; Asian and Pacific poetries; Chinese, Japanese, Korean, Vietnamese, Mongolian, Nepalese, Thai, and Tibetan; Spanish American poetries; those of

Mexico Peru Argentina Chile and many other Latin American countries indigenous American poetries Guaran Inuit and Navajo and African poetries those of Ethiopia Somalia South Africa and other countries and including African languages English French and Portuguese Complete with an introduction by the editors this is an essential volume for anyone interested in understanding poetry in an international context Drawn from the latest edition of the acclaimed Princeton Encyclopedia of Poetry and Poetics Provides more than 165 authoritative entries on poetry in more than 100 regional national and diasporic literatures and language traditions throughout the world Features extensive coverage of non Western poetic traditions Includes an introduction bibliographies cross references and a general index

Gendering the Nation Christopher Whyte, 2019-08-08 Too often seen as a ghost from the past nationalism has resurfaced as a major factor in European politics and culture A powerful commitment to national autonomy has marked Scottish writing throughout the twentieth century How has the emergence of new voices from feminist gay and lesbian critics transformed that commitment How critical and pluralistic can the new nationalisms be This collection serves notice that the tradition is being read in new and disruptive ways Five women and four men examine the relationship between gender and nationality how male and female authors portray women the treatment of sexuality in Scottish writing the construction of Scottish masculinity and its relation to class and homophobia Covering modern fiction and theatre poetry film and television it is a provocative reassessment of the gender and culture of a stateless nation

Dante's British Public Nick Havely, 2014-07-24 This is the first account of Dante's reception in English to address full chronological span of that process Individual authors and periods have been studied before but Dante's British Public takes a wider and longer view using a selection of vivid and detailed case studies to record and place in context some of the wider conversations about and appropriations of Dante that developed in Britain across more than six centuries as access to his work extended and diversified Much of the evidence is based on previously unpublished material in for example letters journals annotations and inventories and is drawn from archives in the UK and across the world from Milan to Mumbai and from Berlin to Cape Town Throughout the role of Anglo Italian cultural contacts and intermediaries in shaping the public understanding of Dante in Britain is given prominence from clerics and merchants around Chaucer's time through itinerant scholars collectors and tourists in the early modern period to the exiles and expatriates of the nineteenth and twentieth centuries The final chapter brings the story up to the present showing how the poet's work has been seen from the fourteenth century onwards as accessible to the many and demonstrating some of the means by which Dante has reached a yet wider British public over the past century particularly through translation illustration and various forms of performance

Edwin Morgan Colin Nicholson, 2002 Edwin Morgan is Scotland's major living poet and *Inventions of Modernity* is the first book length study of his work Since the 1940s Morgan's poetry has been carving out an alternative to the conventional evolutions from Modernism to Postmodernism creating instead a substantial body of writing that ranges from the sublime to the hilarious Morgan develops radical and libertarian poetics in an

encyclopaedia of forms from Anglo Saxon meter through sonnet sequences to concrete poems and including gay poetry
 science fiction verse and prize winning translations into both English and Scots from numerous languages Scotland's
 Harvest Richie McCaffery, 2023-07-24 This study is the first exploration of the impact of World War Two on Scottish poets of
 both the front line and the home front World War One has always been thought of as a poet's war one of horror and futility
 The poetry of World War Two by contrast has long languished in its shadow though there was a much greater amount of it
 written This book asks whether these poets felt they were grown for war or rather that they grew through war experience
 with an emphasis on the possibilities of the future instead of cataloguing the senseless horror of the battlefield How were the
 hopes of Scottish poets different from their English counterparts How was their poetry different and how did it impact on
 their later lives *Renaissance Culture in Context* Jean R. Brink, William F. Gentrup, 2017-07-05 Scholarly traditions of the
 nineteenth and twentieth centuries have led us to assume that national traditions were defining in a way that they may not
 have been during the Renaissance when Latin remained an international language This collection interrogates the historical
 importance of national traditions many of which depend upon geographical boundaries that took their shape only after the
 emergence of the nation state in the modern period In a seminal essay on Scottish literature R D S Jack delineates the
 problems of defining a national literature Zirka Zaremba Filipczak traces connections between Italy and The Netherlands
 while Jozef Ijsewijn examines the use of Italian models by neo Latin authors and Francis M Higman offers a preliminary study
 of European translations of Reformation authors Paul W Knoll reminds us that the division between western and eastern
 Europe dates from this century by demonstrating the impact of Italian humanism on Polish universities Divisions among
 disciplines are also challenged by the contributors to this volume Arthur F Kinney brilliantly shows that literature is enriched
 by an understanding of historical and political texts Jacqueline L Glomski questions the division between historiography and
 art while Howard Mayer Brown indicates the importance of literary concepts such as rhetoric and genre for the Italian
 madrigal and Norman K Farmer Jr of theological texts for interpreting poetry Minna Skafte Jensen traces the impact of a
 major reformer on some Danish poets Conceptual forms of internationality are explored in essays by Bart Westerweel on time
 Bruce P Lenman on geography and Karen Skovgaard Petersena and Karin Tilmans on historiography Taken together the
 essays in this volume offer a compelling and persuasive justification for an interdisciplinary and international approach to the
 study of Renaissance culture

This is likewise one of the factors by obtaining the soft documents of this **Scottish Literatures Debt To Italy** by online. You might not require more get older to spend to go to the ebook establishment as without difficulty as search for them. In some cases, you likewise do not discover the broadcast Scottish Literatures Debt To Italy that you are looking for. It will no question squander the time.

However below, past you visit this web page, it will be appropriately unquestionably easy to acquire as with ease as download guide Scottish Literatures Debt To Italy

It will not take many get older as we notify before. You can complete it even though sham something else at house and even in your workplace. so easy! So, are you question? Scottish Literatures Debt To Italy Introduction

In the digital age, access to information has become easier than ever before. The ability to download Scottish Literatures Debt To Italy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Scottish Literatures Debt To Italy has opened up a world of possibilities. Downloading Scottish Literatures Debt To Italy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Scottish Literatures Debt To Italy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Scottish Literatures Debt To Italy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Scottish Literatures Debt To Italy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal

distribution of content. When downloading Scottish Literatures Debt To Italy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Scottish Literatures Debt To Italy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Scottish Literatures Debt To Italy Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Scottish Literatures Debt To Italy is one of the best book in our library for free trial. We provide copy of Scottish Literatures Debt To Italy in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Scottish Literatures Debt To Italy. Where to download Scottish Literatures Debt To Italy online for free? Are you looking for Scottish Literatures Debt To Italy PDF? This is definitely going to save you time and cash in something you should think about.
