Scrapbook Uncollected Work 19902004:

Shortcomings Adrian Tomine, 2024-06-11 Ben and Miko's relationship is in trouble. He's a struggling filmmaker she works for a local film festival and in various ways they're both searching for something else. When he's not managing a derelict movie theater Ben spends his time obsessing over unavailable blonde women watching Criterion Collection DVDs and eating in diners with his best friend Alice a grad student with a serial dating habit. When Miko moves to New York for an internship Ben begins to explore what he thinks he wants throwing himself headfirst into new relationships unfamiliar surroundings and uncharted emotional territory. Equal parts comedy and drama *Shortcomings* explores the complexities of culture desire and Asian American identity with a critical eye and unsparing irreverent wit. Based on Adrian Tomine's groundbreaking graphic novel of the same name *Shortcomings* was written by Tomine and directed by Randall Park. It premiered at the Sundance Film Festival and was an official selection at the Tribeca Festival in advance of a theatrical release from Sony Pictures Classics. Tomine's screenplay is presented here with extensive annotations commentary and bonuses including alternate and deleted scenes a selection of color film stills an introduction from Randall Park and an exclusive new comic from Tomine. An essential companion to the original graphic novel this volume is an illuminating document of an iconic story's adaptation from page to screen.

32 Stories Adrian Tomine, 2022-05-20 Between the ages of seventeen and twenty Adrian Tomine self-published a series of mini-comics small hand-assembled booklets that he wrote drew and distributed himself. Entitled *Optic Nerve* these comics were comprised of short vignettes and stories which displayed a youthful energy an unabashed sense of experimentation and the first hints of the distinctive realist style that Tomine would go on to perfect. Over the course of those three years word of mouth spread about these comics and something that began as a teenage hobby was recognized as the arrival of a promising new talent. By 1994 *Drawn Quarterly* had taken over the publishing of Tomine's comics and these original seven issues sold out and were left out of print. *32 Stories* presents those rare early mini-comics for the first time in archival facsimile form all seven issues in their entirety faithfully reproduced and collected in one box. Also included in this edition a supplementary booklet containing unpublished artwork unseen photos and new introductions by Adrian Tomine and publisher Chris Oliveros.

Sleepwalk Adrian Tomine, 2022-06-27 Collecting the first four issues of Adrian Tomine's acclaimed comic series *Optic Nerve* this book offers sixteen concise haunting tales of modern life. The characters here appear to be well-adjusted on the surface but Tomine takes us deeper into their lives subtly examining their struggle to connect with friends and lovers.

Scrapbook Adrian Tomine, 2004-06 *Scrapbook* presents a comprehensive collection of the work of Adrian Tomine ranging from the strips originally published in *Tower Records Pulse* magazine to his illustration and design work.

Killing and Dying Adrian Tomine, 2021-05-04 *Killing and Dying* is a stunning showcase of the possibilities of the graphic novel medium and a wry exploration of loss creative ambition identity and family dynamics. With this work Adrian Tomine *Shortcomings* *Scenes from an Impending Marriage* reaffirms his place not only as

one of the most significant creators of contemporary comics but as one of the great voices of modern American literature His gift for capturing emotion and intellect resonates here the weight of love and its absence the pride and disappointment of family the anxiety and hopefulness of being alive in the twenty first century Amber Sweet shows the disastrous impact of mistaken identity in a hyper connected world A Brief History of the Art Form Known as Hortisculpture details the invention and destruction of a vital new art form in short comic strips Translated from the Japanese is a lush full color display of storytelling through still images the title story Killing and Dying centers on parenthood mortality and stand up comedy In six interconnected darkly funny stories Tomine forms a quietly moving portrait of contemporary life Tomine is a master of the small gesture equally deft at signaling emotion via a subtle change of expression or writ large across landscapes illustrated in full color Killing and Dying is a fraught realist masterpiece

Summer Blonde Adrian Tomine, 2022-06-27 Adrian Tomine's cult comic series Optic Nerve is finally collected into one sharp looking hardcover graphic novel Described as the Raymond Carver of comic Tomine constructs tales of emotional disconnection with an ear for painfully real dialogue Combined with his deft black and white depictions of urbane lifestyles Tomine's fans have often accused him of eavesdropping in on their most intimate moments and with forensic skill laying their lives bare The conflicts between emotional gratification narcissistic neediness and moral discernment mark the title story Summer Blonde in which a socially crippled man nurses an obsessive crush on a young woman He watches close up paralyzed by his guilt as her beauty catches the eye of his neighbor a hip selfish young man with a short attention span One of Optic Nerve's most popular stories Hawaiian Getaway features Hilary telephone service rep who is having the worst week of her life She lost her job her apartment and her grandmother Close to the edge she is losing her grip Reaching out to random strangers on the phone Hilary is looking for someone to help her In Alter Ego a successful young author has writer's block He can't or won't decide between another ghostwriting gig and finishing his second real novel He stalls on committing to his novel and his girlfriend when a chance postcard leads him to flirt with fantasies of changing the past Finally Bomb Scare documents the early unease of his generation by setting this coming of age story during the tense months of the Gulf War the event that ushered in the 1990s
