Monasteries and Society in the British Isles in the Later Middle Ages Janet E. Burton, Karen Stöber, 2008 New essays on the monastic life in the later middle ages show that far from being in decline it remained rich and vibrant In recent years there has been an increasing interest in the history of the numerous houses of monks canons and nuns which existed in the medieval British Isles considering them in their wider socio cultural economic context historians are now questioning some of the older assumptions about monastic life in the later Middle Ages and setting new approaches and new agenda The present volume reflects these new trends Its fifteen chapters assess diverse aspects of monastic history focusing on the wide range of contacts which existed between religious communities and

the laity in the later medieval British Isles covering a range of different religious orders and houses This period has often been considered to represent a general decline of the regular life but on the contrary the essays here demonstrate that there remained a rich monastic culture which although different from that of earlier centuries remained vibrant CONTRIBUTORS KAREN STOBBER JULIE KERR EMILIA JAMROZIAK MARTIN HEALE COLMAN O CLABAIGH ANDREW ABRAM MICHAEL HICKS JANET BURTON KIMM PERKINS CURRAN JAMES CLARK GLYN COPPACK JENS ROHRKASTEN SHEILA SWEETINBURGH NICHOLAS ORME CLAIRE CROSS History, Literature, and Music in Scotland, 700-1560 Russell Andrew McDonald, 2002-01-01 McDonald brings together contributions from scholars working in different disciplines but with a common interest in this history and society of Scotland between AD 700 and AD 1560 Death, life, and religious change in Scottish towns c. 1350-1560 Mairi Cowan, 2017-10-03 Death life and religious change in Scottish towns c 1350 1560 examines lay religious culture in Scottish towns between the Black Death and the Protestant Reformation It looks at what the living did to influence the dead and how the dead were believed to influence the living in turn it explores the ways in which townspeople asserted their individual desires in the midst of overlapping communities and it considers both continuities and changes highlighting the Catholic Reform movement that reached Scottish towns before the Protestant Reformation took hold Students and scholars of Scottish history and of medieval and early modern history more broadly will find in this book a new approach to the religious culture of Scottish towns between 1350 and 1560 one that interprets the evidence in the context of a time when Europe experienced first a flourishing of medieval religious devotion and then the sterner discipline of early modern Reform Scotland Re-formed, 1488-1587 Jane Dawson, 2007-10-26 From the death of James III to the execution of Mary Queen of Scots Jane Dawson tells story of Scotland from the perspective of its regions and of individual Scots as well as incorporating the view from the royal court Scotland Re formed shows how the country was re formed as the relationship between church and crown changed with these two institutions converging merging and diverging thereby permanently altering the nature of Scottish governance Society was also transformed especially by the feuars new landholders who became the backbone of rural Scotland The Reformation Crisis of 1559 60 brought the establishment of a Protestant Kirk an institution influencing the lives of Scots for many centuries and a diplomatic revolution that discarded the auld alliance and locked Scotland s future into the British Isles Although the disappearance of the pre Reformation church left a patronage deficit with disastrous effects for Scottish music and art new forms of cultural expression arose that

Narratives of the Religious Self in Early-Modern Scotland David George Mullan, 2016-04-22 Drawing on a rich yet untapped source of Scottish autobiographical writing this book provides a fascinating insight into the nature and extent of early modern religious narratives Over 80 such personal documents including diaries and autobiographies manuscript and published clerical and lay feminine and masculine are examined and placed both within the context of seventeenth century Scotland and also early modern narratives produced elsewhere In addition to the focus on narrative the study also revolves

around the notion of conversion which while a concept known in many times and places is not universal in its meaning but must be understood within the peculiarities of a specific context and the needs of writers located in a specific tradition here Puritanism and evangelical Presbyterianism These conversions and the narratives which provide a means of articulation draw deeply from the Bible including the Psalms and the Song of Solomon The context must also include an appreciation of the political history especially during the religious persecutions under Charles II and James VII and later the changing and unstable conditions experienced after the arrival of William and Mary on her father's throne Another crucial context in shaping these narratives was the form of religious discourse manifested in sermons and other works of divinity and the work seeks to investigate relations between ministers and their listeners Through careful analysis of these narratives viewing them both as individual documents and as part of a wider genre a fuller picture of seventeenth century life can be drawn especially in the context of the family and personal development Thus the book may be of interest to students in a variety of areas of study including literary historical and theological contexts It provides for a greater understanding of the motivations behind such personal expressions of early modern religious faith whose echoes can still be heard today The Reformation World Andrew Pettegree,2000 The most ambitious one volume survey of the Reformation yet this book is beautifully illustrated throughout The strength of this work is its breadth and originality covering the Church art Calvinism and Luther West Over Sea Beverley Ballin Smith,Simon Taylor,Gareth Williams,2007 This volume is a collection of 30 papers on the broad subject of the Scandinavian expansion westwards to Britain Ireland and the North Atlantic with a particular emphasis on settlement The volume has been prepared in tribute to the work of Barbara E Crawford on this subject and to celebrate the twentieth anniversary of the publication of her seminal book *Scandinavian Scotland* Reflecting Dr Crawford's interests the papers cover a range of disciplines and are arranged into four main sections History and Cultural Contacts The Church and the Cult of Saints Archaeology Material Culture and Settlement Place Names and Language The combination provides a variety of new perspectives both on the Viking expansion and on Scandinavia's continued contacts across the North Sea in the post Viking period Contributors include Lesley Abrams Haki Antonsson Beverley Ballin Smith James Barrett Paul Bibire Nicholas Brooks Dauvit Broun Margaret Cormac Neil Curtis Clare Downham Gillian Fellows Jensen Ian Fisher Katherine Forsyth Peder Gammeltoft Sarah Jane Gibbon Mark Hall Hans Emil Liden Christopher Lowe Joanne McKenzie Christopher Morris Elizabeth Okasha Elizabeth Ridel Liv Schei J n Vi ar Sigur sson Brian Smith Steffen Stumann Hansen Frans Arne Stylegrd Simon Taylor William Thomson Gareth Williams Doreen Waugh and Alex Woolf **Scotland, England, and the Reformation, 1534-61** Clare Kellar,2003 This text challenges the accepted view of the Reformation as taking different courses in England and Scotland Instead Clare Kellar illuminates the dynamic religious interplay between the neighbouring realms and shows how the processes of reform were thoroughly intertwined *Rosslyn Chapel Revealed* Michael T R B Turnbull,2009-03-01 *Rosslyn Chapel Revealed* offers the reader an increased understanding and respect for one of Europe's

finest pre Reformation buildings Rosslyn Chapel with its fountains in the world of nature still points bravely to the heavens That there is mystery of the esoteric Gnostic variety available only to the initiated few Instead it is knowledge accessible to all of the dynamic intertwining of the created world with the impulse towards self fulfilment Rosslyn Chapel Revealed shows that the chapel is first and foremost a Christian building constructed in the traditions of the pre Reformation Church for the celebration in word gesture and music of the Divine Office and of the ultimate sacrifice Jesus Christ suffered on his cross for the salvation of the human race The stunning beauty of the chapel its unexpected delicacy and the uninhibited humour of its stone carvings which have drawn visitors in such avid numbers from all over the world are a tribute to the honesty and validity of the religious experience to be found within its ancient walls in a breathtaking setting of valley and river that is older than time
