**Milton, Music and Literary Interpretation** David Ainsworth, 2019-11-13 Milton Music and Literary Interpretation Reading through the Spirit constructs a musical methodology for interpreting literary text drawn out of John Milton's poetry and prose Analyzing the linkage between music and the Holy Spirit in Milton's work it focuses on harmony and its relationship to Milton's theology and interpretative practices Linking both the Spirit and poetic music to Milton's understanding of teleology it argues that Milton uses musical metaphor to capture the inexpressible characteristics of the divine The book then applies these musical tools of reading to examine the non-trinitarian union between Father Son and Spirit in Paradise Lost argues that Adam and Eve's argument does not break their concord and puts forward a reading of Samson Agonistes based upon pity and grace

**The End of Learning** Thomas Festa, 2013-09-13 This book shows that education constitutes the central metaphor of John Milton's political as well as his poetic writing Demonstrating how Milton's theory of education emerged from his own practices as a reader and teacher this book analyzes for the first time the relationship between Milton's own material habits as a reader and his theory of the power of books Milton's instincts for pedagogy and the habits of inculcation everywhere visible in his writings take on a larger political function in his use of education as a trope for the transmission of intellectual history The book therefore analyzes Paradise Lost in the complementary contexts of its outright educational claims and more subversive countervailing measures in order to show how Milton dramatizes the end of learning which is to say both its objective and its failure The thesis emphasizes the argumentative resourcefulness of Milton's efforts to liberate readers from the tyrannical bonds of their political innocence most immediately in the context of the failure of Cromwell's regime to establish lasting republican institutions More philosophically the book explores the ways in which Milton's works investigate the humane and intellectual yearning for justice in response to the problem of evil

Stelzer, 2020-08-04 Despite the persistence and popularity of addressing the theme of eating in Paradise Lost the tradition of Adam and Eve's sin as one of gluttony and the evidence for Milton's adaptation of this tradition has been either unnoticed or suppressed Emily Stelzer provides the first book length work on the philosophical significance of gluttony in this poem arguing that a complex understanding of gluttony and of ideal grateful and gracious eating informs the content of Milton's writing Working with contextual material in the fields of physiology philosophy theology and literature and building on recent scholarship on Milton's experience of and knowledge about matter and the body Stelzer draws connections between Milton's work and both underexamined textual influences including for example Gower's Confessio Amantis and well recognized ones such as Augustine's City of God and Galen's On the Natural Faculties      [Humanistica Lovaniensia](#) Gilbert Tournoy, 1991-02-15 Volume 40      *Theological Milton* Michael Lieb, 2006 Literature and theology are inextricably intertwined in this study of the figure of God as a literary character in the writings of John Milton Provided by publisher      **Milton and the Spiritual Reader** David Ainsworth, 2005      *Milton and the Preaching Arts* Jameela Lares, 2001 Of interest to both literary scholars and scholars of church history and homiletics Milton and the Preaching Arts also surveys
