Flashes Rashna Wadia Richards, 2013 *Cinematic Flashes* challenges popular notions of a uniform Hollywood style by disclosing uncanny networks of incongruities coincidences and contingencies at the margins of the cinematic frame In an agile demonstration of cinephiliac historiography Rashna Wadia Richards extracts intriguing film fragments from their seemingly ordinary narratives in order to explore what these unexpected moments reveal about the studio era Inspired by Walter Benjamin s preference for studying cultural fragments rather than composing grand narratives this unorthodox history of the films of the studio system reveals how classical Hollywood emerges as a disjointed network of accidents excesses and coincidences Hedda Hopper's Hollywood Jennifer Frost, 2011-01-10 Before Liz Smith and Perez Hilton became household names in the world of celebrity gossip before Rush Limbaugh became the voice of conservatism there was Hedda Hopper In 1938 this 52 year old struggling actress rose to fame and influence writing an incendiary gossip column Hedda Hopper s *Hollywood* that appeared in the *Los Angeles Times* and other newspapers throughout Hollywood s golden age Often eviscerating moviemakers and stars her column earned her a nasty reputation in the film industry while winning a legion of some 32 million fans whose avid support established her as the voice of small town America Yet Hopper sought not only to build her career as a gossip columnist but also to push her agenda of staunch moral and political conservatism using her column to argue against U S entry into World War II uphold traditional views of sex and marriage defend racist roles for African Americans and enthusiastically support the Hollywood blacklist While usually dismissed as an eccentric crank Jennifer Frost argues that Hopper has had a profound and lasting influence on popular and political culture and should be

viewed as a pivotal popularizer of conservatism The first book to explore Hopper s gossip career and the public s response to both her column and her politics Hedda Hopper s Hollywood illustrates how the conservative gossip maven contributed mightily to the public understanding of film while providing a platform for women to voice political views within a traditionally masculine public realm Jennifer Frost builds the case that as practiced by Hopper and her readers Hollywood gossip shaped key developments in American movies and movie culture newspaper journalism and conservative politics along with the culture of gossip itself all of which continue to play out today Read a review of the book from the Chronicle of Higher Education blog Tenured Radical **The Aesthetic Pleasures of Girl Teen Film** Samantha Colling,2017-07-27

In the 1930s as the capitalist system faltered many in the United States turned to the political Left Hollywood so deeply embedded in capitalism was not immune to this shift Left of Hollywood offers the first book length study of Depression era Left film theory and criticism in the United States Rob studies the development of this theory and criticism over the course of the 1930s as artists and intellectuals formed alliances in order to establish an engaged political film movement that aspired toward a popular cinema of social change Combining extensive archival research with careful close analysis of films Rob explores the origins of this radical social formation of U S Left film culture Grounding his arguments in the surrounding contexts and aesthetics of a few films in particular Sergei Eisenstein s Que Viva Mexico Fritz Lang s Fury William Dieterle s Juarez and Jean Renoir s La Marseillaise Rob focuses on how film theorists and critics sought to foster audiences who might push both film culture and larger social practices in more

progressive directions Turning at one point to anti lynching films Rob discusses how these movies united black and white film critics forging an alliance of writers who championed not only critical spectatorship but also the public support of racial equality Yet despite a stated interest in forging more egalitarian social relations gender bias was endemic in Left criticism of the era and female centered films were regularly discounted Thus Rob provides an in depth examination of this overlooked shortcoming of U S Left film criticism and theory *Photography in India* Aileen Blaney,Chinar Shar,2020-09-23

Photography s prominence in the representation and experience of India in contemporary and historical times has not guaranteed it a position of sustained attention in research and scholarship For a technology as all pervasive as photography and a country as colossal as India this scenario is somewhat of an anomaly *Photography in India* explores elements of the past present and future of photography in the context of India through speculation and reflection on photography as an artistic documentary and everyday practice The perspectives of writers theorists curators and artists are selectively brought to bear upon known as well as previously unseen photographic archives together with changes in photographic practice that have been synchronous with contemporary India s rapid urban and rural transformation and the technological shift from chemistry and light to programming and algorithms Essential reading for anyone interested in Indian photography this book binds insights into a history of photography with its contemporary development consolidating wide ranging thinking on the topic and setting the agenda for future research *A Companion to Popular Culture* Gary Burns,2016-03-09

Claire Trevor 1910 2000 is best remembered as the alluring blonde femme fatale in such iconic noir films as *Murder My Sweet* 1944 and *Raw Deal* 1948 Yet she was a versatile performer who brought rare emotional depth to her art She was effective in a range of diverse roles from an outcast prostitute in John Ford s classic *Stagecoach* 1939 to the ambitious tennis mother in *Hard Fast and Beautiful* 1951 to the embittered wife of a landowner in William Wellman s overlooked gem *My Man and I* 1952 Nominated for three Oscars she deservedly won Best Supporting Actress for her portrayal of Gaye Dawn a gangster s broken down moll in *Key Largo* 1948 The author covers her life and career in detail recognizing her as one of the finest actresses of her generation **Neo-Feminist Cinema** Hilary Radner,2010-11-01

What lies behind current feminist discontent with contemporary cinema Through a combination of cultural and industry analysis Hilary Radner s *Neo Feminist Cinema* *Girly Films* *Chick Flicks* and *Consumer Culture* shows how the needs of conglomerate Hollywood have encouraged an emphasis on consumer culture within films made for women By exploring a number of representative girly films including

Pretty Woman Legally Blonde Maid in Manhattan The Devil Wears Prada and Sex and the City The Movie Radner proposes that rather than being post feminist as is usually assumed such films are better described as neo feminist Examining their narrative format as it revolves around the story of an ambitious unmarried woman who defines herself through consumer culture as much as through work or romance Radner argues that these films exemplify neo liberalist values rather than those of feminism As such Neo Feminist Cinema offers a new explanation as to why feminist oriented scholars and audiences who are seeking more than labels and love from their film experience have viewed recent girly films as a betrayal of second wave feminism and why on the other hand such films have proven to be so successful at the box office **Film - An**

often manipulative industry to dictate the path of their own careers through freelancing Runner up Richard Wall Memorial Award Theatre Library Association 2016 During the heyday of Hollywood's studio system stars were carefully cultivated and promoted but at the price of their independence This familiar narrative of Hollywood stardom receives a long overdue shakeup in Emily Carman's new book Far from passive victims of coercive seven year contracts a number of classic Hollywood's best known actresses worked on a freelance basis within the restrictive studio system In leveraging their stardom to play an active role in shaping their careers female stars including Irene Dunne Janet Gaynor Miriam Hopkins Carole Lombard and Barbara Stanwyck challenged Hollywood's patriarchal structure Through extensive original archival research Independent Stardom uncovers this hidden history of women's labor and celebrity in studio era Hollywood Carman weaves a compelling narrative that reveals the risks these women took in deciding to work autonomously Additionally she looks at actresses of color such as Anna May Wong and Lupe Velez whose careers suffered from the enforced independence that resulted from being denied long term studio contracts Tracing the freelance phenomenon among American motion picture talent in the 1930s Independent Stardom rethinks standard histories of Hollywood to recognize female stars as creative artists sophisticated businesswomen and active players in the then as now male dominated film industry *The Sex Goddess in American Film, 1930-1965* Jessica Hope Jordan, 2009 In the first critical study of the sex goddess in film Jessica Hope Jordan illustrates how Jean Harlow uses her sexualized body to affect and seduce viewers away from any primary identification with those characters and their plotlines that are supposed to lead the film to identifying instead with the kind of sexual empowerment and self possession her characters consistently display Linking the idea of sexual empowerment to the filmic and public celebration of hyper feminine sexuality the book additionally covers previous feminist discussions of Mae West's performances as feminist camp to argue that West sought to both celebrate and embody for women viewers what she viewed as cultural ideals of femininity and women's sexuality With Lana Turner and the cinematic code the book considers the many problems inherent in both the filmic and public celebration of hyper feminine sexuality in relation to censorship and considers the effects of the Hays Code on hyper feminine sexuality as depicted in film noir The book also importantly presents the first critical discussion of the actress Jayne Mansfield suggesting that her 1950s open acceptance celebration and public promotion of her feminine sexuality both onscreen and off makes her not only a precursor of the more sexually liberated 60s but also like the other actresses discussed here a kind of prescient performance artist even theorist of feminine sexuality in particular and cultural ideas about sexuality more generally Beyond recouping her image as feminist the book demonstrates how the kind of desire aroused by the sex goddess a desire which remains endlessly suspended works as a supreme example of the aesthetic apparatus of cinema itself Book Jacket **Powell and Pressburger** Ellen Z. Whitton, 2025-11-10 This book offers a new perspective on the renowned filmmaking duo The Archers Michael Powell and Emeric Pressburger through its examination of their engagement with history and its representation on screen Usually

celebrated for their vibrant aesthetics and bold narratives Powell and Pressburger have rarely been explored through the lens of realism or historiophoty This study addresses this gap through the in depth analysis of three of their war films *The Spy in Black* 1939 *The Life and Death of Colonel Blimp* 1943 and *The Battle of the River Plate* 1956 It demonstrates that the pair were committed to fair historical representations and authenticity and should be considered as early filmmaker historians for their contribution to public understandings of the past To interrogate this aspect of their partnership this book introduces a new methodological framework grounded in the structuralist theories of Roland Barthes and Brian McFarlane while influenced by Hayden White and New Cinema History It balances close textual analysis with investigations into production context and reception history offering a more holistic approach to understanding how authenticity was constructed on screen and received by audiences Through these case studies the book highlights how *The Archers* employed research practices like archival work expert consultation and on location visits that mirror those of traditional historians In doing so they crafted historically rich films that shaped public memory demonstrating filmmaking practices that are now common among contemporary filmmakers in that genre Beyond reassessing this aspect of *The Archers* legacy this methodology offers a practical framework for analysing and creating historical authenticity on screen **Clarence Brown**
